OFFICE OF ELEMENTARY AND SECONDARY EDUCATION

The Honorable Virginia Barry  
Commissioner of Education  
New Hampshire Department of Education  
101 Pleasant Street  
Concord, NH 03301

February 25, 2015

Dear Commissioner Barry:

On January 5th and 6th, 2015, a team from the U.S. Department of Education's (ED) Office of Elementary and Secondary Education conducted Part B monitoring of the New Hampshire's implementation of its approved Elementary and Secondary Education Act of 1965, as amended (ESEA) flexibility request. Part B monitoring aims to continue the collaborative relationship that began during the request approval process, provide ED with a deeper understanding of each State educational agency's (SEA) goals and approaches to implementing ESEA flexibility, and ensure that the SEA has the critical elements of ESEA flexibility in place to continue implementation of its plan.

The review focused on the following ESEA flexibility elements:

- SEA Systems and Processes, including Monitoring, Technical Assistance, Data Collection and Use, and Family & Community Engagement and Outreach
- Transitioning to and Implementing College- and Career-Ready Standards
- Adopting English Language Proficiency Standards
- Developing and Administering High-Quality Assessments
- Developing and Administering Alternate Assessments
- Developing and Administering English Language Proficiency Assessments
- Annually Reporting College-going and College-Credit Accumulation Rates
- Developing and Implementing a State-Based System of Differentiated Recognition, Accountability, and Support
- Reward, Priority, Focus, and Other Title I Schools; and
- State and Local Report Cards.

Enclosed is a summary report based upon this review. The report includes highlights of New Hampshire's implementation of ESEA flexibility and, for each indicator, a snapshot of New Hampshire's progress in implementing ESEA flexibility. If appropriate, the report also includes "next steps" that were discussed with the SEA during an exit conference conducted on January 28th, 2015 to ensure that New Hampshire implements flexibility consistent with its approved request and the timelines and principles of ESEA flexibility. New Hampshire should respond to the "next steps" within 30 business days after receipt of this report unless otherwise identified. This report will be posted on the ESEA flexibility website.
