

**CONSOLIDATED STATE PERFORMANCE REPORT:  
Parts I and II**

**for  
STATE FORMULA GRANT PROGRAMS  
under the  
ELEMENTARY AND SECONDARY EDUCATION ACT  
As amended by the  
No Child Left Behind Act of 2001**

For reporting on  
**School Year 2009-10**

**WEST VIRGINIA**

**PART I DUE FRIDAY, DECEMBER 17, 2010  
PART II DUE FRIDAY, FEBRUARY 18, 2011**

**U.S. DEPARTMENT OF EDUCATION  
WASHINGTON, DC 20202**

## INTRODUCTION

Sections 9302 and 9303 of the *Elementary and Secondary Education Act (ESEA)*, as amended by the *No Child Left Behind Act of 2001 (NCLB)* provide to States the option of applying for and reporting on multiple *ESEA* programs through a single consolidated application and report. Although a central, practical purpose of the Consolidated State Application and Report is to reduce "red tape" and burden on States, the Consolidated State Application and Report are also intended to have the important purpose of encouraging the integration of State, local, and *ESEA* programs in comprehensive planning and service delivery and enhancing the likelihood that the State will coordinate planning and service delivery across multiple State and local programs. The combined goal of all educational agencies—State, local, and Federal—is a more coherent, well-integrated educational plan that will result in improved teaching and learning. The Consolidated State Application and Report includes the following *ESEA* programs:

- Title I, Part A – *Improving Basic Programs Operated by Local Educational Agencies*
- Title I, Part B, Subpart 3 – *William F. Goodling Even Start Family Literacy Programs*
- Title I, Part C – *Education of Migratory Children* (Includes the Migrant Child Count)
- Title I, Part D – *Prevention and Intervention Programs for Children and Youth Who Are Neglected, Delinquent, or At-Risk*
- Title II, Part A – *Improving Teacher Quality State Grants (Teacher and Principal Training and Recruiting Fund)*
- Title III, Part A – *English Language Acquisition, Language Enhancement, and Academic Achievement Act*
- Title IV, Part A, Subpart 1 – *Safe and Drug-Free Schools and Communities State Grants*
- Title IV, Part A, Subpart 2 – *Safe and Drug-Free Schools and Communities National Activities (Community Service Grant Program)*
- Title V, Part A – *Innovative Programs*
- Title VI, Section 6111 – *Grants for State Assessments and Related Activities*
- Title VI, Part B – *Rural Education Achievement Program*
- Title X, Part C – *Education for Homeless Children and Youths*

The *NCLB* Consolidated State Performance Report (CSPR) for school year (SY) 2009-10 consists of two Parts, Part I and Part II.

## **PART I**

Part I of the CSPR requests information related to the five *ESEA* Goals, established in the June 2002 Consolidated State Application, and information required for the Annual State Report to the Secretary, as described in Section 1111(h)(4) of the *ESEA*. The five *ESEA* Goals established in the June 2002 Consolidated State Application are:

- **Performance Goal 1:** By SY 2013-14, all students will reach high standards, at a minimum attaining proficiency or better in reading/language arts and mathematics.
- **Performance Goal 2:** All limited English proficient students will become proficient in English and reach high academic standards, at a minimum attaining proficiency or better in reading/language arts and mathematics.
- **Performance Goal 3:** By SY 2005-06, all students will be taught by highly qualified teachers.
- **Performance Goal 4:** All students will be educated in learning environments that are safe, drug free, and conducive to learning.
- **Performance Goal 5:** All students will graduate from high school.

Beginning with the CSPR SY 2005-06 collection, the Education of Homeless Children and Youths was added. The Migrant Child count was added for the SY 2006-07 collection.

## **PART II**

Part II of the CSPR consists of information related to State activities and outcomes of specific *ESEA* programs. While the information requested varies from program to program, the specific information requested for this report meets the following criteria:

1. The information is needed for Department program performance plans or for other program needs.
2. The information is not available from another source, including program evaluations pending full implementation of required ED Facts submission.
3. The information will provide valid evidence of program outcomes or results.

## GENERAL INSTRUCTIONS AND TIMELINES

All States that received funding on the basis of the Consolidated State Application for the SY 2009-10 must respond to this Consolidated State Performance Report (CSPR). Part I of the Report is due to the Department by **Friday, December 17, 2010**. Part II of the Report is due to the Department by **Friday, February 18, 2011**. Both Part I and Part II should reflect data from the SY 2009-10, unless otherwise noted.

The format states will use to submit the Consolidated State Performance Report has changed to an online submission starting with SY 2004-05. This online submission system is being developed through the Education Data Exchange Network (EDEN) and will make the submission process less burdensome. Please see the following section on transmittal instructions for more information on how to submit this year's Consolidated State Performance Report.

## TRANSMITTAL INSTRUCTIONS

The Consolidated State Performance Report (CSPR) data will be collected online from the SEAs, using the EDEN web site. The EDEN web site will be modified to include a separate area (sub-domain) for CSPR data entry. This area will utilize EDEN formatting to the extent possible and the data will be entered in the order of the current CSPR forms. The data entry screens will include or provide access to all instructions and notes on the current CSPR forms; additionally, an effort will be made to design the screens to balance efficient data collection and reduction of visual clutter.

Initially, a state user will log onto EDEN and be provided with an option that takes him or her to the "SY 2009-10 CSPR". The main CSPR screen will allow the user to select the section of the CSPR that he or she needs to either view or enter data. After selecting a section of the CSPR, the user will be presented with a screen or set of screens where the user can input the data for that section of the CSPR. A user can only select one section of the CSPR at a time. After a state has included all available data in the designated sections of a particular CSPR Part, a lead state user will certify that Part and transmit it to the Department. Once a Part has been transmitted, ED will have access to the data. States may still make changes or additions to the transmitted data, by creating an updated version of the CSPR. Detailed instructions for transmitting the SY 2009-10 CSPR will be found on the main CSPR page of the EDEN web site (<https://EDEN.ED.GOV/EDENPortal/>).

According to the Paperwork Reduction Act of 1965, no persons are required to respond to a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is 1810-0614. The time required to complete this information collection is estimated to average 111 hours per response, including the time to review instructions, search existing data resources, gather the data needed, and complete and review the information collection. If you have any comments concerning the accuracy of the time estimates(s) contact School Support and Technology Programs, 400 Maryland Avenue, SW, Washington DC 20202-6140. Questions about the new electronic CSPR submission process, should be directed to the EDEN Partner Support Center at 1-877-HLP-EDEN (1-877-457-3336).

**2.1 IMPROVING BASIC PROGRAMS OPERATED BY LOCAL EDUCATIONAL AGENCIES (TITLE I, PART A)**

This section collects data on Title I, Part A programs.

**2.1.1 Student Achievement in Schools with Title I, Part A Programs**

The following sections collect data on student academic achievement on the State's assessments in schools that receive Title I, Part A funds and operate either Schoolwide programs or Targeted Assistance programs.

**2.1.1.1 Student Achievement in Mathematics in Schoolwide Schools (SWP)**

In the format of the table below, provide the number of students in SWP schools who completed the assessment and for whom a proficiency level was assigned, in grades 3 through 8 and high school, on the State's mathematics assessments under Section 1111(b)(3) of *ESEA*. Also, provide the number of those students who scored at or above proficient. The percentage of students who scored at or above proficient is calculated automatically.

<b>Grade</b>	<b># Students Who Completed the Assessment and for Whom a Proficiency Level Was Assigned</b>	<b># Students Scoring at or above Proficient</b>	<b>Percentage at or above Proficient</b>
3	14,143	5,836	41.3
4	14,235	5,641	39.6
5	11,205	4,785	42.7
6	3,986	1,620	40.6
7	2,763	1,210	43.8
8	2,789	958	34.3
High School	106	11	10.4
Total	49,227	20,061	40.8

**Comments:**

**2.1.1.2 Student Achievement in Reading/Language Arts in Schoolwide Schools (SWP)**

This section is similar to 2.1.1.1. The only difference is that this section collects data on performance on the State's reading/language arts assessment in SWP.

<b>Grade</b>	<b># Students Who Completed the Assessment and for Whom a Proficiency Level Was Assigned</b>	<b># Students Scoring at or above Proficient</b>	<b>Percentage at or above Proficient</b>
3	14,132	5,791	41.0
4	14,238	5,308	37.3
5	11,199	4,609	41.2
6	3,987	1,576	39.5
7	2,760	1,163	42.1
8	2,789	1,067	38.3
High School	106	15	14.2
Total	49,211	19,529	39.7

**Comments:**

**2.1.1.3 Student Achievement in Mathematics in Targeted Assistance Schools (TAS)**

In the table below, provide the number of all students in TAS who completed the assessment and for whom a proficiency level was assigned, in grades 3 through 8 and high school, on the State's mathematics assessments under Section 1111(b)(3) of *ESEA*. Also, provide the number of those students who scored at or above proficient. The percentage of students who scored at or above proficient is calculated automatically.

<b>Grade</b>	<b># Students Who Completed the Assessment and for Whom a Proficiency Level Was Assigned</b>	<b># Students Scoring at or above Proficient</b>	<b>Percentage at or above Proficient</b>
3			
4			
5	73	33	45.2
6	74	34	45.9
7	67	33	49.3
8	78	32	41.0
High School			
Total	292	132	45.2
<b>Comments:</b>			

**2.1.1.4 Student Achievement in Reading/Language Arts in Targeted Assistance Schools (TAS)**

This section is similar to 2.1.1.3. The only difference is that this section collects data on performance on the State's reading/language arts assessment by all students in TAS.

<b>Grade</b>	<b># Students Who Completed the Assessment and for Whom a Proficiency Level Was Assigned</b>	<b># Students Scoring at or above Proficient</b>	<b>Percentage at or above Proficient</b>
3			
4			
5	73	37	50.7
6	74	35	47.3
7	68	32	47.1
8	78	38	48.7
High School			
Total	293	142	48.5
<b>Comments:</b>			

## 2.1.2 Title I, Part A Student Participation

The following sections collect data on students participating in Title I, Part A by various student characteristics.

### 2.1.2.1 Student Participation in Public Title I, Part A by Special Services or Programs

In the table below, provide the number of public school students served by either Public Title I SW or TAS programs at any time during the regular school year for each category listed. Count each student only once in each category even if the student participated during more than one term or in more than one school or district in the State. Count each student in as many of the categories that are applicable to the student. Include pre-kindergarten through grade 12. Do not include the following individuals: (1) adult participants of adult literacy programs funded by Title I, (2) private school students participating in Title I programs operated by local educational agencies, or (3) students served in Part A local neglected programs.

	# Students Served
Children with disabilities ( <i>IDEA</i> )	21,740
Limited English proficient students	607
Students who are homeless	51
Migratory students	14
<b>Comments:</b>	

### 2.1.2.2 Student Participation in Public Title I, Part A by Racial/Ethnic Group

In the table below, provide the unduplicated number of public school students served by either public Title I SWP or TAS at any time during the regular school year. Each student should be reported in only one racial/ethnic category. Include pre-kindergarten through grade 12. The total number of students served will be calculated automatically.

Do not include: (1) adult participants of adult literacy programs funded by Title I, (2) private school students participating in Title I programs operated by local educational agencies, or (3) students served in Part A local neglected programs.

Race/Ethnicity	# Students Served
American Indian or Alaska Native	1,372
Asian or Pacific Islander	470
Black, non-Hispanic	7,656
Hispanic	1,516
White, non-Hispanic	115,124
Total	126,138
<b>Comments:</b>	

**2.1.2.3 Student Participation in Title I, Part A by Grade Level**

In the table below, provide the unduplicated number of students participating in Title I, Part A programs by grade level and by type of program: Title I public targeted assistance programs (Public TAS), Title I schoolwide programs (Public SWP), private school students participating in Title I programs (private), and Part A local neglected programs (local neglected). The totals column by type of program will be automatically calculated.

<b>Age/Grade</b>	<b>Public TAS</b>	<b>Public SWP</b>	<b>Private</b>	<b>Local Neglected</b>	<b>Total</b>
Age 0-2					
Age 3-5 (not Kindergarten)		13,207			13,207
K		19,132	72		19,204
1		17,882	54		17,936
2		17,668	66		17,734
3		16,477	65		16,542
4		16,385	62		16,447
5		12,911	36		12,947
6	42	4,561	17		4,620
7	20	3,216	15		3,251
8	33	3,258	18		3,309
9		355			355
10		297			297
11		228			228
12		227			227
Ungraded					
<b>TOTALS</b>	95	125,804	405		126,304
<b>Comments:</b> Correct as reported.					

**2.1.2.4 Student Participation in Title I, Part A Targeted Assistance Programs by Instructional and Support Services**

The following sections collect data about the participation of students in TAS.

**2.1.2.4.1 Student Participation in Title I, Part A Targeted Assistance Programs by Instructional Services**

In the table below, provide the number of students receiving each of the listed instructional services through a TAS program funded by Title I, Part A. Students may be reported as receiving more than one instructional service. However, students should be reported only once for each instructional service regardless of the frequency with which they received the service.

	# Students Served
Mathematics	59
Reading/language arts	79
Science	
Social studies	
Vocational/career	
Other instructional services	
<b>Comments:</b> Correct as reported.	

**2.1.2.4.2 Student Participation in Title I, Part A Targeted Assistance Programs by Support Services**

In the table below, provide the number of students receiving each of the listed support services through a TAS program funded by Title I, Part A. Students may be reported as receiving more than one support service. However, students should be reported only once for each support service regardless of the frequency with which they received the service.

	# Students Served
Health, dental, and eye care	
Supporting guidance/advocacy	
Other support services	
<b>Comments:</b> Correct as reported.	

### 2.1.3 Staff Information for Title I, Part A Targeted Assistance Programs (TAS)

In the table below, provide the number of full-time equivalent (FTE) staff funded by a Title I, Part A TAS in each of the staff categories. For staff who work with both TAS and SWP, report only the FTE attributable to their TAS responsibilities.

For paraprofessionals only, provide the percentage of paraprofessionals who were qualified in accordance with Section 1119 (c) and (d) of *ESEA*.

See the FAQs following the table for additional information.

Staff Category	Staff FTE	Percentage Qualified
Teachers	2	
Paraprofessionals <sup>1</sup>	0	0.0
Other paraprofessionals (translators, parental involvement, computer assistance) <sup>2</sup>	0	
Clerical support staff	0	
Administrators (non-clerical)	0	
<b>Comments:</b> West Virginia only has TAS teachers funded with Title I funds.		

<sup>1</sup> Consistent with *ESEA*, Title I, Section 1119(g)(2).

<sup>2</sup> Consistent with *ESEA*, Title I, Section 1119(e).

**2.1.3.1 Paraprofessional Information for Title I, Part A Schoolwide Programs**

In the table below, provide the number of FTE paraprofessionals who served in SWP and the percentage of these paraprofessionals who were qualified in accordance with Section 1119 (c) and (d) of *ESEA*. Use the additional guidance found below the previous table.

	<b>Paraprofessionals FTE</b>	<b>Percentage Qualified</b>
Paraprofessionals <sup>3</sup>	0.00	0.0
<b>Comments:</b> West Virginia has no paraprofessionals at SWP schools funded with Title I funds.		

<sup>3</sup> Consistent with *ESEA*, Title I, Section 1119(g)(2).

**2.2 WILLIAM F. GOODLING EVEN START FAMILY LITERACY PROGRAMS (TITLE I, PART B, SUBPART 3)****2.2.1 Subgrants and Even Start Program Participants**

In the tables below, please provide information requested for the reporting program year July 1, 2009 to June 30, 2010.

**2.2.1.1 Federally Funded Even Start Subgrants in the State**

Number of federally funded Even Start subgrants	3
<b>Comments:</b>	

**2.2.1.2 Even Start Families Participating During the Year**

In the table below, provide the number of participants for each of the groups listed below. The following terms apply:

1. "Participating" means enrolled and participating in all four core instructional components.
2. "Adults" includes teen parents.
3. For continuing children, calculate the age of the child on July 1, 2009. For newly enrolled children, calculate their age at the time of enrollment in Even Start.
4. Do not use rounding rules to calculate children's ages .

The total number of participating children will be calculated automatically.

	# Participants
1. Families participating	36
2. Adults participating	38
3. Adults participating who are limited English proficient (Adult English Learners)	N<10
4. Participating children	46
a. Birth through 2 years	15
b. Ages 3 through 5	25
c. Ages 6 through 8	N<10
c. Above age 8	N<10
<b>Comments:</b>	

### 2.2.1.3 Characteristics of Newly Enrolled Families at the Time of Enrollment

In the table below, provide the number of newly enrolled families for each of the groups listed below. The term "newly enrolled family" means a family who enrolls for the first time in the Even Start project or who had previously been in Even Start and re-enrolls during the year.

	#
1. Number of newly enrolled families	19
2. Number of newly enrolled adult participants	19
3. Number of newly enrolled families at or below the federal poverty level at the time of enrollment	19
4. Number of newly enrolled adult participants without a high school diploma or GED at the time of enrollment	18
5. Number of newly enrolled adult participants who have not gone beyond the 9 <sup>th</sup> grade at the time of enrollment	N<10
<b>Comments:</b>	

### 2.2.1.4 Retention of Families

In the table below, provide the number of families who are newly enrolled, those who exited the program during the year, and those continuing in the program. For families who have exited, count the time between the family's start date and exit date. For families continuing to participate, count the time between the family's start date and the end of the reporting year (June 30, 2010). For families who had previously exited Even Start and then enrolled during the reporting year, begin counting from the time of the family's original enrollment date. **Report each family only once in lines 1-4.** Note enrolled families means a family who is participating in all four core instructional components. The total number of families participating will be automatically calculated.

<b>Time in Program</b>	<b>#</b>
1. Number of families enrolled 90 days or less	N<10
2. Number of families enrolled more than 90 but less than 180 days	10
3. Number of families enrolled 180 or more days but less than 365 days	N<10
4. Number of families enrolled 365 days or more	11
5. Total families enrolled	36
<b>Comments:</b>	

## 2.2.2 Federal Even Start Performance Indicators

This section collects data about the federal Even Start Performance Indicators

### 2.2.2.1 Adults Showing Significant Learning Gains on Measures of Reading

In the table below, provide the number of adults who showed significant learning gains on measures of reading. Only report data from the TABE reading test on the TABE line. Likewise, only report data from the CASAS reading test on the CASAS line. Data from the other TABE or CASAS tests or combination of both tests should be reported on the "other" line.

To be counted under "pre- and post-test", an individual must have completed **both** the pre- and post-tests.

The definition of "significant learning gains" for adult education is determined at the State level either by your State's adult education program in conjunction with the U.S. Department of Education's Office of Vocational and Adult Education (OVAE), or as defined by your Even Start State Performance Indicators.

These instructions/definitions apply to both 2.2.2.1 and 2.2.2.2.

Note: Do not include the Adult English Learners counted in 2.2.2.2.

	# Pre- and Post-Tested	# Who Met Goal	Explanation (if applicable)
TABE	32	18	Seven students reported as "already had an FFL of 6, so they did not show a complete 1 point gain when tested." Four were carry over from 2008-09.

**2.2.2.3 Adults Earning a High School Diploma or GED**

In the table below, provide the number of school-age and non-school age adults who earned a high school diploma or GED during the reporting year.

The following terms apply:

1. "School-age adults" is defined as any parent attending an elementary or secondary school. This also includes those adults within the State's compulsory attendance range who are being served in an alternative school setting, such as directly through the Even Start program.
2. "Non-school-age" adults are any adults who do not meet the definition of "school-age."
3. Include only the number of adult participants who had a realistic goal of earning a high school diploma or GED. Note that age limitations on taking the GED differ by State, so you should include only those adult participants for whom attainment of a GED or high school diploma is a possibility.

<b>School-Age Adults</b>	<b># With Goal</b>	<b># Who Met Goal</b>	<b>Explanation (if applicable)</b>
Diploma			
GED			
Other			
<b>Comments:</b>			
<b>Non-School-Age Adults</b>	<b># With Goal</b>	<b># Who Met Goal</b>	<b>Explanation (if applicable)</b>

GED	13	10	Additional student met GED criteria 7/1/10
Other	N<10	N<10	Job skills to obtain employment
<b>Comments:</b>			

### 2.2.2.4 Children Age-Eligible for Kindergarten Who Are Achieving Significant Learning Gains on Measures of Language Development

In the table below, provide the number of children who are achieving significant learning gains on measures of language development.

The following terms apply:

1. "Age-Eligible" includes the total number of children who are old enough to enter kindergarten in the school year following the reporting year who have been in Even Start for at least six months.
2. "Tested" includes the number of age-eligible children who took both a pre- and post-test with at least 6 months of Even Start service in between.
3. A "significant learning gain" is considered to be a standard score increase of 4 or more points.
4. "Exempted" includes the number of children who could not take the test (based on the practice items) due to a severe disability or inability to understand the directions.

	# Age-Eligible	# Pre- and Post- Tested	# Who Met Goal	# Exempted	Explanation (if applicable)
PPVT-III	N<10	N<10	N<10	N<10	One child not enrolled long enough and two families moved in middle of school year, then returned at the end of the same school year.
PPVT-IV					
TVIP					
<b>Comments:</b>					

#### 2.2.2.4.1 Children Age-Eligible for Kindergarten Who Demonstrate Age-Appropriate Oral Language Skills

The following terms apply:

1. "Age-Eligible" includes the total number of children who are old enough to enter kindergarten in the school year following the reporting year and who have been enrolled in Even Start for at least six months.
2. "Tested" includes the number of age-eligible children who took the PPVT-III or TVIP in the spring of or latest test within the reporting year.
3. # Who met goal includes children who score a Standard Score of 85 or higher on the spring (or latest test within the reporting year) TVIP, PPVT-III or PPVT-IV
4. "Exempted" includes the number of children who could not take the test (based on the practice items) due to a severe disability or inability to understand the directions .

Note: Projects may use the PPVT-III or the PPVT-IV if the PPVT-III is no longer available, but results for the two versions of the assessment should be reported separately.

	# Age-Eligible	# Tested	# Who Met Goal	# Exempted	Explanation (if applicable)
PPVT-III	N<10	N<10	N<10	N<10	
PPVT-IV					
TVIP					
<b>Comments:</b>					

### 2.2.2.5 The Average Number of Letters Children Can Identify as Measured by the PALS Pre-K Upper Case Letter Naming Subtask

In the table below, provide the average number of letters children can identify as measure by PALS subtask.

The following terms apply:

1. "Age-Eligible" includes the total number of children who are old enough to enter kindergarten in the school year following the reporting year and who have been enrolled in Even Start for at least six months.
2. "Tested" includes the number of age-eligible children who received Even Start services and who took the PALS Pre-K Upper Case Letter Naming Subtask in the spring of 2010 (or latest test within the reporting year).
3. "Exempted" includes the number of children exempted from testing due to a severe disability or inability to understand the directions in English.
4. "Average number of letters" includes the average score for the children in your State who participated in this assessment. This should be provided as a weighted average (An example of how to calculate a weighted average is included in the program training materials) and rounded to one decimal.

	# Age-Eligible	# Tested	# Exempted	Average Number of Letters (Weighted Average)	Explanation (if applicable)
PALS PreK Upper Case	N<10	N<10	N<10	15.7	
<b>Comments:</b>					

### 2.2.2.6 School-Aged Children Reading on Grade Level

In the table below, provide the number of school-age children who read on or above grade level ("met goal"). The source of these data is usually determined by the State and, in some cases, by the school district. Please indicate the source(s) of the data in the "Explanation" field.

Grade	# in Cohort	# Who Met Goal	Explanation (include source of data)
K	14	13	County report card
1	N<10	N<10	County report card
2	N<10	N<10	County report card
3	N<10	N<10	County report card
<b>Comments:</b>			

### 2.2.2.7 Parents Who Show Improvement on Measures of Parental Support for Children's Learning in the Home, School Environment, and Through Interactive Learning Activities

In the table below, provide the number of parents who show improvement ("met goal") on measures of parental support for children's learning in the home, school environment, and through interactive learning activities.

While many states are using the PEP, other assessments of parenting education are acceptable. Please describe results and the source(s) of any non-PEP data in the "Other" field, with appropriate information in the Explanation field.

	<b># in Cohort</b>	<b># Who Met Goal</b>	<b>Explanation (if applicable)</b>
PEP Scale I	30	30	
PEP Scale II	30	30	
PEP Scale III	30	30	
PEP Scale IV	30	30

<b>Comments:</b>			

## 2.3 EDUCATION OF MIGRANT CHILDREN (TITLE I, PART C)

This section collects data on the Migrant Education Program (Title I, Part C) for the reporting period of September 1, 2009 through August 31, 2010. This section is composed of the following subsections:

- Population data of eligible migrant children;
- Academic data of eligible migrant students;
- Participation data of migrant children served during either the regular school year, summer/intersession term, or program year;
- School data;
- Project data;
- Personnel data.

Where the table collects data by age/grade, report children in the highest age/grade that they attained during the reporting period. For example, a child who turns 3 during the reporting period would only be reported in the "Age 3 through 5 (not Kindergarten)" row.

FAQs in section 1.10 contain definitions of out-of-school and ungraded that are used in this section.

### 2.3.1 Population Data

The following questions collect data on eligible migrant children.

#### 2.3.1.1 Eligible Migrant Children

In the table below, provide the unduplicated number of **eligible** migrant children by age/grade. The total is calculated automatically.

Age/Grade	Eligible Migrant Children
Age birth through 2	N<10
Age 3 through 5 (not Kindergarten)	N<10
K	N<10
1	N<10
2	N<10
3	N<10
4	N<10
5	N<10
6	N<10
7	N<10
8	N<10
9	N<10
10	N<10
11	N<10
12	N<10
Ungraded	N<10
Out-of-school	28
Total	

**Comments:** This report is generated through EdFacts from our migrant student data base and is believed to be accurate.

**2.3.1.2 Priority for Services**

In the table below, provide the unduplicated number of **eligible** migrant children who have been classified as having "Priority for Services." The total is calculated automatically. Below the table is a FAQ about the data collected in this table.

<b>Age/Grade</b>	<b>Priority for Services</b>
Age 3 through 5 (not Kindergarten)	N<10
K	N<10
1	N<10
2	N<10
3	N<10
4	N<10
5	N<10
6	N<10
7	N<10
8	N<10
9	N<10
10	N<10
11	N<10
12	N<10
Ungraded	N<10
Out-of-school	N<10
Total	
<b>Comments:</b> Correct as reported. Recruiters were employed during June and July of 2010. Several new students were identified who had moved into the district. The actual difference in student count is 17, but it is a large percentage due to the small number of students.	

**FAQ on priority for services:**

*Who is classified as having "priority for service?"* Migratory children who are failing, or most at risk of failing to meet the State's challenging academic content standards and student academic achievement standards, and whose education has been interrupted during the regular school year.

**2.3.1.3 Limited English Proficient**

In the table below, provide the unduplicated number of **eligible** migrant children who are also limited English proficient (LEP). The total is calculated automatically.

<b>Age/Grade</b>	<b>Limited English Proficient (LEP)</b>
Age 3 through 5 (not Kindergarten)	N<10
K	N<10
1	N<10
2	N<10
3	N<10
4	N<10
5	N<10
6	N<10
7	N<10
8	N<10
9	N<10
10	N<10
11	N<10
12	N<10
Ungraded	N<10
Out-of-school	N<10
Total	

**Comments:** Correct as reported. Recruiters were employed during June and July of 2010. Several new students were identified who had moved into the district. The actual number of students changed was only 14, but it is a large percentage due to the small number of students.

**2.3.1.4 Children with Disabilities (IDEA)**

In the table below, provide the unduplicated number of **eligible** migrant children who are also Children with Disabilities (*IDEA*) under Part B or Part C of the *IDEA*. The total is calculated automatically.

<b>Age/Grade</b>	<b>Children with Disabilities (IDEA)</b>
Age birth through 2	N<10
Age 3 through 5 (not Kindergarten)	N<10
K	N<10
1	N<10
2	N<10
3	N<10
4	N<10
5	N<10
6	N<10
7	N<10
8	N<10
9	N<10
10	N<10
11	N<10
12	N<10
Ungraded	N<10
Out-of-school	N<10
Total	
<b>Comments:</b> Correct as reported. The high percent of change is due to the small number of students in this category. The actual change is just one student.	

### 2.3.1.5 Last Qualifying Move

In the table below, provide the unduplicated number of **eligible** migrant children by when the last qualifying move occurred. The months are calculated from the last day of the reporting period, August 31, 2009. The totals are calculated automatically.

Age/Grade	Last Qualifying Move Is within X months from the last day of the reporting period			
	12 Months	Previous 13 – 24 Months	Previous 25 – 36 Months	Previous 37 – 48 Months
Age birth through 2	N<10	N<10	N<10	N<10
Age 3 through 5 (not Kindergarten)	N<10	N<10	N<10	N<10
K	N<10	N<10	N<10	N<10
1	N<10	N<10	N<10	N<10
2	N<10	N<10	N<10	N<10
3	N<10	N<10	N<10	N<10
4	N<10	N<10	N<10	N<10
5	N<10	N<10	N<10	N<10
6	N<10	N<10	N<10	N<10
7	N<10	N<10	N<10	N<10
8	N<10	N<10	N<10	N<10
9	N<10	N<10	N<10	N<10
10	N<10	N<10	N<10	N<10
11	N<10	N<10	N<10	N<10
12	N<10	N<10	N<10	N<10
Ungraded	N<10	N<10	N<10	N<10
Out-of-school	N<10	15	N<10	N<10
Total				

**Comments:** Correct as reported. Part of the reason for the large percentage change is the very low number of students. The actual difference is only 18 students, 12 students and 4 students. The other reason for the discrepancy is our inability to retain recruiters, and we have had sporadic periods of identification.

**2.3.1.6 Qualifying Move During Regular School Year**

In the table below, provide the unduplicated number of **eligible** migrant children with any qualifying move during the regular school year within the previous 36 months calculated from the last day of the reporting period, August 31, 2009. The total is calculated automatically.

<b>Age/Grade</b>	<b>Move During Regular School Year</b>
Age birth through 2	N<10
Age 3 through 5 (not Kindergarten)	N<10
K	N<10
1	N<10
2	N<10
3	N<10
4	N<10
5	N<10
6	N<10
7	N<10
8	N<10
9	N<10
10	N<10
11	N<10
12	N<10
Ungraded	N<10
Out-of-school	12
Total	
<b>Comments:</b> Correct as reported.	

## 2.3.2 Academic Status

The following questions collect data about the academic status of **eligible** migrant students.

### 2.3.2.1 Dropouts

In the table below, provide the unduplicated number of **eligible** migrant students who dropped out of school. The total is calculated automatically.

Grade	Dropped Out
7	
8	
9	
10	
11	
12	
Ungraded	
Total	
<b>Comments:</b> Correct as reported.	

#### FAQ on Dropouts:

*How is "dropped out of school" defined?* The term used for students, who, during the reporting period, were enrolled in a public school for at least one day, but who subsequently left school with no plans on returning to enroll in a school and continue toward a high school diploma. Students who dropped out-of-school prior to the 2008-09 reporting period should be classified NOT as "dropped-out-of-school" but as "out-of-school youth."

### 2.3.2.2 GED

In the table below, provide the total unduplicated number of **eligible** migrant students who obtained a General Education Development (GED) Certificate in your state.

<b>Obtained a GED in your state</b>	0
<b>Comments:</b> There were no identified migrant students who received a GED.	

### 2.3.2.3 Participation in State Assessments

The following questions collect data about the participation of eligible migrant students in State Assessments.

#### 2.3.2.3.1 Reading/Language Arts Participation

In the table below, provide the unduplicated number of **eligible** migrant students enrolled in school during the State testing window and tested by the State reading/language arts assessment by grade level. The totals are calculated automatically.

Grade	Enrolled	Tested
3	N<10	N<10
4	N<10	N<10
5	N<10	N<10
6	N<10	N<10
7	N<10	N<10
8	N<10	N<10
HS	N<10	N<10
Ungraded		
Total		

**Comments:** Correct as reported. The actual number of change (12 students) is small, but the percentage is large due to the small number of students. The decline in identified students is due in a large part to students moving away, and West Virginia's lack of a recruiter to identify students who had moved into the district.

#### 2.3.2.3.2 Mathematics Participation

This section is similar to 2.3.2.3.1. The only difference is that this section collects data on migrant students and the State's mathematics assessment.

Grade	Enrolled	Tested
3	N<10	N<10
4	N<10	N<10
5	N<10	N<10
6	N<10	N<10
7	N<10	N<10
8	N<10	N<10
HS	N<10	N<10
Ungraded		
Total		

**Comments:** Correct as reported. The actual number of change (12 students) is small, but the percentage is large due to the small number of students. The decline in identified students is due in a large part to students moving away, and West Virginia's lack of a recruiter to identify students who had moved into the district.

### 2.3.3 MEP Participation Data

The following questions collect data about the participation of migrant students served during the regular school year, summer/intersession term, or program year.

Unless otherwise indicated, participating migrant children include:

- Children who received instructional or support services funded in whole or in part with MEP funds.
- Children who received a MEP-funded service, even those children who continued to receive services (1) during the term their eligibility ended, (2) for one additional school year after their eligibility ended, if comparable services were not available through other programs, and (3) in secondary school after their eligibility ended, and served through credit accrual programs until graduation (e.g., children served under the continuation of services authority, Section 1304(e)(1–3)).

Do not include:

- Children who were served through a Title I SWP where MEP funds were consolidated with those of other programs.
- Children who were served by a "referred" service only.

#### 2.3.3.1 MEP Participation Regular School Year

The following questions collect data on migrant children who participated in the MEP during the **regular** school year. Do not include:

- Children who were only served during the summer/intersession term.

##### 2.3.3.1.1 MEP Students Served During the Regular School Year

In the table below, provide the unduplicated number of **participating** migrant children who received MEP-funded instructional or support services during the regular school year. Do **not** count the number of times an individual child received a service intervention. The total number of students served is calculated automatically.

Age/Grade	Served During Regular School Year
Age Birth through 2	N<10
Age 3 through 5 (not Kindergarten)	N<10
K	N<10
1	N<10
2	N<10
3	N<10
4	N<10
5	N<10
6	N<10
7	N<10
8	N<10
9	N<10
10	N<10
11	N<10
12	N<10
Ungraded	N<10
Out-of-school	N<10
Total	

**Comments:** Correct as reported. The actual number of change (21 students) is small, but the percentage is large due to the small number of students. The decline in identified students is due in a large part to students moving away, and West Virginia's lack of a recruiter to identify students who had moved into the district.

**2.3.3.1.2 Priority for Services – During the Regular School Year**

In the table below, provide the unduplicated number of **participating** migrant children who have been classified as having "priority for services" and who received instructional or support services during the regular school year. The total is calculated automatically.

<b>Age/Grade</b>	<b>Priority for Services</b>
Age 3 through 5	N<10
K	N<10
1	N<10
2	N<10
3	N<10
4	N<10
5	N<10
6	N<10
7	N<10
8	N<10
9	N<10
10	N<10
11	N<10
12	N<10
Ungraded	N<10
Out-of-school	N<10
Total	
<b>Comments:</b> Correct as reported. The actual number of change (1 student, 1 student, 3 students, 4 students, 17 students) is small, but the percentage is large due to the small number of students. The decline in identified students is due in a large part to students moving away, and West Virginia's lack of a recruiter to identify students who had moved into the district.	

**2.3.3.1.3 Continuation of Services – During the Regular School Year**

In the table below, provide the unduplicated number of **participating** migrant children who received instructional or support services during the regular school year served under the continuation of services authority Sections 1304(e)(2)–(3). Do **not** include children served under Section 1304(e)(1), which are children whose eligibility expired during the school term. The total is calculated automatically.

<b>Age/Grade</b>	<b>Continuation of Services</b>
Age 3 through 5 (not Kindergarten)	N<10
K	N<10
1	N<10
2	N<10
3	N<10
4	N<10
5	N<10
6	N<10
7	N<10
8	N<10
9	N<10
10	N<10
11	N<10
12	N<10
Ungraded	N<10
Out-of-school	N<10
Total	

**Comments:** Correct as reported. The actual number of change (1 student) is small, but the percentage is large due to the small number of students. The decline in identified students is due in a large part to students moving away, and West Virginia's lack of a recruiter to identify students who had moved into the district.

### 2.3.3.1.4 Services

The following questions collect data on the services provided to participating migrant children during the regular school year.

#### FAQ on Services:

*What are services?* Services are a subset of all allowable activities that the MEP can provide through its programs and projects. "Services" are those educational or educationally related activities that: (1) directly benefit a migrant child; (2) address a need of a migrant child consistent with the SEA's comprehensive needs assessment and service delivery plan; (3) are grounded in scientifically based research or, in the case of support services, are a generally accepted practice; and (4) are designed to enable the program to meet its measurable outcomes and contribute to the achievement of the State's performance targets. Activities related to identification and recruitment activities, parental involvement, program evaluation, professional development, or administration of the program are examples of allowable activities that are not considered services. Other examples of an allowable activity that would not be considered a service would be the one-time act of providing instructional packets to a child or family, and handing out leaflets to migrant families on available reading programs as part of an effort to increase the reading skills of migrant children. Although these are allowable activities, they are not services because they do not meet all of the criteria above.

#### 2.3.3.1.4.1 Instructional Service – During the Regular School Year

In the table below, provide the unduplicated number of **participating** migrant children who received any type of MEP-funded instructional service during the regular school year. Include children who received instructional services provided by either a teacher or a paraprofessional. Children should be reported only once regardless of the frequency with which they received a service intervention. The total is calculated automatically.

Age/Grade	Children Receiving an Instructional Service
Age birth through 2	N<10
Age 3 through 5 (not Kindergarten)	N<10
K	N<10
1	N<10
2	N<10
3	N<10
4	N<10
5	N<10
6	N<10
7	N<10
8	N<10
9	N<10
10	N<10
11	N<10
12	N<10
Ungraded	N<10
Out-of-school	N<10
Total	
<b>Comments:</b> Correct as reported. The actual number of change (19 students) is small, but the percentage is large due to the small number of students. The decline in identified students is due in a large part to students moving away, and West Virginia's lack of a recruiter to identify students who had moved into the district.	

**2.3.3.1.4.2 Type of Instructional Service**

In the table below, provide the number of **participating** migrant children reported in the table above who received reading instruction, mathematics instruction, or high school credit accrual during the regular school year. Include children who received such instructional services provided by a teacher only. Children may be reported as having received more than one type of instructional service in the table. However, children should be reported only once within each type of instructional service that they received regardless of the frequency with which they received the instructional service. The totals are calculated automatically.

<b>Age/Grade</b>	<b>Reading Instruction</b>	<b>Mathematics Instruction</b>	<b>High School Credit Accrual</b>
Age birth through 2	N<10	N<10	
Age 3 through 5 (not Kindergarten)	N<10	N<10	
K	N<10	N<10	
1	N<10	N<10	
2	N<10	N<10	
3	N<10	N<10	
4	N<10	N<10	
5	N<10	N<10	
6	N<10	N<10	
7	N<10	N<10	
8	N<10	N<10	
9	N<10	N<10	
10	N<10	N<10	
11	N<10	N<10	
12	N<10	N<10	
Ungraded	N<10	N<10	
Out-of-school	N<10	N<10	
Total			

**Comments:** Correct as reported. The actual number of change (19 students) is small, but the percentage is large due to the small number of students. The decline in identified students is due in a large part to students moving away, and West Virginia's lack of a recruiter to identify students who had moved into the district.

**FAQ on Types of Instructional Services:**

What is "*high school credit accrual*"? Instruction in courses that accrue credits needed for high school graduation provided by a teacher for students on a regular or systematic basis, usually for a predetermined period of time. Includes correspondence courses taken by a student under the supervision of a teacher.

### 2.3.3.1.4.3 Support Services with Breakout for Counseling Service

In the table below, in the column titled **Support Services**, provide the unduplicated number of **participating** migrant children who received any MEP-funded support service during the regular school year. In the column titled **Counseling Service**, provide the unduplicated number of **participating** migrant children who received a counseling service during the regular school year. Children should be reported only once in each column regardless of the frequency with which they received a support service intervention. The totals are calculated automatically.

<b>Comments:</b> No students received counseling services through MEP funds.		

#### FAQs on Support Services:

- a. *What are support services?* These MEP-funded services include, but are not limited to, health, nutrition, counseling, and social services for migrant families; necessary educational supplies, and transportation. The one-time act of providing instructional or informational packets to a child or family does not constitute a support service.
- b. *What are counseling services?* Services to help a student to better identify and enhance his or her educational, personal, or occupational potential; relate his or her abilities, emotions, and aptitudes to educational and career opportunities; utilize his or her abilities in formulating realistic plans; and achieve satisfying personal and social development. These activities take place between one or more counselors and one or more students as counselees, between students and students, and between counselors and other staff members. The services can also help the child address life problems or personal crisis that result from the culture of migrancy.

**2.3.3.1.4.4 Referred Service – During the Regular School Year**

In the table below, provide the unduplicated number of **participating** migrant children who, during the regular school year, received an educational or educationally related service funded by another non-MEP program/organization that they would not have otherwise received without efforts supported by MEP funds. Children should be reported only once regardless of the frequency with which they received a referred service. Include children who were served by a referred service only or who received both a referred service and MEP-funded services. Do not include children who were referred, but received no services. The total is calculated automatically.

<b>Comments:</b> No participating migrant students received services as described for this section of the report.	

### 2.3.3.2 MEP Participation - Summer/Intersession Term

The questions in this subsection are similar to the questions in the previous section with one difference. The questions in this subsection collect data on the **summer/intersession term** instead of the regular school year.

#### 2.3.3.2.1 MEP Students Served During the Summer/Intersession Term

In the table below, provide the unduplicated number of **participating** migrant children who received MEP-funded instructional or support services during the summer/intersession term. Do not count the number of times an individual child received a service intervention. The total number of students served is calculated automatically.

Age/Grade	Served During Summer/Intersession Term
Age Birth through 2	N<10
Age 3 through 5 (not Kindergarten)	N<10
K	N<10
1	N<10
2	N<10

**Comments:** Correct as reported. The actual number of change (1 student) is small, but the percentage is large due to the small number of students. The decline in identified students is due in a large part to students moving away, and West Virginia's lack of a recruiter to identify students who had moved into the district.

### 2.3.3.2.4 Services

The following questions collect data on the services provided to participating migrant children during the summer/intersession term.

#### FAQ on Services:

*What are services?* Services are a subset of all allowable activities that the MEP can provide through its programs and projects. "Services" are those educational or educationally related activities that: (1) directly benefit a migrant child; (2) address a need of a migrant child consistent with the SEA's comprehensive needs assessment and service delivery plan; (3) are grounded in scientifically based research or, in the case of support services, are a generally accepted practice; and (4) are designed to enable the program to meet its measurable outcomes and contribute to the achievement of the State's performance targets. Activities related to identification and recruitment activities, parental involvement, program evaluation, professional development, or administration of the program are examples of allowable activities that are NOT considered services. Other examples of an allowable activity that would not be considered a service would be the one-time act of providing instructional packets to a child or family, and handing out leaflets to migrant families on available reading programs as part of an effort to increase the reading skills of migrant children. Although these are allowable activities, they are not services because they do not meet all of the criteria above.

#### 2.3.3.2.4.1 Instructional Service – During the Summer/Intersession Term

In the table below, provide the unduplicated number of **participating** migrant children who received any type of MEP-funded instructional service during the summer/intersession term. Include children who received instructional services provided by either a teacher or a paraprofessional. Children should be reported only once regardless of the frequency with which they received a service intervention. The total is calculated automatically.

Age/Grade	Children Receiving an Instructional Service
Age birth through 2	N<10
Age 3 through 5 (not Kindergarten)	N<10
K	N<10
1	N<10

Ungraded	N<10
Out-of-school	N<10
Total	
<b>Comments:</b> Corrected as reported. The actual number of change (1 student) is small, but the percentage is large due to the small number of students. The decline in identified students is due in a large part to students moving away, and West Virginia's lack of a recruiter to identify students who had moved into the district.	

**2.3.3.2.4.2 Type of Instructional Service**

In the table below, provide the number of **participating** migrant children reported in the table above who received reading instruction, mathematics instruction, or high school credit accrual during the summer/intersession term. Include children who received such instructional services provided by a teacher only. Children may be reported as having received more than one type of instructional service in the table. However, children should be reported only once within each type of instructional service that they received regardless of the frequency with which they received the instructional service. The totals are calculated automatically.

<b>Age/Grade</b>	<b>Reading Instruction</b>	<b>Mathematics Instruction</b>	<b>High School Credit Accrual</b>
Age birth through 2	N<10	N<10	
Age 3 through 5 (not Kindergarten)	N<10	N<10	
K	N<10	N<10	
1	N<10	N<10	
2	N<10	N<10	
3	N<10	N<10	
4	N<10	N<10	
5	N<10	N<10	
6	N<10	N<10	
7	N<10	N<10	
8	N<10	N<10	
9	N<10	N<10	
10	N<10	N<10	
11	N<10	N<10	
12	N<10	N<10	
Ungraded	N<10	N<10	
Out-of-school	N<10	N<10	
Total			

**Comments:** Correct as reported. The actual number of change (8 students, 7 students, 8 students) is small, but the percentage is large due to the small number of students. The decline in identified students is due in a large part to students moving away, and West Virginia's lack of a recruiter to identify students who had moved into the district.

**FAQ on Types of Instructional Services:**

What is "*high school credit accrual*"? Instruction in courses that accrue credits needed for high school graduation provided by a teacher for students on a regular or systematic basis, usually for a predetermined period of time. Includes correspondence courses taken by a student under the supervision of a teacher.

### 2.3.3.2.4.3 Support Services with Breakout for Counseling Service

In the table below, in the column titled **Support Services**, provide the unduplicated number of **participating** migrant children who received any MEP-funded support service during the summer/intersession term. In the column titled **Counseling Service**, provide the unduplicated number of **participating** migrant children who received a counseling service during the summer/intersession term. Children should be reported only once in each column regardless of the frequency with which they received a support service intervention. The totals are calculated automatically.

Age/Grade	Children Receiving Support Services	Breakout of Children Receiving Counseling Service
Age birth through 2		
Age 3 through 5 (not Kindergarten)		
K		
1

Out-of-school		
Total		
<b>Comments:</b> No students received counseling services or other support services during the summer/intersession term.		

#### FAQs on Support Services:

- a. *What are support services?* These MEP-funded services include, but are not limited to, health, nutrition, counseling, and social services for migrant families; necessary educational supplies, and transportation. The one-time act of providing instructional or informational packets to a child or family does not constitute a support service.
- b. *What are counseling services?* Services to help a student to better identify and enhance his or her educational, personal, or occupational potential; relate his or her abilities, emotions, and aptitudes to educational and career opportunities; utilize his or her abilities in formulating realistic plans; and achieve satisfying personal and social development. These activities take place between one or more counselors and one or more students as counselees, between students and students, and between counselors and other staff members. The services can also help the child address life problems or personal crisis that result from the culture of migrancy.

**2.3.3.2.4.4 Referred Service – During the Summer/Intersession Term**

In the table below, provide the unduplicated number of **participating** migrant children who, during the summer/intersession term, received an educational or educationally related service funded by another non-MEP program/organization that they would not have otherwise received without efforts supported by MEP funds. Children should be reported only once regardless of the frequency with which they received a referred service. Include children who were served by a referred service only or who received both a referred service and MEP-funded services. Do not include children who were referred, but received no services. The total is calculated automatically.

Age/Grade	Referred Service
Age birth through 2	
Age 3 through 5 (not Kindergarten)

<b>Comments:</b> No students received referred services during the summer/intersession term.	

**2.3.3.3 MEP Participation – Program Year**

In the table below, provide the unduplicated number of **participating** migrant children who received MEP-funded instructional or support services at any time during the program year. Do not count the number of times an individual child received a service intervention. The total number of students served is calculated automatically.

<b>Age/Grade</b>	<b>Served During the Program Year</b>
Age Birth through 2	N<10
Age 3 through 5 (not Kindergarten)	N<10
K	N<10
1	N<10
2	N<10
3	N<10
4	N<10
5	N<10
6	N<10
7	N<10
8	N<10
9	N<10
10	N<10
11	N<10
12	N<10
Ungraded	N<10
Out-of-school	N<10
Total	

**Comments:** Correct as reported. The actual number of change (11 students) is small, but the percentage is large due to the small number of students. The decline in identified students is due in a large part to students moving away, and West Virginia's lack of a recruiter to identify students who had moved into the district.

### 2.3.4 School Data

The following questions are about the enrollment of eligible migrant children in schools during the regular school year.

#### 2.3.4.1 Schools and Enrollment

In the table below, provide the number of public schools that enrolled **eligible** migrant children at any time during the regular school year. Schools include public schools that serve school age (e.g., grades K through 12) children. Also, provide the number of **eligible** migrant children who were enrolled in those schools. Since more than one school in a State may enroll the same migrant child at some time during the year, the number of children may include duplicates.

	#
Number of schools that enrolled eligible migrant children	4
Number of eligible migrant children enrolled in those schools	17
<b>Comments:</b> Correct as reported. Part of the reason for the large percentage change is the small number of students (actual change is just 24 students). Part of the reason is the result of not having services of a recruiter from September, 2009 until June of 2010.	

#### 2.3.4.2 Schools Where MEP Funds Were Consolidated in Schoolwide Programs

In the table below, provide the number of schools where MEP funds were consolidated in an SWP. Also, provide the number of **eligible** migrant children who were enrolled in those schools at any time during the regular school year. Since more than one school in a State may enroll the same migrant child at some time during the year, the number of children may include duplicates.

	#
Number of schools where MEP funds were consolidated in a schoolwide program	
Number of eligible migrant children enrolled in those schools	
<b>Comments:</b> Correct as reported. The number of schools is zero.	

### 2.3.5 MEP Project Data

The following questions collect data on MEP projects.

#### 2.3.5.1 Type of MEP Project

In the table below, provide the number of projects that are funded in whole or in part with MEP funds. A MEP project is the entity that receives MEP funds by a subgrant from the State or through an intermediate entity that receives the subgrant and provides services directly to the migrant child. Do not include projects where MEP funds were consolidated in SWP.

Also, provide the number of migrant children **participating** in the projects. Since children may participate in more than one project, the number of children may include duplicates.

Below the table are FAQs about the data collected in this table.

Type of MEP Project	Number of MEP Projects	Number of Migrant Children Participating in the Projects
Regular school year – school day only	1	26
Regular school year – school day/extended day	0	0
Summer/intersession only	1	34
Year round	0	0
<b>Comments:</b> There were more participants in the summer program due their identification in June when the services of a recruiter became available. The number of programs changed by a count of 1. It is a large percent because of the small number reported last year.		

#### FAQs on type of MEP project:

- a. *What is a project?* A project is any entity that receives MEP funds either as a subgrantee or from a subgrantee and provides services directly to migrant children in accordance with the State Service Delivery Plan and State approved subgrant applications. A project's services may be provided in one or more sites.
- b. *What are Regular School Year– School Day Only projects?* Projects where all MEP services are provided during the school day during the regular school year.
- c. *What are Regular School Year– School Day/Extended Day projects?* Projects where some or all MEP services are provided during an extended day or week during the regular school year (e.g., some services are provided during the school day and some outside of the school day; e.g., all services are provided outside of the school day).
- d. *What are Summer/Intersession Only projects?* Projects where all MEP services are provided during the summer/intersession term.
- e. *What are Year Round projects?* Projects where all MEP services are provided during the regular school year and summer/intersession term.

### 2.3.6 MEP Personnel Data

The following questions collect data on MEP personnel data.

#### 2.3.6.1 Key MEP Personnel

The following questions collect data about the key MEP personnel.

##### 2.3.6.1.1 MEP State Director

In the table below, provide the FTE amount of time the State director performs MEP duties (regardless of whether the director is funded by State, MEP, or other funds) during the reporting period (e.g., September 1 through August 31). Below the table are FAQs about the data collected in this table.

<b>State Director FTE</b>	0.20
<b>Comments:</b> Working with the Migrant Education Program is only a part of the work of the coordinator assigned to this project.	

#### FAQs on the MEP State director

- a. *How is the FTE calculated for the State director?* Calculate the FTE using the number of days worked for the MEP. To do so, first define how many full-time days constitute one *FTE* for the State director in your State for the reporting period. To calculate the FTE number, sum the total days the State director worked for the MEP during the reporting period and divide this sum by the number of full-time days that constitute one FTE in the reporting period.
- b. *Who is the State director?* The manager within the SEA who administers the MEP on a statewide basis.

**2.3.6.1.2 MEP Staff**

In the table below, provide the headcount and FTE by job classification of the staff funded by the MEP. Do **not** include staff employed in SWP where MEP funds were combined with those of other programs. Below the table are FAQs about the data collected in this table.

Job Classification	Regular School Year		Summer/Intersession Term	
	Headcount	FTE	Headcount	FTE
Teachers	0			
Counselors	0	0.00		
All paraprofessionals	0			
Recruiters			0	0.00
Records transfer staff			0	0.00
<b>Comments:</b> WV has no staff funded by MEP.				

**Note:** The Headcount value displayed represents the greatest whole number submitted in file specification N/X065 for the corresponding Job Classification. For example, an ESS submitted value of 9.8 will be represented in your CSPR as 9.

**FAQs on MEP staff:**

- a. *How is the FTE calculated?* The FTE may be calculated using one of two methods:
  1. To calculate the FTE, in each job category, sum the percentage of time that staff were funded by the MEP and enter the total FTE for that category.
  2. Calculate the FTE using the number of days worked. To do so, first define how many full-time days constitute one FTE for each job classification in your State for each term. (For example, one regular-term FTE may equal 180 full-time (8 hour) work days; one summer term FTE may equal 30 full-time work days; or one intersession FTE may equal 45 full-time work days split between three 15-day non-contiguous blocks throughout the year.) To calculate the FTE number, sum the total days the individuals worked in a particular job classification for a term and divide this sum by the number of full-time days that constitute one FTE in that term.
- b. *Who is a teacher?* A classroom instructor who is licensed and meets any other teaching requirements in the State.
- c. *Who is a counselor?* A professional staff member who guides individuals, families, groups, and communities by assisting them in problem-solving, decision-making, discovering meaning, and articulating goals related to personal, educational, and career development.
- d. *Who is a paraprofessional?* An individual who: (1) provides one-on-one tutoring if such tutoring is scheduled at a time when a student would not otherwise receive instruction from a teacher; (2) assists with classroom management, such as organizing instructional and other materials; (3) provides instructional assistance in a computer laboratory; (4) conducts parental involvement activities; (5) provides support in a library or media center; (6) acts as a translator; or (7) provides instructional support services under the direct supervision of a teacher (Title I, Section 1119(g)(2)). Because a paraprofessional provides instructional support, he/she should not be providing planned direct instruction or introducing to students new skills, concepts, or academic content. Individuals who work in food services, cafeteria or playground supervision, personal care services, non-instructional computer assistance, and similar positions are not considered paraprofessionals under Title I.
- e. *Who is a recruiter?* A staff person responsible for identifying and recruiting children as eligible for the MEP and documenting their eligibility on the Certificate of Eligibility.
- f. *Who is a record transfer staffer?* An individual who is responsible for entering, retrieving, or sending student records from or to another school or student records system.

**2.3.6.1.3 Qualified Paraprofessionals**

In the table below, provide the headcount and FTE of the qualified paraprofessionals funded by the MEP. Do **not** include staff employed in SWP where MEP funds were combined with those of other programs. Below the table are FAQs about the data collected in this table.

	Regular School Year		Summer/Intersession Term	
	Headcount	FTE	Headcount	FTE
Qualified Paraprofessionals	0	0.00	0	0.00
<b>Comments:</b> WV employs no paraprofessionals funded by MEP.				

**FAQs on qualified paraprofessionals:**

- a. *How is the FTE calculated?* The FTE may be calculated using one of two methods:
1. To calculate the FTE, sum the percentage of time that staff were funded by the MEP and enter the total FTE for that category.
  2. Calculate the FTE using the number of days worked. To do so, first define how many full-time days constitute one FTE in your State for each term. (For example, one regular-term FTE may equal 180 full-time (8 hour) work days; one summer term FTE may equal 30 full-time work days; or one intersession FTE may equal 45 full-time work days split between three 15-day non-contiguous blocks throughout the year.) To calculate the FTE number, sum the total days the individuals worked for a term and divide this sum by the number of full-time days that constitute one FTE in that term.
- b. *Who is a qualified paraprofessional?* A qualified paraprofessional must have a secondary school diploma or its recognized equivalent and have (1) completed 2 years of study at an institution of higher education; (2) obtained an associate's (or higher) degree; or (3) met a rigorous standard of quality and be able to demonstrate, through a formal State or local academic assessment, knowledge of and the ability to assist in instructing reading, writing, and mathematics (or, as appropriate, reading readiness, writing readiness, and mathematics readiness) (Sections 1119(c) and (d) of *ESEA*).

## 2.4 PREVENTION AND INTERVENTION PROGRAMS FOR CHILDREN AND YOUTH WHO ARE NEGLECTED, DELINQUENT, OR AT RISK (TITLE I, PART D, SUBPARTS 1 AND 2)

This section collects data on programs and facilities that serve students who are neglected, delinquent, or at risk under Title I, Part D, and characteristics about and services provided to these students.

Throughout this section:

- Report data for the program year of July 1, 2009 through June 30, 2010.
- Count programs/facilities based on how the program was classified to ED for funding purposes.
- Do not include programs funded solely through Title I, Part A.
- Use the definitions listed below:
  - **Adult Corrections:** An adult correctional institution is a facility in which persons, including persons 21 or under, are confined as a result of conviction for a criminal offense.
  - **At-Risk Programs:** Programs operated (through LEAs) that target students who are at risk of academic failure, have a drug or alcohol problem, are pregnant or parenting, have been in contact with the juvenile justice system in the past, are at least 1 year behind the expected age/grade level, have limited English proficiency, are gang members, have dropped out of school in the past, or have a high absenteeism rate at school.
  - **Juvenile Corrections:** An institution for delinquent children and youth is a public or private residential facility other than a foster home that is operated for the care of children and youth who have been adjudicated delinquent or in need of supervision. Include any programs serving adjudicated youth (including non-secure facilities and group homes) in this category.
  - **Juvenile Detention Facilities:** Detention facilities are shorter-term institutions that provide care to children who require secure custody pending court adjudication, court disposition, or execution of a court order, or care to children after commitment.
  - **Multiple Purpose Facility:** An institution/facility/program that serves more than one programming purpose. For example, the same facility may run both a juvenile correction program and a juvenile detention program.
  - **Neglected Programs:** An institution for neglected children and youth is a public or private residential facility, other than a foster home, that is operated primarily for the care of children who have been committed to the institution or voluntarily placed under applicable State law due to abandonment, neglect, or death of their parents or guardians.
  - **Other:** Any other programs, not defined above, which receive Title I, Part D funds and serve non-adjudicated children and youth.

**2.4.1 State Agency Title I, Part D Programs and Facilities- Subpart 1**

The following questions collect data on Title I, Part D, Subpart 1 programs and facilities.

**2.4.1.1 Programs and Facilities - Subpart 1**

In the table below, provide the number of State agency Title I, Part D, Subpart 1 programs and facilities that serve neglected and delinquent students and the average length of stay by program/facility type, for these students. Report only programs and facilities that received Title I, Part D, Subpart 1 funding during the reporting year. Count a facility once if it offers only one type of program. If a facility offers more than one type of program (i.e., it is a multipurpose facility), then count each of the separate programs. Make sure to identify the number of multipurpose facilities that were included in the facility/program count in the second table. The total number of programs/facilities will be automatically calculated. Below the table is a FAQ about the data collected in this table.

State Program/Facility Type	# Programs/Facilities	Average Length of Stay in Days
Neglected programs	4	203
Juvenile detention	0	0
Juvenile corrections	2	303
Adult corrections	0	0
Other	0	0
Total	6	237

How many of the programs listed in the table above are in a multiple purpose facility?

	#
<b>Programs in a multiple purpose facility</b>	0
<b>Comments:</b> Correct as reported.	

**FAQ on Programs and Facilities - Subpart I:**

*How is average length of stay calculated?* The average length of stay should be weighted by number of students and should include the number of days, per visit, for each student enrolled during the reporting year, regardless of entry or exit date. Multiple visits for students who entered more than once during the reporting year can be included. The average length of stay in days should not exceed 365.

**2.4.1.1.1 Programs and Facilities That Reported - Subpart 1**

In the table below, provide the number of State agency programs/facilities that reported data on neglected and delinquent students.

The total row will be automatically calculated.

State Program/Facility Type	# Reporting Data
Neglected Programs	4
Juvenile Detention	0
Juvenile Corrections	2
Adult Corrections	0
Other	0
Total	6
<b>Comments:</b> Correct as reported.	

**2.4.1.2 Students Served – Subpart 1**

In the tables below, provide the number of neglected and delinquent students served in State agency Title I, Part D, Subpart 1 programs and facilities. Report only students who received Title I, Part D, Subpart 1 services during the reporting year. In the first table, provide in row 1 the unduplicated number of students served by each program, and in row 2, the total number of students in row 1 that are long-term. In the subsequent tables provide the number of students served by race/ethnicity, by sex, and by age. The total number of students by race/ethnicity, by sex and by age will be automatically calculated.

# of Students Served	Neglected Programs	Juvenile Detention	Juvenile Corrections	Adult Corrections	Other Programs
Total Unduplicated Students Served	540		479		
Long Term Students Served	211		158		

Race/Ethnicity	Neglected Programs	Juvenile Detention	Juvenile Corrections	Adult Corrections	Other Programs
American Indian or Alaska Native	N<10		N<10		
Asian or Pacific Islander	N<10		N<10		
Black, non-Hispanic	72		75		
Hispanic	N<10		N<10		
White, non-Hispanic	455		400		
Total					

Sex	Neglected Programs	Juvenile Detention	Juvenile Corrections	Adult Corrections	Other Programs
Male	385		442		
Female	155		37		
Total	540		479		

Age	Neglected Programs	Juvenile Detention	Juvenile Corrections	Adult Corrections	Other Programs
3 through 5					
6					
7					
8					
9	N<10		N<10		
10	N<10		N<10		
11	N<10		N<10

21					
Total					

If the total number of students differs by demographics, please explain in comment box below.

This response is limited to 8,000 characters.

**Comments:** Correct as reported.

**FAQ on Unduplicated Count:**

*What is an unduplicated count?* An unduplicated count is one that counts students only once, even if they were admitted to a facility or program multiple times within the reporting year.

**FAQ on long-term:**

*What is long-term?* Long-term refers to students who were enrolled for at least 90 consecutive calendar days from July 1, 2009 through June 30, 2010.

**2.4.1.3 Programs/Facilities Academic Offerings – Subpart 1**

In the table below, provide the number of programs/facilities (not students) that received Title I, Part D, Subpart 1 funds and awarded at least one high school course credit, one high school diploma, and/or one GED within the reporting year. Include programs/facilities that directly awarded a credit, diploma, or GED, as well as programs/facilities that made awards through another agency. The numbers should not exceed those reported earlier in the facility counts.

<b># Programs That</b>	<b>Neglected Programs</b>	<b>Juvenile Corrections/ Detention Facilities</b>	<b>Adult Corrections Facilities</b>	<b>Other Programs</b>
Awarded high school course credit(s)	4	2	0	0
Awarded high school diploma(s)	3	2	0	0
Awarded GED(s)	4	2	0	0
<b>Comments:</b> Correct as reported.				

**2.4.1.4 Academic Outcomes- Subpart 1**

The following questions collect academic outcome data on students served through Title I, Part D, Subpart 1.

**2.4.1.4.1 Academic Outcomes While in the State Agency Program/Facility**

In the table below, provide the unduplicated number of students who attained academic outcomes while in the State agency program/facility by type of program/facility.

# of Students Who	Neglected Programs	Juvenile Corrections/ Detention Facilities	Adult Corrections Facilities	Other Programs
Earned high school course credits	257	375		
Enrolled in a GED program	N<10	58		
<b>Comments:</b> Correct as reported.				

**2.4.1.4.2 Academic Outcomes While in the State Agency Program/Facility or Within 30 Calendar Days After Exit**

In the table below, provide the unduplicated number of students who attained academic outcomes while in the State agency program/facility or within 30 calendar days after exit, by type of program/facility.

# of Students Who	Neglected Programs	Juvenile Corrections/ Detention Facilities	Adult Corrections	Other Programs
Enrolled in their local district school	249	38		
Earned a GED	30	79		
Obtained high school diploma	N<10	42		
Were accepted into post-secondary education	25	30		
Enrolled in post-secondary education	12	N<10		
<b>Comments:</b> Correct as reported.				

**2.4.1.5 Vocational Outcomes- Subpart 1**

The following questions collect data on vocational outcomes of students served through Title I, Part D, Subpart 1.

**2.4.1.5.1 Vocational Outcomes While in the State Agency Program/Facility**

In the table below, provide the unduplicated number of students who attained vocational outcomes while in the State agency program by type of program/facility.

# of Students Who	Neglected Programs	Juvenile Corrections/ Detention Facilities	Adult Corrections	Other Programs
Enrolled in elective job training courses/programs	N<10	271		
<b>Comments:</b> Correct as reported.				

**2.4.1.5.2 Vocational Outcomes While in the State Agency Program/Facility or Within 30 Days After Exit**

In the table below, provide the unduplicated number of students who attained vocational outcomes while in the State agency program/facility or within 30 days after exit, by type of program/facility.

# of Students Who	Neglected Programs	Juvenile Corrections/ Detention Facilities	Adult Corrections	Other Programs
Enrolled in external job training education	N<10	N<10		
Obtained employment	16	24		
<b>Comments:</b> Correct as reported.				

**2.4.1.6 Academic Performance- Subpart 1**

The following questions collect data on the academic performance of neglected and delinquent students served by Title I, Part D, Subpart 1 in reading and mathematics.

**2.4.1.6.1 Academic Performance in Reading – Subpart 1**

In the tables below, provide the unduplicated number of long-term students served by Title I, Part D, Subpart 1, who participated in reading testing. In the first table, report the number of students who tested below grade level upon entry based on their pre-test. A post-test is not required to answer this item. Then, indicate the number of students who completed both a pre-test and a post-test. In the second table, report only students who participated in both pre-and post-testing. Students should be reported in only one of the five change categories in the second table below.

Report only information on a student's most recent testing data. Students who were pre-tested prior to July 1, 2009, may be included if their post-test was administered during the reporting year. Students who were post-tested after the reporting year ended should be counted in the following year. Throughout the tables, report numbers for juvenile detention and correctional facilities together in a single column. Below the tables is an FAQ about the data collected in these tables.

<b>Performance Data (Based on most recent testing data)</b>	<b>Neglected Programs</b>	<b>Juvenile Corrections/ Detention</b>	<b>Adult Corrections</b>	<b>Other Programs</b>
Long-term students who tested below grade level upon entry	46	35		
Long-term students who have complete pre- and post-test results (data)	211	158		

Of the students reported in the second row above, indicate the number who showed:

<b>Performance Data (Based on most recent testing data)</b>	<b>Neglected Programs</b>	<b>Juvenile Corrections/ Detention</b>	<b>Adult Corrections</b>	<b>Other Programs</b>
Negative grade level change from the pre- to post-test exams	46	35		
No change in grade level from the pre- to post-test exams	17	18		
Improvement of up to 1/2 grade level from the pre- to post-test exams	31	N<10		
Improvement from 1/2 up to one full grade level from the pre- to post-test exams	20	13		
Improvement of more than one full grade level from the pre- to post-test exams	97	85		
<b>Comments:</b> Correct as reported.				

**FAQ on long-term students:**

*What is long-term?* Long-term refers to students who were enrolled for at least 90 consecutive calendar days from July 1, 2009 through June 30, 2010.

**2.4.1.6.2 Academic Performance in Mathematics – Subpart 1**

This section is similar to 2.4.1.6.1. The only difference is that this section collects data on mathematics performance.

<b>Performance Data (Based on most recent testing data)</b>	<b>Neglected Programs</b>	<b>Juvenile Corrections/ Detention</b>	<b>Adult Corrections</b>	<b>Other Programs</b>
Long-term students who tested below grade level upon entry	31	27		
Long-term students who have complete pre- and post-test results (data)	211	158		

Of the students reported in the second row above, indicate the number who showed:

<b>Performance Data (Based on most recent testing data)</b>	<b>Neglected Programs</b>	<b>Juvenile Corrections/ Detention</b>	<b>Adult Corrections</b>	<b>Other Programs</b>
Negative grade level change from the pre- to post-test exams	29	27		
No change in grade level from the pre- to post-test exams	22	21		
Improvement of up to 1/2 grade level from the pre- to post-test exams	34	14		
Improvement from 1/2 up to one full grade level from the pre- to post-test exams	41	17		
Improvement of more than one full grade level from the pre- to post-test exams	85	79		
<b>Comments:</b> Correct as reported.				

## 2.4.2 LEA Title I, Part D Programs and Facilities- Subpart 2

The following questions collect data on Title I, Part D, Subpart 2 programs and facilities.

### 2.4.2.1 Programs and Facilities – Subpart 2

In the table below, provide the number of LEA Title I, Part D, Subpart 2 programs and facilities that serve neglected and delinquent students and the yearly average length of stay by program/facility type for these students. Report only the programs and facilities that received Title I, Part D, Subpart 2 funding during the reporting year. Count a facility once if it offers only one type of program. If a facility offers more than one type of program (i.e., it is a multipurpose facility), then count each of the separate programs. Make sure to identify the number of multipurpose facilities that were included in the facility/program count in the second table. The total number of programs/ facilities will be automatically calculated. Below the table is an FAQ about the data collected in this table.

LEA Program/Facility Type	# Programs/Facilities	Average Length of Stay (# days)
At-risk programs	3	181
Neglected programs	7	150
Juvenile detention	0	0
Juvenile corrections	2	164
Other	1	180
Total	13	42

How many of the programs listed in the table above are in a multiple purpose facility?

	#
<b>Programs in a multiple purpose facility</b>	5
<b>Comments:</b> Correct as reported.	

#### FAQ on average length of stay:

*How is average length of stay calculated?* The average length of stay should be weighted by number of students and should include the number of days, per visit for each student enrolled during the reporting year, regardless of entry or exit date. Multiple visits for students who entered more than once during the reporting year can be included. The average length of stay in days should not exceed 365.

### 2.4.2.1.1 Programs and Facilities That Reported - Subpart 2

In the table below, provide the number of LEA Title I, Part D, Subpart 2 programs and facilities that reported data on neglected and delinquent students.

The total row will be automatically calculated.

LEA Program/Facility Type	# Reporting Data
At-risk programs	3
Neglected programs	7
Juvenile detention	0
Juvenile corrections	2
Other	1
Total	13
<b>Comments:</b> Correct as reported.	

**2.4.2.2 Students Served – Subpart 2**

In the tables below, provide the number of neglected and delinquent students served in LEA Title I, Part D, Subpart 2 programs and facilities. Report only students who received Title I, Part D, Subpart 2 services during the reporting year. In the first table, provide in row 1 the unduplicated number of students served by each program, and in row 2, the total number of students in row 1 who are long-term. In the subsequent tables, provide the number of students served by race/ethnicity, by sex, and by age. The total number of students by race/ethnicity, by sex, and by age will be automatically calculated.

# of Students Served	At-Risk Programs	Neglected Programs	Juvenile Detention	Juvenile Corrections	Other Programs
Total Unduplicated Students Served	138	121		29	68
Total Long Term Students Served	138	121		29	68

Race/Ethnicity	At-Risk Programs	Neglected Programs	Juvenile Detention	Juvenile Corrections	Other Programs
American Indian or Alaska Native					
Asian or Pacific Islander		N<10

Total					

If the total number of students differs by demographics, please explain. The response is limited to 8,000 characters.

**Comments:** Correct as reported.

**FAQ on Unduplicated Count:**

*What is an unduplicated count?* An unduplicated count is one that counts students only once, even if they were admitted to a facility or program multiple times within the reporting year.

**FAQ on long-term:**

*What is long-term?* Long-term refers to students who were enrolled for at least 90 consecutive calendar days from July 1, 2009 through June 30, 2010.

**2.4.2.3 Programs/Facilities Academic Offerings – Subpart 2**

In the table below, provide the number of programs/facilities (not students) that received Title I, Part D, Subpart 2 funds and awarded at least one high school course credit, one high school diploma, and/or one GED within the reporting year. Include programs/facilities that directly awarded a credit, diploma, or GED, as well as programs/facilities that made awards through another agency. The numbers should not exceed those reported earlier in the facility counts.

<b>LEA Programs That</b>	<b>At-Risk Programs</b>	<b>Neglected Programs</b>	<b>Juvenile Detention/ Corrections</b>	<b>Other Programs</b>
Awarded high school course credit(s)	2	2	1	1
Awarded high school diploma(s)	2	2	0	0
Awarded GED(s)	3	0	0	0
<b>Comments:</b> Correct as reported.				

**2.4.2.4 Academic Outcomes- Subpart 2**

The following questions collect academic outcome data on students served through Title I, Part D, Subpart 2.

**2.4.2.4.1 Academic Outcomes While in the LEA Program/Facility**

In the table below, provide the unduplicated number of students who attained academic outcomes while in the LEA program/facility by type of program/facility.

# of Students Who	At-Risk Programs	Neglected Programs	Juvenile Corrections/ Detention	Other Programs
Earned high school course credits	93	56	18	
Enrolled in a GED program	N<10	N<10	N<10	
<b>Comments:</b> Correct as reported.				

**2.4.2.4.2 Academic Outcomes While in the LEA Program/Facility or Within 30 Calendar Days After Exit**

In the table below, provide the unduplicated number of students who attained academic outcomes while in the LEA program/facility or within 30 calendar days after exit, by type of program/facility.

# of Students Who	At-Risk Programs	Neglected Programs	Juvenile Corrections/ Detention	Other Programs
Enrolled in their local district school	127	68	N<10	19
Earned a GED	N<10	N<10	N<10	N<10
Obtained high school diploma	N<10	N<10	N<10	N<10
Were accepted into post-secondary education	N<10	N<10	N<10	N<10
Enrolled in post-secondary education	N<10	N<10	N<10	N<10
<b>Comments:</b> Correct as reported.				

**2.4.2.5 Vocational Outcomes- Subpart 2**

The following questions collect data on vocational outcomes of students served through Title I, Part D, Subpart 2.

**2.4.2.5.1 Vocational Outcomes While in the LEA Program/Facility**

In the table below, provide the unduplicated number of students who attained vocational outcomes while in the LEA program by type of program/facility.

# of Students Who	At-Risk Programs	Neglected Programs	Juvenile Corrections/ Detention	Other Programs
Enrolled in elective job training courses/programs	N<10	30	N<10	
<b>Comments:</b> Correct as reported.				

**2.4.2.5.2 Vocational Outcomes While in the LEA Program/Facility or Within 30 Days After Exit**

In the table below, provide the unduplicated number of students who attained vocational outcomes while in the LEA program/facility or within 30 days after exit, by type of program/facility.

# of Students Who	At-Risk Programs	Neglected Programs	Juvenile Corrections/ Detention	Other Programs
Enrolled in external job training education	N<10	N<10	N<10	
Obtained employment	N<10	N<10	N<10	
<b>Comments:</b> Correct as reported.				

**2.4.2.6 Academic Performance- Subpart 2**

The following questions collect data on the academic performance of neglected and delinquent students served by Title I, Part D, Subpart 2 in reading and mathematics.

**2.4.2.6.1 Academic Performance in Reading – Subpart 2**

In the tables below, provide the unduplicated number of long-term students served by Title I, Part D, Subpart 2, who participated in reading testing. In the first table, report the number of students who tested below grade level upon entry based on their pre-test. A post-test is not required to answer this item. Then, indicate the number of students who completed both a pre-test and a post-test. In the second table, report only students who participated in both pre-and post-testing. Students should be reported in only one of the five change categories in the second table below.

Report only information on a student's most recent testing data. Students who were pre-tested prior to July 1, 2009, may be included if their post-test was administered during the reporting year. Students who were post-tested after the reporting year ended should be counted in the following year. Throughout the table, report numbers for juvenile detention and correctional facilities together in a single column. Below the tables is an FAQ about the data collected in these tables.

<b>Performance Data (Based on most recent testing data)</b>	<b>At-Risk Programs</b>	<b>Neglected Programs</b>	<b>Juvenile Corrections/ Detention</b>	<b>Other Programs</b>
Long-term students who tested below grade level upon entry	104	N<10	N<10	19
Long-term students who have complete pre- and post-test results (data)	87	24	N<10	15

Of the students reported in the second row above, indicate the number who showed:

<b>Performance Data (Based on most recent testing data)</b>	<b>At-Risk Programs</b>	<b>Neglected Programs</b>	<b>Juvenile Corrections/ Detention</b>	<b>Other Programs</b>
Negative grade level change from the pre- to post-test exams	N<10	12	N<10	N<10
No change in grade level from the pre- to post-test exams	18	N<10	N<10	N<10
Improvement of up to 1/2 grade level from the pre- to post-test exams	26	11	N<10	N<10
Improvement from 1/2 up to one full grade level from the pre- to post-test exams	14	N<10	N<10	N<10
Improvement of more than one full grade level from the pre- to post-test exams	25	N<10	N<10	11
<b>Comments:</b> Correct as reported.				

**FAQ on long-term:**

*What is long-term?* Long-term refers to students who were enrolled for at least 90 consecutive calendar days from July 1, 2009, through June 30, 2010.

**2.4.2.6.2 Academic Performance in Mathematics – Subpart 2**

This section is similar to 2.4.2.6.1. The only difference is that this section collects data on mathematics performance.

<b>Performance Data (Based on most recent testing data)</b>	<b>At-Risk Programs</b>	<b>Neglected Programs</b>	<b>Juvenile Corrections/ Detention</b>	<b>Other Programs</b>
Long-term students who tested below grade level upon entry	83	N<10	N<10	20
Long-term students who have complete pre- and post-test results (data)	81	22	N<10	15

Of the students reported in the second row above, indicate the number who showed:

<b>Performance Data (Based on most recent testing data)</b>	<b>At-Risk Programs</b>	<b>Neglected Programs</b>	<b>Juvenile Corrections/ Detention</b>	<b>Other Programs</b>
Negative grade level change from the pre- to post-test exams	11	N<10	N<10	N<10
No change in grade level from the pre- to post-test exams	16	N<10	N<10	N<10
Improvement of up to 1/2 grade level from the pre- to post-test exams	27	N<10	N<10	N<10
Improvement from 1/2 up to one full grade level from the pre- to post-test exams	14	N<10	N<10	N<10
Improvement of more than one full grade level from the pre- to post-test exams	13	N<10	N<10	13
<b>Comments:</b> Correct as reported.				

**2.7 SAFE AND DRUG FREE SCHOOLS AND COMMUNITIES ACT (TITLE IV, PART A)**

This section collects data on student behaviors under the *Safe and Drug-Free Schools and Communities Act*.

**2.7.1 Performance Measures**

In the table below, provide actual performance data.

Performance Indicator	Instrument/ Data Source	Frequency of Collection	Year of most recent collection	Targets	Actual Performance	Baseline	Year Baseline Established
By the end of the 2010-11 school year, the percentage of students who carried a weapon (for example, a gun, knife, or club) on school property will decrease by 10%	West Virginia Education Information System (WVEIS)	Annually	2009-10	2007-08: 420	2007-08: 284

## 2.7.2 Out-of-School Suspensions and Expulsions

The following questions collect data on the out-of-school suspension and expulsion of students by grade level (e.g., K through 5, 6 through 8, 9 through 12) and type of incident (e.g., violence, weapons possession, alcohol-related, illicit drug-related).

### 2.7.2.1 State Definitions

In the spaces below, provide the State definitions for each type of incident.

Incident Type	State Definition
Alcohol related	The presence of any intoxicating liquid that contains alcohol on a student in any amount or in any item belonging under the general control of the student (i.e. locker, automobile, etc.) or the ingestion, injection, absorption or inhalation of any intoxicating liquid that contains alcohol in any amount.
Illicit drug related	The possession, use, distribution or sale of any drug/substance not legally obtained, or any drug/substance that has a likeness or resemblance to any illegal drug/substance, or the ingestion absorption or inhalation of any drug/substance in any amount which is not legally obtained, used by a student, including but not limited to alcohol, tobacco and marijuana.
Violent incident without physical injury	Committing any verbal act or threat that places another student in reasonable apprehension or fear of immediate injury.
Violent incident with physical injury	Unlawfully and intentionally making physical contact of an insulting, provoking, or injurious nature against another student.
Weapons possession	<p>"Dangerous weapon" means any device intended to cause injury or bodily harm, any device used in a threatening manner that could cause injury or bodily harm, or any device that is primarily used for self protection.</p> <p>Dangerous weapons include, but are not limited to , blackjack, gravity knife, knife, switchblade knife, nunchuka, metallic or false knuckles, pistol, or revolver. A dangerous weapon may also include the use of legitimate tool, instrument, or equipment as a weapon including, but not limited to, pens, pencils, compasses, or combs, with the intent to harm another. A pocket knife with a blade of three and one-half inches or less shall not be included in the definition of knife as defined in W.Va. Code A§61-7-2 unless such knife is knowingly used or intended to be used to produce serious bodily injury or death.</p>
<b>Comments:</b>	

**2.7.2.2 Out-of-School Suspensions and Expulsions for Violent Incident Without Physical Injury**

The following questions collect data on violent incident without physical injury.

**2.7.2.2.1 Out-of-School Suspensions for Violent Incident Without Physical Injury**

In the table below, provide the number of out-of-school suspensions for violent incident without physical injury by grade level. Also, provide the number of LEAs that reported data on violent incident without physical injury, including LEAs that report no incidents.

<b>Grades</b>	<b># Suspensions for Violent Incident Without Physical Injury</b>	<b># LEAs Reporting</b>
K through 5	1,920	52
6 through 8	5,066	54
9 through 12	3,596	55
<b>Comments:</b> WV presently has a student based reporting system.		

**2.7.2.2.2 Out-of-School Expulsions for Violent Incident Without Physical Injury**

In the table below, provide the number of out-of school expulsions for violent incident without physical injury by grade level. Also, provide the number of LEAs that reported data on violent incident without physical injury, including LEAs that report no incidents.

<b>Grades</b>	<b># Expulsions for Violent Incident Without Physical Injury</b>	<b># LEAs Reporting</b>
K through 5	N<10	1
6 through 8	22	10
9 through 12	25	9
<b>Comments:</b> WV presently has a student based reporting system.		

**2.7.2.3 Out-of-School Suspensions and Expulsions for Violent Incident with Physical Injury**

The following questions collect data on violent incident with physical injury.

**2.7.2.3.1 Out-of-School Suspensions for Violent Incident with Physical Injury**

In the table below, provide the number of out-of-school suspensions for violent incident with physical injury by grade level. Also, provide the number of LEAs that reported data on violent incident with physical injury, including LEAs that report no incidents.

<b>Grades</b>	<b># Suspensions for Violent Incident with Physical Injury</b>	<b># LEAs Reporting</b>
K through 5	835	50
6 through 8	1,722	49
9 through 12	682	49

**Comments:** WV presently has a student based reporting system.

**2.7.2.3.2 Out-of-School Expulsions for Violent Incident with Physical Injury**

In the table below, provide the number of out-of school expulsions for violent incident with physical injury by grade level. Also, provide the number of LEAs that reported data on violent incident with physical injury, including LEAs that report no incidents.

<b>Grades</b>	<b># Expulsions for Violent Incident with Physical Injury</b>	<b># LEAs Reporting</b>
K through 5	N<10	1
6 through 8	13	5
9 through 12	N<10	4

**Comments:** WV presently has a student based reporting system.

### 2.7.2.4 Out-of-School Suspensions and Expulsions for Weapons Possession

The following sections collect data on weapons possession.

#### 2.7.2.4.1 Out-of-School Suspensions for Weapons Possession

In the table below, provide the number of out-of-school suspensions for weapons possession by grade level. Also, provide the number of LEAs that reported data on weapons possession, including LEAs that report no incidents.

Grades	# Suspensions for Weapons Possession	# LEAs Reporting
K through 5	37	19
6 through 8	45	20
9 through 12	54	30
<b>Comments:</b>		

#### 2.7.2.4.2 Out-of-School Expulsions for Weapons Possession

In the table below, provide the number of out-of-school expulsions for weapons possession by grade level. Also, provide the number of LEAs that reported data on weapons possession, including LEAs that report no incidents.

Grades	# Expulsion for Weapons Possession	# LEAs Reporting
K through 5	N<10	2
6 through 8	N<10	3
9 through 12	36	7
<b>Comments:</b>		

### 2.7.2.5 Out-of-School Suspensions and Expulsions for Alcohol-Related Incidents

The following questions collect data on alcohol-related incidents.

#### 2.7.2.5.1 Out-of-School Suspensions for Alcohol-Related Incidents

In the table below, provide the number of out-of-school suspensions for alcohol-related incidents by grade level. Also, provide the number of LEAs that reported data on alcohol-related incidents, including LEAs that report no incidents.

Grades	# Suspensions for Alcohol-Related Incidents	# LEAs Reporting
K through 5	N<10	0
6 through 8	60	22
9 through 12	157	41

**Comments:** WV presently has a student based reporting system.

#### 2.7.2.5.2 Out-of-School Expulsions for Alcohol-Related Incidents

In the table below, provide the number of out-of-school expulsions for alcohol-related incidents by grade level. Also, provide the number of LEAs that reported data on alcohol-related incidents, including LEAs that report no incidents.

Grades	# Expulsion for Alcohol-Related Incidents	# LEAs Reporting
K through 5	N<10	0
6 through 8	N<10	0
9 through 12	N<10	2

**Comments:** WV presently has a student based reporting system.

### 2.7.2.6 Out-of-School Suspensions and Expulsions for Illicit Drug-Related Incidents

The following questions collect data on illicit drug-related incidents.

#### 2.7.2.6.1 Out-of-School Suspensions for Illicit Drug-Related Incidents

In the table below, provide the number of out-of-school suspensions for illicit drug-related incidents by grade level. Also, provide the number of LEAs that reported data on illicit drug-related incidents, including LEAs that report no incidents.

Grades	# Suspensions for Illicit Drug-Related Incidents	# LEAs Reporting
K through 5	N<10	4
6 through 8	136	26
9 through 12	436	43
<b>Comments:</b> WV presently has a student based reporting system.		

#### 2.7.2.6.2 Out-of-School Expulsions for Illicit Drug-Related Incidents

In the table below, provide the number of out-of-school expulsions for illicit drug-related incidents by grade level. Also, provide the number of LEAs that reported data on illicit drug-related incidents, including LEAs that report no incidents.

Grades	# Expulsion for Illicit Drug-Related Incidents	# LEAs Reporting
K through 5	N<10	1
6 through 8	12	5
9 through 12	64	23
<b>Comments:</b> WV presently has a student based reporting system.		

### 2.7.3 Parent Involvement

In the table below, provide the types of efforts your State uses to inform parents of, and include parents in, drug and violence prevention efforts. Place a check mark next to the five most common efforts underway in your State. If there are other efforts underway in your State not captured on the list, add those in the other specify section.

Y	Parental Involvement Activities
<input checked="" type="checkbox"/> Yes	Information dissemination on Web sites and in publications, including newsletters, guides, brochures, and "report cards" on school performance
<input checked="" type="checkbox"/> Yes	Training and technical assistance to LEAs on recruiting and involving parents
<input checked="" type="checkbox"/> Yes	State requirement that parents must be included on LEA advisory councils
<input checked="" type="checkbox"/> Yes	State and local parent training, meetings, conferences, and workshops
<input checked="" type="checkbox"/> Yes	Parent involvement in State-level advisory groups
<input checked="" type="checkbox"/> Yes	Parent involvement in school-based teams or community coalitions
<input type="checkbox"/> No	Parent surveys, focus groups, and/or other assessments of parent needs and program effectiveness
<input checked="" type="checkbox"/> Yes	Media and other campaigns (Public service announcements, red ribbon campaigns, kick-off events, parenting awareness month, safe schools week, family day, etc.) to raise parental awareness of drug and alcohol or safety issues
<input type="checkbox"/> No	Other Specify 1
<input type="checkbox"/> No	Other Specify 2

In the space below, specify 'other' parental activities.

The response is limited to 8,000 characters.

--

**2.9 RURAL EDUCATION ACHIEVEMENT PROGRAM (REAP) (TITLE VI, PART B, SUBPARTS 1 AND 2)**

This section collects data on the Rural Education Achievement Program (REAP) Title VI, Part B, Subparts 1 and 2.

**2.9.1 LEA Use of Alternative Funding Authority Under the Small Rural Achievement (SRSA) Program (Title VI, Part B, Subpart 1)**

In the table below, provide the number of LEAs that notified the State of their intent to use the alternative uses funding authority under Section 6211.

	# LEAs
# LEA's using SRSA alternative uses of funding authority	0
<b>Comments:</b> No LEA's are eligible for SRSA in West Virginia.	

**2.9.2 LEA Use of Rural Low-Income Schools Program (RLIS) (Title VI, Part B, Subpart 2) Grant Funds**

In the table below, provide the number of eligible LEAs that used RLIS funds for each of the listed purposes.

Purpose	# LEA
Teacher recruitment and retention, including the use of signing bonuses and other financial incentives	13
Teacher professional development, including programs that train teachers to utilize technology to improve teaching and to train special needs teachers	14
Educational technology, including software and hardware as described in Title II, Part D	0
Parental involvement activities	4
Activities authorized under the Safe and Drug-Free Schools Program (Title IV, Part A)	0
Activities authorized under Title I, Part A	26
Activities authorized under Title III (Language instruction for LEP and immigrant students)	0
<b>Comments:</b>	

### 2.9.2.1 Goals and Objectives

In the space below, describe the progress the State has made in meeting the goals and objectives for the Rural Low-Income Schools (RLIS) Program as described in its June 2002 Consolidated State application. Provide quantitative data where available.

The response is limited to 8,000 characters.

Goal 1 - All students will reach high standards in reading/language arts and mathematics by 2013-2014. The RLIS program activities designed by the eligible counties have helped the rural LEAs increase the number of schools making AYP from the previous year and kept that percentage very near the percentage of non-eligible RLIS LEAs. The RLIS eligible LEAs increased the percentage of schools making AYP from 71% to 79% and the LEAs not eligible for RLIS increased their percentage of schools making AYP from 71% to 82%.

Goal 2 - All LEP students will become proficient in English and reach high academic standards, at a minimum attaining proficiency or better in reading/language arts and mathematics. The RLIS program LEAs typically do not have large numbers, if any, LEP students. No LEAs chose to support efforts to impact LEP students in their school system using RLIS funds.

Goal 3 - By 2005-2006 all students will be taught by highly qualified teachers. RLIS program activities designed by the eligible LEAs have helped the rural LEAs to provide highly qualified teachers at a rate which continues to help West Virginia increase its annual percentage of highly qualified teachers.

Goal 4 - All students will be educated in learning environments that are safe, drug free, and conducive to learning. There are no schools in West Virginia that are considered persistently dangerous in either eligible or non-eligible RLIS LEAs.

Goal 5 - All students will graduate from high school. The Graduation Rate for LEAs eligible for RLIS was 83.63. Graduation rate for LEAs not eligible for RLIS funding was 84.73.

**2.10 FUNDING TRANSFERABILITY FOR STATE AND LOCAL EDUCATIONAL AGENCIES (TITLE VI, PART A, SUBPART 2)****2.10.1 State Transferability of Funds**

Did the State transfer funds under the State Transferability authority of Section 6123(a) during SY 2009-10?	No
<b>Comments:</b>	

**2.10.2 Local Educational Agency (LEA) Transferability of Funds**

	<b>#</b>
LEAs that notified the State that they were transferring funds under the LEA Transferability authority of Section 6123(b).	0
<b>Comments:</b> No LEAs elected to request intrafund transfer between the eligible NCLB programs.	

**2.10.2.1 LEA Funds Transfers**

In the table below, provide the total number of LEAs that transferred funds from an eligible program to another eligible program.

Program	# LEAs Transferring Funds FROM Eligible Program	# LEAs Transferring Funds TO Eligible Program
Improving Teacher Quality State Grants (Section 2121)	0	0
Educational Technology State Grants (Section 2412(a)(2)(A))	0	0
Safe and Drug-Free Schools and Communities (Section 4112(b)(1))	0	0
State Grants for Innovative Programs (Section 5112(a))	0	0
Title I, Part A, Improving Basic Programs Operated by LEAs	0	0

In the table below provide the total amount of FY 2010 appropriated funds transferred from and to each eligible program.

Program	Total Amount of Funds Transferred FROM Eligible Program	Total Amount of Funds Transferred TO Eligible Program
Improving Teacher Quality State Grants (Section 2121)	0.00	0.00
Educational Technology State Grants (Section 2412(a)(2)(A))	0.00	0.00
Safe and Drug-Free Schools and Communities (Section 4112(b)(1))	0.00	0.00
State Grants for Innovative Programs (Section 5112(a))	0.00	0.00
Title I, Part A, Improving Basic Programs Operated by LEAs	0.00	0.00
Total	0.00	0.00

**Comments:** No eligible LEA elected to transfer funds from or to any eligible NCLB program.

*The Department plans to obtain information on the use of funds under both the State and LEA Transferability Authority through evaluation studies.*
