The Honorable Kathryn S. Matayoshi
Superintendent of Education
Hawaii Department of Education
PO Box 2360

March 9, 2015

Dear Superintendent Matayoshi:

On January 7th, 8th, and 13th, 2015, a team from the U.S. Department of Education's (ED) Office of Elementary and Secondary Education conducted Part B monitoring of the Hawaii's implementation of its approved Elementary and Secondary Education Act of 1965, as amended (ESEA), flexibility request. Part B monitoring aims to continue the collaborative relationship that began during the request approval process, provide ED with a deeper understanding of each State educational agency's (SEA's) goals and approaches to implementing ESEA flexibility, and ensure that the SEA has the critical elements of ESEA flexibility in place to continue implementation of its plan.

The review focused on the following ESEA flexibility elements:

- SEA Systems and Processes, including Monitoring, Technical Assistance, Data Collection and Use, and Family & Community Engagement and Outreach
- Transitioning to and Implementing College-and Career-Ready Standards
- Adopting English Language Proficiency Standards
- Developing and Administering High-Quality Assessments
- Developing and Administering Alternate Assessments
- Developing and Administering English Language Proficiency Assessments
- Annually Reporting College-going and College-Credit Accumulation Rates
- Developing and Implementing a State-Based System of Differentiated Recognition, Accountability, and Support
- Reward, Priority, Focus, and Other Title I Schools
- State and Local Report Cards
- Teacher and Principal Evaluation and Support Systems

Enclosed is a summary report based upon this review. The report includes highlights of Hawaii's implementation of ESEA flexibility and, for each indicator, a snapshot of Hawaii's progress in implementing ESEA flexibility. If appropriate, the report also includes "next steps" that were discussed with the SEA during an exit conference conducted on February 6, 2015 to ensure that Hawaii implements flexibility consistent with its approved request and the timelines and principles of ESEA flexibility. This report will be posted on the ESEA flexibility website.

I want to thank you and your staff for the hard work you have undertaken to implement ESEA flexibility. If you have any questions or there are ways that ED staff can provide you additional support
