OFFICE OF ELEMENTARY AND SECONDARY EDUCATION

MAR 06 2014

The Honorable Terry Holliday
Commissioner of Education
Kentucky Department of Education
500 Mero Street
Frankfort, KY 40601

Dear Commissioner Holliday:

From August 27 to September 3, 2013, a team from the U.S. Department of Education's (ED's) Office of Elementary and Secondary Education conducted Part B monitoring of the Kentucky Department of Education's (KDE)'s implementation of its approved Elementary and Secondary Education Act of 1965, as amended (ESEA) flexibility request. Part B monitoring aims to continue the collaborative relationship that began during the request approval process, provide ED with a deeper understanding of each State educational agency's (SEA's) goals and approaches to implementing ESEA flexibility, and ensure that the SEA has the critical elements of ESEA flexibility in place to continue implementation of its plan.

The review focused on the following ESEA flexibility elements:

- SEA Systems and Processes, including Monitoring, Technical Assistance, Data Collection and Use, and Family & Community Engagement and Outreach
- Transitioning to and Implementing College-and Career-Ready Standards
- Adopting English Language Proficiency Standards
- Developing and Administering High-Quality Assessments
- Developing and Administering Alternate Assessments
- Developing and Administering English Language Proficiency Assessments
- Annually Reporting College-going and College-Credit Accumulation Rates
- Developing and Implementing a State-Based System of Differentiated Recognition, Accountability, and Support
- Reward, Priority, Focus, and Other Title I Schools
- State and Local Report Cards, and
- Teacher and Principal Evaluation and Support Systems

Enclosed is a summary report based upon this review. The report includes highlights of KDE's implementation of ESEA flexibility and, for each indicator, a snapshot of KDE's progress in implementing ESEA flexibility. If appropriate, the report also includes "next steps" that were discussed with the SEA during an exit conference conducted on November 13, 2013 to ensure that KDE implements flexibility consistent with its approved request and the timelines and principles of ESEA flexibility. KDE should respond to the "next steps" within 30 business days after receipt of this report unless otherwise identified. This report will be posted on the ESEA flexibility website. Additionally, in the coming months ED will issue a comprehensive summary of each SEA's implementation of ESEA flexibility that includes information gathered through the Part B monitoring process and provides more
