## INTRODUCTION

Sections 9302 and 9303 of the *Elementary and Secondary Education Act (ESEA)*, as amended by the *No Child Left Behind Act of 2001 (NCLB)* provide to States the option of applying for and reporting on multiple *ESEA* programs through a single consolidated application and report. Although a central, practical purpose of the Consolidated State Application and Report is to reduce "red tape" and burden on States, the Consolidated State Application and Report are also intended to have the important purpose of encouraging the integration of State, local, and *ESEA* programs in comprehensive planning and service delivery and enhancing the likelihood that the State will coordinate planning and service delivery across multiple State and local programs. The combined goal of all educational agencies—State, local, and Federal—is a more coherent, well-integrated educational plan that will result in improved teaching and learning. The Consolidated State Application and Report includes the following *ESEA* programs:

- Title I, Part A – *Improving Basic Programs Operated by Local Educational Agencies*
- Title I, Part B, Subpart 3 – *William F. Goodling Even Start Family Literacy Programs*
- Title I, Part C – *Education of Migratory Children* (Includes the Migrant Child Count)
- Title I, Part D – *Prevention and Intervention Programs for Children and Youth Who Are Neglected, Delinquent, or At-Risk*
- Title II, Part A – *Improving Teacher Quality State Grants (Teacher and Principal Training and Recruiting Fund)*
- Title III, Part A – *English Language Acquisition, Language Enhancement, and Academic Achievement Act*
- Title IV, Part A, Subpart 1 – *Safe and Drug-Free Schools and Communities State Grants*
- Title IV, Part A, Subpart 2 – *Safe and Drug-Free Schools and Communities National Activities (Community Service Grant Program)*
- Title V, Part A – *Innovative Programs*
- Title VI, Section 6111 – *Grants for State Assessments and Related Activities*
- Title VI, Part B – *Rural Education Achievement Program*
- Title X, Part C – *Education for Homeless Children and Youths*

The *NCLB* Consolidated State Performance Report (CSPR) for school year (SY) 2009-10 consists of two Parts, Part I and Part II.

## **PART I**

Part I of the CSPR requests information related to the five *ESEA* Goals, established in the June 2002 Consolidated State Application, and information required for the Annual State Report to the Secretary, as described in Section 1111(h)(4) of the *ESEA*. The five *ESEA* Goals established in the June 2002 Consolidated State Application are:

- **Performance Goal 1:** By SY 2013-14, all students will reach high standards, at a minimum attaining proficiency or better in reading/language arts and mathematics.
- **Performance Goal 2:** All limited English proficient students will become proficient in English and reach high academic standards, at a minimum attaining proficiency or better in reading/language arts and mathematics.
- **Performance Goal 3:** By SY 2005-06, all students will be taught by highly qualified teachers.
- **Performance Goal 4:** All students will be educated in learning environments that are safe, drug free, and conducive to learning.
- **Performance Goal 5:** All students will graduate from high school.

Beginning with the CSPR SY 2005-06 collection, the Education of Homeless Children and Youths was added. The Migrant Child count was added for the SY 2006-07 collection.

## **PART II**

Part II of the CSPR consists of information related to State activities and outcomes of specific *ESEA* programs. While the information requested varies from program to program, the specific information requested for this report meets the following criteria:

1. The information is needed for Department program performance plans or for other program needs.
2. The information is not available from another source, including program evaluations pending full implementation of required ED Facts submission.
3. The information will provide valid evidence of program outcomes or results.

## GENERAL INSTRUCTIONS AND TIMELINES

All States that received funding on the basis of the Consolidated State Application for the SY 2009-10 must respond to this Consolidated State Performance Report (CSPR). Part I of the Report is due to the Department by **Friday, December 17, 2010**. Part II of the Report is due to the Department by **Friday, February 18, 2011**. Both Part I and Part II should reflect data from the SY 2009-10, unless otherwise noted.

The format states will use to submit the Consolidated State Performance Report has changed to an online submission starting with SY 2004-05. This online submission system is being developed through the Education Data Exchange Network (EDEN) and will make the submission process less burdensome. Please see the following section on transmittal instructions for more information on how to submit this year's Consolidated State Performance Report.

## TRANSMITTAL INSTRUCTIONS

The Consolidated State Performance Report (CSPR) data will be collected online from the SEAs, using the EDEN web site. The EDEN web site will be modified to include a separate area (sub-domain) for CSPR data entry. This area will utilize EDEN formatting to the extent possible and the data will be entered in the order of the current CSPR forms. The data entry screens will include or provide access to all instructions and notes on the current CSPR forms; additionally, an effort will be made to design the screens to balance efficient data collection and reduction of visual clutter.

Initially, a state user will log onto EDEN and be provided with an option that takes him or her to the "SY 2009-10 CSPR". The main CSPR screen will allow the user to select the section of the CSPR that he or she needs to either view or enter data. After selecting a section of the CSPR, the user will be presented with a screen or set of screens where the user can input the data for that section of the CSPR. A user can only select one section of the CSPR at a time. After a state has included all available data in the designated sections of a particular CSPR Part, a lead state user will certify that Part and transmit it to the Department. Once a Part has been transmitted, ED will have access to the data. States may still make changes or additions to the transmitted data, by creating an updated version of the CSPR. Detailed instructions for transmitting the SY 2009-10 CSPR will be found on the main CSPR page of the EDEN web site (<https://EDEN.ED.GOV/EDENPortal/>).

According to the Paperwork Reduction Act of 1965, no persons are required to respond to a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is 1810-0614. The time required to complete this information collection is estimated to average 111 hours per response, including the time to review instructions, search existing data resources, gather the data needed, and complete and review the information collection. If you have any comments concerning the accuracy of the time estimates(s) contact School Support and Technology Programs, 400 Maryland Avenue, SW, Washington DC 20202-6140. Questions about the new electronic CSPR submission process, should be directed to the EDEN Partner Support Center at 1-877-HLP-EDEN (1-877-457-3336).

**2.1 IMPROVING BASIC PROGRAMS OPERATED BY LOCAL EDUCATIONAL AGENCIES (TITLE I, PART A)**

This section collects data on Title I, Part A programs.

**2.1.1 Student Achievement in Schools with Title I, Part A Programs**

The following sections collect data on student academic achievement on the State's assessments in schools that receive Title I, Part A funds and operate either Schoolwide programs or Targeted Assistance programs.

**2.1.1.1 Student Achievement in Mathematics in Schoolwide Schools (SWP)**

In the format of the table below, provide the number of students in SWP schools who completed the assessment and for whom a proficiency level was assigned, in grades 3 through 8 and high school, on the State's mathematics assessments under Section 1111(b)(3) of *ESEA*. Also, provide the number of those students who scored at or above proficient. The percentage of students who scored at or above proficient is calculated automatically.

<b>Grade</b>	<b># Students Who Completed the Assessment and for Whom a Proficiency Level Was Assigned</b>	<b># Students Scoring at or above Proficient</b>	<b>Percentage at or above Proficient</b>
3	8,438	5,573	66.0
4	8,319	5,525	66.4
5	7,948	5,636	70.9
6	7,704	5,500	71.4
7	7,119	4,633	65.1
8	7,041	4,447	63.2
High School	3,063	1,595	52.1
Total	49,632	32,909	66.3

**Comments:**

**2.1.1.2 Student Achievement in Reading/Language Arts in Schoolwide Schools (SWP)**

This section is similar to 2.1.1.1. The only difference is that this section collects data on performance on the State's reading/language arts assessment in SWP.

<b>Grade</b>	<b># Students Who Completed the Assessment and for Whom a Proficiency Level Was Assigned</b>	<b># Students Scoring at or above Proficient</b>	<b>Percentage at or above Proficient</b>
3	8,438	3,915	46.4
4	8,319	3,775	45.4
5	7,948	3,765	47.4
6	7,704	4,999	64.9
7	7,119	4,464	62.7
8	7,041	4,169	59.2
High School	3,077	2,005	65.2
Total	49,646	27,092	54.6

**Comments:**

**2.1.1.3 Student Achievement in Mathematics in Targeted Assistance Schools (TAS)**

In the table below, provide the number of all students in TAS who completed the assessment and for whom a proficiency level was assigned, in grades 3 through 8 and high school, on the State's mathematics assessments under Section 1111(b)(3) of *ESEA*. Also, provide the number of those students who scored at or above proficient. The percentage of students who scored at or above proficient is calculated automatically.

<b>Grade</b>	<b># Students Who Completed the Assessment and for Whom a Proficiency Level Was Assigned</b>	<b># Students Scoring at or above Proficient</b>	<b>Percentage at or above Proficient</b>

## 2.1.2 Title I, Part A Student Participation

The following sections collect data on students participating in Title I, Part A by various student characteristics.

### 2.1.2.1 Student Participation in Public Title I, Part A by Special Services or Programs

In the table below, provide the number of public school students served by either Public Title I SW or TAS programs at any time during the regular school year for each category listed. Count each student only once in each category even if the student participated during more than one term or in more than one school or district in the State. Count each student in as many of the categories that are applicable to the student. Include pre-kindergarten through grade 12. Do not include the following individuals: (1) adult participants of adult literacy programs funded by Title I, (2) private school students participating in Title I programs operated by local educational agencies, or (3) students served in Part A local neglected programs.

	# Students Served
Children with disabilities ( <i>IDEA</i> )	11,912
Limited English proficient students	14,270
Students who are homeless	733
Migratory students	342
<b>Comments:</b>	

### 2.1.2.2 Student Participation in Public Title I, Part A by Racial/Ethnic Group

In the table below, provide the unduplicated number of public school students served by either public Title I SWP or TAS at any time during the regular school year. Each student should be reported in only one racial/ethnic category. Include pre-kindergarten through grade 12. The total number of students served will be calculated automatically.

Do not include: (1) adult participants of adult literacy programs funded by Title I, (2) private school students participating in Title I programs operated by local educational agencies, or (3) students served in Part A local neglected programs.

Race/Ethnicity	# Students Served
American Indian or Alaska Native	441
Asian or Pacific Islander	3,174
Black, non-Hispanic	29,845
Hispanic	39,253
White, non-Hispanic	28,775
Total	101,488
<b>Comments:</b>	

**2.1.2.3 Student Participation in Title I, Part A by Grade Level**

In the table below, provide the unduplicated number of students participating in Title I, Part A programs by grade level and by type of program: Title I public targeted assistance programs (Public TAS), Title I schoolwide programs (Public SWP), private school students participating in Title I programs (private), and Part A local neglected programs (local neglected). The totals column by type of program will be automatically calculated.

<b>Age/Grade</b>	<b>Public TAS</b>	<b>Public SWP</b>	<b>Private</b>	<b>Local Neglected</b>	<b>Total</b>
Age 0-2	N<20	94	N<20	N<20	
Age 3-5 (not Kindergarten)	687	2,973	53	N<20

<b>TOTALS</b>		68,967			102,117
<b>Comments:</b> Connecticut has no testing for grade level "ungraded".					

**2.1.2.4 Student Participation in Title I, Part A Targeted Assistance Programs by Instructional and Support Services**

The following sections collect data about the participation of students in TAS.

**2.1.2.4.1 Student Participation in Title I, Part A Targeted Assistance Programs by Instructional Services**

In the table below, provide the number of students receiving each of the listed instructional services through a TAS program funded by Title I, Part A. Students may be reported as receiving more than one instructional service. However, students should be reported only once for each instructional service regardless of the frequency with which they received the service.

	<b># Students Served</b>
Mathematics	9,208
Reading/language arts	18,725
Science	952
Social studies	806
Vocational/career	274
Other instructional services	2,625
<b>Comments:</b>	

**2.1.2.4.2 Student Participation in Title I, Part A Targeted Assistance Programs by Support Services**

In the table below, provide the number of students receiving each of the listed support services through a TAS program funded by Title I, Part A. Students may be reported as receiving more than one support service. However, students should be reported only once for each support service regardless of the frequency with which they received the service.

	<b># Students Served</b>
Health, dental, and eye care	31
Supporting guidance/advocacy	521
Other support services	1,773
<b>Comments:</b>	

**2.1.3 Staff Information for Title I, Part A Targeted Assistance Programs (TAS)**

In the table below, provide the number of full-time equivalent (FTE) staff funded by a Title I, Part A TAS in each of the staff categories. For staff who work with both TAS and SWP, report only the FTE attributable to their TAS responsibilities.

For paraprofessionals only, provide the percentage of paraprofessionals who were qualified in accordance with Section 1119 (c) and (d) of *ESEA*.

See the FAQs following the table for additional information.

Staff Category	Staff FTE	Percentage Qualified
Teachers	364	
Paraprofessionals <sup>1</sup>	238	
Other paraprofessionals (translators, parental involvement, computer assistance) <sup>2</sup>	15	
Clerical support staff	142	
Administrators (non-clerical)	55	
<b>Comments:</b>		

<sup>1</sup> Consistent with *ESEA*, Title I, Section 1119(g)(2).

<sup>2</sup> Consistent with *ESEA*, Title I, Section 1119(e).

**2.1.3.1 Paraprofessional Information for Title I, Part A Schoolwide Programs**

In the table below, provide the number of FTE paraprofessionals who served in SWP and the percentage of these paraprofessionals who were qualified in accordance with Section 1119 (c) and (d) of *ESEA*. Use the additional guidance found below the previous table.

	<b>Paraprofessionals FTE</b>	<b>Percentage Qualified</b>
Paraprofessionals <sup>3</sup>	1,956.00	96.4
<b>Comments:</b>		

<sup>3</sup> Consistent with *ESEA*, Title I, Section 1119(g)(2).

**2.2 WILLIAM F. GOODLING EVEN START FAMILY LITERACY PROGRAMS (TITLE I, PART B, SUBPART 3)****2.2.1 Subgrants and Even Start Program Participants**

In the tables below, please provide information requested for the reporting program year July 1, 2009 to June 30, 2010.

**2.2.1.1 Federally Funded Even Start Subgrants in the State**

Number of federally funded Even Start subgrants	4
<b>Comments:</b>	

**2.2.1.2 Even Start Families Participating During the Year**

In the table below, provide the number of participants for each of the groups listed below. The following terms apply:

1. "Participating" means enrolled and participating in all four core instructional components.
2. "Adults" includes teen parents.
3. For continuing children, calculate the age of the child on July 1, 2009. For newly enrolled children, calculate their age at the time of enrollment in Even Start.
4. Do not use rounding rules to calculate children's ages .

The total number of participating children will be calculated automatically.

	# Participants
1. Families participating	79
2. Adults participating	80
3. Adults participating who are limited English proficient (Adult English Learners)	34
4. Participating children	89
a. Birth through 2 years	48
b. Ages 3 through 5	31
c. Ages 6 through 8	N<20
c. Above age 8	N<20
<b>Comments:</b>	

### 2.2.1.3 Characteristics of Newly Enrolled Families at the Time of Enrollment

In the table below, provide the number of newly enrolled families for each of the groups listed below. The term "newly enrolled family" means a family who enrolls for the first time in the Even Start project or who had previously been in Even Start and re-enrolls during the year.

	#
1. Number of newly enrolled families	47
2. Number of newly enrolled adult participants	48
3. Number of newly enrolled families at or below the federal poverty level at the time of enrollment	43
4. Number of newly enrolled adult participants without a high school diploma or GED at the time of enrollment	41
5. Number of newly enrolled adult participants who have not gone beyond the 9 <sup>th</sup> grade at the time of enrollment	N<20
<b>Comments:</b>	

### 2.2.1.4 Retention of Families

In the table below, provide the number of families who are newly enrolled, those who exited the program during the year, and those continuing in the program. For families who have exited, count the time between the family's start date and exit date. For families continuing to participate, count the time between the family's start date and the end of the reporting year (June 30, 2010). For families who had previously exited Even Start and then enrolled during the reporting year, begin counting from the time of the family's original enrollment date. **Report each family only once in lines 1-4.** Note enrolled families means a family who is participating in all four core instructional components. The total number of families participating will be automatically calculated.

Time in Program	#
1. Number of families enrolled 90 days or less	N<20
2. Number of families enrolled more than 90 but less than 180 days	N<20
3. Number of families enrolled 180 or more days but less than 365 days	25
4. Number of families enrolled 365 days or more	25
5. Total families enrolled	79
<b>Comments:</b> Initial entry for this item (65) neglected to include families still participating from previous year and only counted new additions to the program. This number (79) reflects all families participating in the program.	

## 2.2.2 Federal Even Start Performance Indicators

This section collects data about the federal Even Start Performance Indicators

### 2.2.2.1 Adults Showing Significant Learning Gains on Measures of Reading

In the table below, provide the number of adults who showed significant learning gains on measures of reading. Only report data from the TABE reading test on the TABE line. Likewise, only report data from the CASAS reading test on the CASAS line. Data from the other TABE or CASAS tests or combination of both tests should be reported on the "other" line.

To be counted under "pre- and post-test", an individual must have completed **both** the pre- and post-tests.

The definition of "significant learning gains" for adult education is determined at the State level either by your State's adult education program in conjunction with the U.S. Department of Education's Office of Vocational and Adult Education (OVAE), or as defined by your Even Start State Performance Indicators.

These instructions/definitions apply to both 2.2.2.1 and 2.2.2.2.

Note: Do not include the Adult English Learners counted in 2.2.2.2.

### 2.2.2.3 Adults Earning a High School Diploma or GED

In the table below, provide the number of school-age and non-school age adults who earned a high school diploma or GED during the reporting year.

The following terms apply:

1. "School-age adults" is defined as any parent attending an elementary or secondary school. This also includes those adults within the State's compulsory attendance range who are being served in an alternative school setting, such as directly through the Even Start program.
2. "Non-school-age" adults are any adults who do not meet the definition of "school-age."
3. Include only the number of adult participants who had a realistic goal of earning a high school diploma or GED. Note that age limitations on taking the GED differ by State, so you should include only those adult participants for whom attainment of a GED or high school diploma is a possibility.

### 2.2.2.4 Children Age-Eligible for Kindergarten Who Are Achieving Significant Learning Gains on Measures of Language Development

In the table below, provide the number of children who are achieving significant learning gains on measures of language development.

The following terms apply:

1. "Age-Eligible" includes the total number of children who are old enough to enter kindergarten in the school year following the reporting year who have been in Even Start for at least six months.
2. "Tested" includes the number of age-eligible children who took both a pre- and post-test with at least 6 months of Even Start service in between.
3. A "significant learning gain" is considered to be a standard score increase of 4 or more points.
4. "Exempted" includes the number of children who could not take the test (based on the practice items) due to a severe disability or inability to understand the directions.

	# Age-Eligible	# Pre- and Post- Tested	# Who Met Goal	# Exempted	Explanation (if applicable)
PPVT-III	N<20	N<20	N<20	N<20	2 children were exempted because they did not participate 6 months or longer. 1 child was unable to take the pre test because first language was not English.
PPVT-IV	N<20	N<20	N<20	N<20	2 children were exempted because they did not participate 6 months or longer; 2 children because English was not their first language.

#### 2.2.2.4.1 Children Age-Eligible for Kindergarten Who Demonstrate Age-Appropriate Oral Language Skills

The following terms apply:

1. "Age-Eligible" includes the total number of children who are old enough to enter kindergarten in the school year following the reporting year and who have been enrolled in Even Start for at least six months.
2. "Tested" includes the number of age-eligible children who took the PPVT-III or TVIP in the spring of or latest test within the reporting year.
3. # Who met goal includes children who score a Standard Score of 85 or higher on the spring (or latest test within the reporting year) TVIP, PPVT-III or PPVT-IV
4. "Exempted" includes the number of children who could not take the test (based on the practice items) due to a severe disability or inability to understand the directions .

Note: Projects may use the PPVT-III or the PPVT-IV if the PPVT-III is no longer available, but results for the two versions of the assessment should be reported separately.

	# Age-Eligible	# Tested	# Who Met Goal	# Exempted	Explanation (if applicable)
PPVT-III	N<20	N<20	N<20	N<20	2 children exempted because they did not participate 6 months or longer
PPVT-IV	N<20	N<20	N<20	N<20	English was not the first language of the 2 children exempted.

### 2.2.2.5 The Average Number of Letters Children Can Identify as Measured by the PALS Pre-K Upper Case Letter Naming Subtask

In the table below, provide the average number of letters children can identify as measure by PALS subtask.

The following terms apply:

1. "Age-Eligible" includes the total number of children who are old enough to enter kindergarten in the school year following the reporting year and who have been enrolled in Even Start for at least six months.
2. "Tested" includes the number of age-eligible children who received Even Start services and who took the PALS Pre-K Upper Case Letter Naming Subtask in the spring of 2010 (or latest test within the reporting year).
3. "Exempted" includes the number of children exempted from testing due to a severe disability or inability to understand the directions in English.
4. "Average number of letters" includes the average score for the children in your State who participated in this assessment. This should be provided as a weighted average (An example of how to calculate a weighted average is included in the program training materials) and rounded to one decimal.

	# Age-Eligible	# Tested	# Exempted	Average Number of Letters (Weighted Average)	Explanation (if applicable)
PALS PreK Upper Case	23	23	N<20	16.2	Children are pre and post tested on the PALS. Last year, 12 children were below goal on the pre, averaging 2.1 upper case letters recognized. At post, this group averaged an 8.5 gain in the number of upper case letters recognized; and, 5 of these 12 children met goal.

### 2.2.2.7 Parents Who Show Improvement on Measures of Parental Support for Children's Learning in the Home, School Environment, and Through Interactive Learning Activities

In the table below, provide the number of parents who show improvement ("met goal") on measures of parental support for children's learning in the home, school environment, and through interactive learning activities.

While many states are using the PEP, other assessments of parenting education are acceptable. Please describe results and the source(s) of any non-PEP data in the "Other" field, with appropriate information in the Explanation field.

**2.3 EDUCATION OF MIGRANT CHILDREN (TITLE I, PART C)**

This section collects data on the Migrant Education Program (Title I, Part C) for the reporting period of September 1, 2009 through August 31, 2010. This section is composed of the following subsections:

- Population data of eligible migrant children;
- Academic data of eligible migrant students;
- Participation data of migrant children served during either the regular school year, summer/intersession term, or program year;
- School data;
- Project data;
- Personnel data.

Where the table collects data by age/grade, report children in the highest age/grade that they attained during the reporting period. For example, a child who turns 3 during the reporting period would only be reported in the "Age 3 through 5 (not Kindergarten)" row.

FAQs in section 1.10 contain definitions of out-of-school and ungraded that are used in this section.

**2.3.1 Population Data**

The following questions collect data on eligible migrant children.

### 2.3.3 MEP Participation Data

The following questions collect data about the participation of migrant students served during the regular school year, summer/intersession term, or program year.

Unless otherwise indicated, participating migrant children include:

- Children who received instructional or support services funded in whole or in part with MEP funds.
- Children who received a MEP-funded service, even those children who continued to receive services (1) during the term their eligibility ended, (2) for one additional school year after their eligibility ended, if comparable services were not available through other programs, and (3) in secondary school after their eligibility ended, and served through credit accrual programs until graduation (e.g., children served under the continuation of services authority, Section 1304(e)(1–3)).

Do not include:

- Children who were served through a Title I SWP where MEP funds were consolidated with those of other programs.
- Children who were served by a "referred" service only.

#### 2.3.3.1 MEP Participation Regular School Year

The following questions collect data on migrant children who participated in the MEP during the **regular** school year. Do not include:

- Children who were only served during the summer/intersession term.

##### 2.3.3.1.1 MEP Students Served During the Regular School Year

### 2.3.3.1.4 Services

The following questions collect data on the services provided to participating migrant children during the regular school year.

#### FAQ on Services:

*What are services?* Services are a subset of all allowable activities that the MEP can provide through its programs and projects. "Services" are those educational or educationally related activities that: (1) directly benefit a migrant child; (2) address a need of a migrant child consistent with the SEA's comprehensive needs assessment and service delivery plan; (3) are grounded in scientifically based research or, in the case of support services, are a generally accepted practice; and (4) are designed to enable the program to meet its measurable outcomes and contribute to the achievement of the State's performance targets. Activities related to identification and recruitment activities, parental involvement, program evaluation, professional development, or administration of the program are examples of allowable activities that are not considered services. Other examples of an allowable activity that would not be considered a service would be the one-time act of providing instructional packets to a child or family, and handing out leaflets to migrant families on available reading programs as part of an effort to increase the reading skills of migrant children. Although these are allowable activities, they are not services because they do not meet all of the criteria above.

#### 2.3.3.1.4.1 Instructional Service – During the Regular School Year

In the table below, provide the unduplicated number of **participating** migrant children who received any type of MEP-funded instructional service during the regular school year. Include children who received instructional services provided by either a teacher or a paraprofessional. Children should be reported only once regardless of the frequency with which they received a service intervention. The total is calculated automatically.

Include children who received such instructional services provided by a teacher only. Children may be reported as having received more than one type of instructional service in the table. However, children should be reported only once within each type of instructional service that they received regardless of the frequency with which they received the instructional service. The totals are calculated automatically.

#### FAQs on Support Services:

- a. *What are support services?* These MEP-funded services include, but are not limited to, health, nutrition, counseling, and social services for migrant families; necessary educational supplies, and transportation. The one-time act of providing instructional or informational packets to a child or family does not constitute a support service.
- b. *What are counseling services?* Services to help a student to better identify and enhance his or her educational, personal, or occupational potential; relate his or her abilities, emotions, and aptitudes to educational and career opportunities; utilize his or her abilities in formulating realistic plans; and achieve satisfying personal and social development. These activities take place between one or more counselors and one or more students as counselees, between students and students, and between counselors and other staff members. The services can also help the child address life problems or personal crisis that result from the culture of migrancy.

**2.3.3.1.4.4 Referred Service – During the Regular School Year**

In the table below, provide the unduplicated number of **participating** migrant children who, during the regular school year, received an educational or educationally related service funded by another non-MEP program/organization that they would not have otherwise received without efforts supported by MEP funds. Children should be reported only once regardless of the frequency with which they received a referred service. Include children who were served by a referred service only or who received both a referred service and MEP-funded services. Do not include children who were referred, but received no services. The following questions are about the enrollment of eligible migrant children in schools during the regular school year.

#### 2.3.4.1 Schools and Enrollment

In the table below, provide the number of public schools that enrolled **eligible** migrant children at any time during the regular school year. Schools include public schools that serve school age (e.g., grades K through 12) children. Also, provide the number of **eligible** migrant children who were enrolled in those schools. Since more than one school in a State may enroll the same migrant child at some time during the year, the number of children may include duplicates.

	#
Number of schools that enrolled eligible migrant children	85
Number of eligible migrant children enrolled in those schools	462
<b>Comments:</b> Connecticut ended its participation in the Education of Migrant Children program in 2007.	

#### 2.3.4.2 Schools Where MEP Funds Were Consolidated in Schoolwide Programs

In the table below, provide the number of schools where MEP funds were consolidated in an SWP. Also, provide the number of **eligible** migrant children who were enrolled in those schools at any time during the regular school year. Since more than one school in a State may enroll the same migrant child at some time during the year, the number of children may include duplicates.

### 2.3.5 MEP Project Data

The following questions collect data on MEP projects.

#### 2.3.5.1 Type of MEP Project

In the table below, provide the number of projects that are funded in whole or in part with MEP funds. A MEP project is the entity that receives MEP funds by a subgrant from the State or through an intermediate entity that receives the subgrant and provides services directly to the migrant child. Do not include projects where MEP funds were consolidated in SWP.

Also, provide the number of migrant children **participating** in the projects. Since children may participate in more than one project, the number of children may include duplicates.

Below the table are FAQs about the data collected in this table.

Type of MEP Project	Number of MEP Projects	Number of Migrant Children Participating in the Projects
Regular school year – school day only		
Regular school year – school day/extended day		
Summer/intersession only		
Year round		
<b>Comments:</b> Connecticut ended its participation in the Education of Migrant Children program in 2007.		

#### FAQs on type of MEP project:

- a. *What is a project?* A project is any entity that receives MEP funds either as a subgrantee or from a subgrantee and provides services directly to migrant children in accordance with the State Service Delivery Plan and State approved subgrant applications. A project's services may be provided in one or more sites.
- b. *What are Regular School Year– School Day Only projects?* Projects where all MEP services are provided during the school day during the regular school year.
- c. *What are Regular School Year– School Day/Extended Day projects?* Projects where some or all MEP services are provided during an extended day or week during the regular school year (e.g., some services are provided during the school day and some outside of the school day; e.g., all services are provided outside of the school day).
- d. *What are Summer/Intersession Only projects?* Projects where all MEP services are provided during the summer/intersession term.
- e. *What are Year Round projects?* Projects where all MEP services are provided during the regular school year and summer/intersession term.

### 2.3.6 MEP Personnel Data

The following questions collect data on MEP personnel data.

#### 2.3.6.1 Key MEP Personnel

The following questions collect data about the key MEP personnel.

##### 2.3.6.1.1 MEP State Director

In the table below, provide the FTE amount of time the State director performs MEP duties (regardless of whether the director is funded by State, MEP, or other funds) during the reporting period (e.g., September 1 through August 31). Below the table are FAQs about the data collected in this table.

<b>State Director FTE</b>	
<b>Comments:</b> Connecticut ended its participation in the Education of Migrant Children program in 2007.	

#### FAQs on the MEP State director

- a. *How is the FTE calculated for the State director?* Calculate the FTE using the number of days worked for the MEP. To do so, first define how many full-time days constitute one *FTE* for the State director in your State for the reporting period. To calculate the FTE number, sum the total days the State director worked for the MEP during the reporting period and divide this sum by the number of full-time days that constitute one FTE in the reporting period.
- b. *Who is the State director?* The manager within the SEA who administers the MEP on a statewide basis.

**2.3.6.1.2 MEP Staff**

In the table below, provide the headcount and FTE by job classification of the staff funded by the MEP. Do **not** include staff employed in SWP where MEP funds were combined with those of other programs. Below the table are FAQs about the data collected in this table.

Job Classification	Regular School Year		Summer/Intersession Term	
	Headcount	FTE	Headcount	FTE
Teachers				
Counselors				
All paraprofessionals				
Recruiters				
Records transfer staff				
<b>Comments:</b> Connecticut ended its participation in the Education of Migrant Children program in 2007.				

**Note:** The Headcount value displayed represents the greatest whole number submitted in file specification N/X065 for the corresponding Job Classification. For example, an ESS submitted value of 9.8 will be represented in your CSPR as 9.

**FAQs on MEP staff:**

- a. *How is the FTE calculated?* The FTE may be calculated using one of two methods:
  1. To calculate the FTE, in each job category, sum the percentage of time that staff were funded by the MEP and enter the total FTE for that category.
  2. Calculate the FTE using the number of days worked. To do so, first define how many full-time days constitute one FTE for each job classification in your State for each term. (For example, one regular-term FTE may equal 180 full-time (8 hour) work days; one summer term FTE may equal 30 full-time work days; or one intersession FTE may equal 45 full-time work days split between three 15-day non-contiguous blocks throughout the year.) To calculate the FTE number, sum the total days the individuals worked in a particular job classification for a term and divide this sum by the number of full-time days that constitute one FTE in that term.
- b. *Who is a teacher?* A classroom instructor who is licensed and meets any other teaching requirements in the State.
- c. *Who is a counselor?* A professional staff member who guides individuals, families, groups, and communities by assisting them in problem-solving, decision-making, discovering meaning, and articulating goals related to personal, educational, and career development.
- d. *Who is a paraprofessional?* An individual who: (1) provides one-on-one tutoring if such tutoring is scheduled at a time when a student would not otherwise receive instruction from a teacher; (2) assists with classroom management, such as organizing instructional and other materials; (3) provides instructional assistance in a computer laboratory; (4) conducts parental involvement activities; (5) provides support in a library or media center; (6) acts as a translator; or (7) provides instructional support services under the direct supervision of a teacher (Title I, Section 1119(g)(2)). Because a paraprofessional provides instructional support, he/she should not be providing planned direct instruction or introducing to students new skills, concepts, or academic content. Individuals who work in food services, cafeteria or playground supervision, personal care services, non-instructional computer assistance, and similar positions are not considered paraprofessionals under Title I.
- e. *Who is a recruiter?* A staff person responsible for identifying and recruiting children as eligible for the MEP and documenting their eligibility on the Certificate of Eligibility.
- f. *Who is a record transfer staffer?* An individual who is responsible for entering, retrieving, or sending student records from or to another school or student records system.

### 2.3.6.1.3 Qualified Paraprofessionals

In the table below, provide the headcount and FTE of the qualified paraprofessionals funded by the MEP. Do **not** include staff employed in SWP where MEP funds were combined with those of other programs. Below the table are FAQs about the data collected in this table.

	Regular School Year		Summer/Intersession Term	
	Headcount	FTE	Headcount	FTE
Qualified Paraprofessionals				
<b>Comments:</b> Connecticut ended its participation in the Education of Migrant Children program in 2007.				

#### FAQs on qualified paraprofessionals:

- a. *How is the FTE calculated?* The FTE may be calculated using one of two methods:
1. To calculate the FTE, sum the percentage of time that staff were funded by the MEP and enter the total FTE for that category.
  2. Calculate the FTE using the number of days worked. To do so, first define how many full-time days constitute one FTE in your State for each term. (For example, one regular-term FTE may equal 180 full-time (8 hour) work days; one summer term FTE may equal 30 full-time work days; or one intersession FTE may equal 45 full-time work days split between three 15-day non-contiguous blocks throughout the year.) To calculate the FTE number, sum the total days the individuals worked for a term and divide this sum by the number of full-time days that constitute one FTE in that term.
- b. *Who is a qualified paraprofessional?* A qualified paraprofessional must have a secondary school diploma or its recognized equivalent and have (1) completed 2 years of study at an institution of higher education; (2) obtained an associate's (or higher) degree; or (3) met a rigorous standard of quality and be able to demonstrate, through a formal State or local academic assessment, knowledge of and the ability to assist in instructing reading, writing, and mathematics (or, as appropriate, reading readiness, writing readiness, and mathematics readiness) (Sections 1119(c) and (d) of *ESEA*).

## 2.4 PREVENTION AND INTERVENTION PROGRAMS FOR CHILDREN AND YOUTH WHO ARE NEGLECTED, DELINQUENT, OR AT RISK (TITLE I, PART D, SUBPARTS 1 AND 2)

This section collects data on programs and facilities that serve students who are neglected, delinquent, or at risk under Title I, Part D, and characteristics about and services provided to these students.

Throughout this section:

- Report data for the program year of July 1, 2009 through June 30, 2010.
- Count programs/facilities based on how the program was classified to ED for funding purposes.
- Do not include programs funded solely through Title I, Part A.
- Use the definitions listed below:
  - **Adult Corrections:** An adult correctional institution is a facility in which persons, including persons 21 or under, are confined as a result of conviction for a criminal offense.
  - **At-Risk Programs:** Programs operated (through LEAs) that target students who are at risk of academic failure, have a drug or alcohol problem, are pregnant or parenting, have been in contact with the juvenile justice system in the past, are at least 1 year behind the expected age/grade level, have limited English proficiency, are gang members, have dropped out of school in the past, or have a high absenteeism rate at school.
  - **Juvenile Corrections:** An institution for delinquent children and youth is a public or private residential facility other than a foster home that is operated for the care of children and youth who have been adjudicated delinquent or in need of supervision. Include any programs serving adjudicated youth (including non-secure facilities and group homes) in this category.
  - **Juvenile Detention Facilities:** Detention facilities are shorter-term institutions that provide care to children who require secure custody pending court adjudication, court disposition, or execution of a court order, or care to children after commitment.
  - **Multiple Purpose Facility:** An institution/facility/program that serves more than one programming purpose. For example, the same facility may run both a juvenile correction program and a juvenile detention program.
  - **Neglected Programs:** An institution for neglected children and youth is a public or private residential facility, other than a foster home, that is operated primarily for the care of children who have been committed to the institution or voluntarily placed under applicable State law due to abandonment, neglect, or death of their parents or guardians.
  - **Other:** Any other programs, not defined above, which receive Title I, Part D funds and serve non-adjudicated children and youth.

**2.4.1 State Agency Title I, Part D Programs and Facilities- Subpart 1**

The following questions collect data on Title I, Part D, Subpart 1 programs and facilities.

**2.4.1.1 Programs and Facilities - Subpart 1**

In the table below, provide the number of State agency Title I, Part D, Subpart 1 programs and facilities that serve neglected and delinquent students and the average length of stay by program/facility type, for these students. Report only programs and facilities that received Title I, Part D, Subpart 1 funding during the reporting year. Count a facility once if it offers only one type of program. If a facility offers more than one type of program (i.e., it is a multipurpose facility), then count each of the separate programs. Make sure to identify the number of multipurpose facilities that were included in the facility/program count in the second table. The total number of programs/facilities will be automatically calculated. Below the table is a FAQ about the data collected in this table.

State Program/Facility Type	# Programs/Facilities	Average Length of Stay in Days
Neglected programs	1	212
Juvenile detention	0	0
Juvenile corrections	1	134
Adult corrections	17	223
Other	0	0
Total	19	

How many of the programs listed in the table above are in a multiple purpose facility?

	#
<b>Programs in a multiple purpose facility</b>	17
<b>Comments:</b>	

**FAQ on Programs and Facilities - Subpart I:**

*How is average length of stay calculated?* The average length of stay should be weighted by number of students and should include the number of days, per visit, for each student enrolled during the reporting year, regardless of entry or exit date. Multiple visits for students who entered more than once during the reporting year can be included. The average length of stay in days should not exceed 365.

**2.4.1.1.1 Programs and Facilities That Reported - Subpart 1**

In the table below, provide the number of State agency programs/facilities that reported data on neglected and delinquent students.

The total row will be automatically calculated.

**2.4.1.2 Students Served – Subpart 1**

In the tables below, provide the number of neglected and delinquent students served in State agency Title I, Part D, Subpart 1 programs and facilities. Report only students who received Title I, Part D, Subpart 1 services during the reporting year. In the first table, provide in row 1 the unduplicated number of students served by each program, and in row 2, the total number of students in row 1 that are long-term. In the subsequent tables provide the number of students served by race/ethnicity, by sex, and by age. The total number of students by race/ethnicity, by sex and by age will be automatically calculated.

**FAQ on Unduplicated Count:**

*What is an unduplicated count?* An unduplicated count is one that counts students only once, even if they were admitted to a facility or program multiple times within the reporting year.

**FAQ on long-term:**

*What is long-term?* Long-term refers to students who were enrolled for at least 90 consecutive calendar days from July 1, 2009 through June 30, 2010.

**2.4.1.3 Programs/Facilities Academic Offerings – Subpart 1**

In the table below, provide the number of programs/facilities (not students) that received Title I, Part D, Subpart 1 funds and awarded at least one high school course credit, one high school diploma, and/or one GED within the reporting year. Include programs/facilities that directly awarded a credit, diploma, or GED, as well as programs/facilities that made awards through another agency. The numbers should not exceed those reported earlier in the facility counts.

**2.4.1.6 Academic Performance- Subpart 1**

The following questions collect data on the academic performance of neglected and delinquent students served by Title I, Part D, Subpart 1 in reading and mathematics.

**2.4.1.6.1 Academic Performance in Reading – Subpart 1**

In the tables below, provide the unduplicated number of long-term students served by Title I, Part D, Subpart 1, who participated in reading testing. In the first table, report the number of students who tested below grade level upon entry based on their pre-test. A post-test is not required to answer this item. Then, indicate the number of students who completed both a pre-test and a post-test. In the second table, report only students who participated in both pre-and post-testing. Students should be reported in only one of the five change categories in the second table below.

Report only information on a student's most recent testing data. Students who were pre-tested prior to July 1, 2009, may be included if their post-test was administered during the reporting year. Students who were post-tested after the reporting year ended should be counted in the following year. Throughout the tables, report numbers for juvenile detention and correctional facilities together in a single column. Below the tables is an FAQ about the data collected in these tables.

<b>Performance Data (Based on most recent testing data)</b>	<b>Neglected Programs</b>	<b>Juvenile Corrections/ Detention</b>	<b>Adult Corrections</b>	<b>Other Programs</b>
Long-term students who tested below grade level upon entry	46	46	3,865	
Long-term students who have complete pre- and post-test results (data)	24	56	631	

Of the students reported in the second row above, indicate the number who showed:

<b>Performance Data (Based on most recent testing data)</b>	<b>Neglected Programs</b>	<b>Juvenile Corrections/ Detention</b>	<b>Adult Corrections</b>	<b>Other Programs</b>
Negative grade level change from the pre- to post-test exams	N<20	N<20	118	
No change in grade level from the pre- to post-test exams	N<20	N<20	299	
Improvement of up to 1/2 grade level from the pre- to post-test exams	N<20	N<20	36	
Improvement from 1/2 up to one full grade level from the pre- to post-test exams	N<20	N<20	38	
Improvement of more than one full grade level from the pre- to post-test exams	N<20	N<20	N<20	

**Comments:** As a school district, Unified School District #1 (USD #1) which are Schools within the CT Department of Corrections, does not have the typical grades of a high school. Upon entry their students are academically assessed via the Test of Adult Basic Education. From the results, progression levels are assigned for each student. USD #1 progression levels are: ABE1 - grade levels 0-3.9; ABE2 - grade levels 4.0 - 7.9; ABE3 - 8.0 and above.

Those students who progressed from ABE1 or ABE2 to a GED were not reflected in the results since they then entered a different testing system because of the passage of "Raise the age" legislation. The student population in our correction centers is aging upwards. Fewer of our students are opting for earning high school credits and are opting to take the GED since it is the quickest route to obtaining high school completion. This is the reason why the sum of students demonstrating test results is less than the number of students reported as having complete pre- and post-test results.

**FAQ on long-term students:**

*What is long-term?* Long-term refers to students who were enrolled for at least 90 consecutive calendar days from July 1, 2009 through June 30, 2010.

**2.4.1.6.2 Academic Performance in Mathematics – Subpart 1**

This section is similar to 2.4.1.6.1. The only difference is that this section collects data on mathematics performance.

<b>Performance Data (Based on most recent testing data)</b>	<b>Neglected Programs</b>	<b>Juvenile Corrections/ Detention</b>	<b>Adult Corrections</b>	<b>Other Programs</b>

**2.4.2 LEA Title I, Part D Programs and Facilities- Subpart 2**

The following questions collect data on Title I, Part D, Subpart 2 programs and facilities.

**2.4.2.1 Programs and Facilities – Subpart 2**

In the table below, provide the number of LEA Title I, Part D, Subpart 2 programs and facilities that serve neglected and delinquent students and the yearly average length of stay by program/facility type for these students. Report only the programs and facilities that received Title I, Part D, Subpart 2 funding during the reporting year. Count a facility once if it offers only one type of program. If a facility offers more than one type of program (i.e., it is a multipurpose facility), then count each of the separate programs. Make sure to identify the number of multipurpose facilities that were included in the facility/program count in the second table. The total number of programs/ facilities will be automatically calculated. Below the table is an FAQ about the data collected in this table.

**2.4.2.6 Academic Performance- Subpart 2**

The following questions collect data on the academic performance of neglected and delinquent students served by Title I, Part D, Subpart 2 in reading and mathematics.

**2.4.2.6.1 Academic Performance in Reading – Subpart 2**

In the tables below, provide the unduplicated number of long-term students served by Title I, Part D, Subpart 2, who participated in reading testing. In the first table, report the number of students who tested below grade level upon entry based on their pre-test. A post-test is not required to answer this item. Then, indicate the number of students who completed both a pre-test and a post-test. In the second table, report only students who participated in both pre-and post-testing. Students should be reported in only one of the five change categories in the second table below.

Report only information on a student's most recent testing data. Students who were pre-tested prior to July 1, 2009, may be included if their post-test was administered during the reporting year. Students who were post-tested after the reporting year ended should be counted in the following year. Throughout the table, report numbers for juvenile detention and correctional facilities together in a single column. Below the tables is an FAQ about the data collected in these tables.

<b>Performance Data (Based on most recent testing data)</b>	<b>At-Risk Programs</b>	<b>Neglected Programs</b>	<b>Juvenile Corrections/ Detention</b>	<b>Other Programs</b>
Long-term students who tested below grade level upon entry			26	
Long-term students who have complete pre- and post-test results (data)			27	

Of the students reported in the second row above, indicate the number who showed:

<b>Performance Data (Based on most recent testing data)</b>	<b>At-Risk Programs</b>	<b>Neglected Programs</b>	<b>Juvenile Corrections/ Detention</b>	<b>Other Programs</b>
Negative grade level change from the pre- to post-test exams			N<20	
No change in grade level from the pre- to post-test exams			N<20	
Improvement of up to 1/2 grade level from the pre- to post-test exams			N<20	
Improvement from 1/2 up to one full grade level from the pre- to post-test exams			N<20	
Improvement of more than one full grade level from the pre- to post-test exams			N<20

**FAQ on long-term:**

*What is long-term?* Long-term refers to students who were enrolled for at least 90 consecutive calendar days from July 1, 2009, through June 30, 2010.

**2.4.2.6.2 Academic Performance in Mathematics – Subpart 2**

This section is similar to 2.4.2.6.1. The only difference is that this section collects data on mathematics performance.

<b>Performance Data (Based on most recent testing data)</b>	<b>At-Risk Programs</b>	<b>Neglected Programs</b>	<b>Juvenile Corrections/ Detention</b>	<b>Other Programs</b>
Long-term students who tested below grade level upon entry			27

<b>Comments:</b> The decreases in Out of School Suspensions (OSS) and Expulsions (EXP) are due to legislative changes implemented by the State Department of Education and LEAs. Connecticut General Statutes, Section 10-233c was revised by Public Act 10-111 to increase the use of In School Suspension (ISS) and lower the number of students who are suspended from school via OSS. The State Department of Education has published Education Guidelines for In-School and Out-of-School Suspensions, which set new standards for working with students who violate school or district rules. The expected outcome is increasing ISS and decreasing OOS and EXP.
