On May 29-30, 2013, a team from the U. S. Department of Education's (ED) Office of Elementary and Secondary Education conducted Part B monitoring of the Mississippi Department of Education's (MDE's) implementation of its approved ESEA flexibility request. Part B monitoring aims to continue the collaborative relationship begun during the request approval process, provide ED with a deeper understanding of each State educational agency's (SEA) goals and approaches to implementing ESEA flexibility, and ensure that the SEA has the critical elements of ESEA flexibility in place to continue implementation of its plan.

The review focused on the following ESEA flexibility elements:

- Transitioning to and Implementing College-and Career-Ready Standards
- Adopting English Language Proficiency Standards
- Developing and Administering High-Quality Assessments
- Developing and Administering Alternate Assessments
- Developing and Administering English Language Proficiency Assessments
- Annually Reporting College-going and College-credit Accumulation Rates
- Developing and Implementing a State-Based System of Differentiated Recognition, Accountability, and Support
- Reward, Priority, Focus, and Other Title I Schools

with the SEA during an exit conference conducted on June 12, 2013 to ensure that MDE implements flexibility consistent with its approved request and the timelines and principles of ESEA flexibility. MDE should respond to the “next steps” within 30 business days after receipt of this report. This report will be posted on the ESEA flexibility website. Additionally, in the coming months ED will issue a comprehensive summary of each SEA’s implementation of ESEA flexibility that includes information gathered through the Part B monitoring process and provides more detail about the innovative practices and common challenges that States are facing as they engage in the effective implementation of ESEA flexibility.

I want to thank you and your staff for the hard work you have undertaken to implement ESEA flexibility. If you have any questions or there are ways that ED staff can provide you additional support as you move forward in implementing your ESEA flexibility request, please feel free to reach out to your SEA’s ESEA flexibility contact.

I look forward to continuing our work with you as you implement your ESEA flexibility request. Thank you for your commitment to Mississippi’s children.

Sincerely,
