

CIVIL MONETARY PENALTY ADJUSTMENT FOR INFLATION

The *Federal Civil Penalties Inflation Adjustment Act Improvements Act of 2015*, as amended, requires agencies to make regular and consistent inflationary adjustments of civil monetary penalties to maintain their deterrent effect. To improve compliance with the act, and in response to multiple audits and recommendations, agencies should report annually in the Other Information section the most recent inflationary adjustments to civil monetary penalties to ensure penalty adjustments are both timely and accurate.

Location for Penalty Update Details:
