Consolidated State Performance Report

State: DC
School Year: 2015-16
Part: 2

Question Number	Issue Description
2.11	DC indicated that the changes in the graduation rates of American Indian/Alaska Native students, students of two or more races, and Native Hawaiian/Other Pacific Islander students are due to the small n-sizes of these subgroups. DC also indicated that the change in the graduation rate of Children with Disabilities was impacted by improved tracking of these students.
