About the Other Information Section

The Other Information section includes:

Consolidated Statement of Net Cost, Consolidated Statement of Changes in Net Position, and Combined Statement of Budgetary Resources (Unaudited)

The Consolidated Statement of Net Cost (Unaudited) shows, by program, the net cost of operations for the reporting period. Net cost of operations consists of full program costs incurred by the Department less exchange revenues earned by those programs.

The Consolidated Statement of Changes in Net Position (Unaudited) presents the Department’s beginning and ending net position by two components—Unexpended Appropriations and Cumulative Results of Operations. It summarizes the change in net position by major transaction category. The ending balances of both components of the net position are also reported on the Consolidated Balance Sheet.

The Combined Statement of Budgetary Resources (Unaudited) presents the budgetary resources available to the Department, the status of these resources, and the outlays of budgetary resources.

The Notes to the Consolidated Statement of Net Cost, Consolidated Statement of Changes in Net Position, and Combined Statement of Budgetary Resources (Unaudited) provide information to explain the basis of the accounting and presentation used to prepare the statements and to explain specific items in the statements. They also provide information to support how particular accounts have been valued and computed.
