<b>Question Number</b>	<b>Issue Description</b>
2.11	Alabama resubmitted their SY2015-16 graduation rate data on August 7, 2017 after the close of the CSPR. Alabama made adjustments to the calculations of its graduation rates to address findings from an IG report to include 1) gaining assurance from LEAs of the completeness of their cohorts, and that students are assigned to the correct cohort; and 2) removing AOD/Essentials/Life Skills Pathway graduates from the ACGR until it can be shown that the program is fully aligned with the Alabama standard diploma academic requirements.
