  - Consolidated State Plan Review Criteria
  - Instructions for Accessing Materials
  - Questions
  - Resources
- 
- Next Training: Peer Review Process and Review of Key Requirements

# OBJECTIVES

- Provide background and context for peer review of consolidated State plans.
- Review the requirements in the revised consolidated State plan template and review criteria.
- Provide an overview of the State plan submission process.

# BACKGROUND

## ESSA OVERVIEW

- The Every Student Succeeds Act (ESSA) was passed on December 10, 2015.
- ESSA builds on key areas of progress in recent years, made possible by the efforts of educators, communities, parents, and students across the country.
- In order to receive Fiscal year 2018 Federal funds under the ESEA, as amended by the ESSA, each State educational agency (SEA) must submit a State plan or application for each program.

# BACKGROUND

## PROGRAMS

- Under the ESEA, the Secretary must establish procedures and criteria under which, after consultation with the Governor, a State may submit a consolidated State plan. The purpose is to:
  - Simplify the application requirements for the State;
  - Reduce burden; and
  - Encourage coordination within a State for how Federal funds can support the educational system.
  - The Secretary must include only those descriptions, information, assurances, and other material that are absolutely necessary for consideration of the State plan.

# BACKGROUND

## PROGRAMS

- Each SEA must submit a State plan that address requirements in:

Title I, Part A: Improving Basic Programs Operated by Local Educational Agencies	Title III, Part A: English Language Acquisition, Language Enhancement, and Academic Achievement
Title I, Part C: Education of Migratory Children	Title IV, Part A: Student Support and Academic Enrichment Grants
Title I, Part D: Prevention and Intervention Programs for Children and Youth Who Are Neglected, Delinquent, or At-Risk	Title IV, Part B: 21st Century Community Learning Centers
Title II, Part A: Supporting Effective Instruction	Title V, Part B, Subpart 2: Rural and Low-Income School Program
Title VII, Subpart B of the McKinney-Vento Homeless Assistance Act: Education for Homeless Children and Youth Program (McKinney-Vento)	

# BACKGROUND

## PEER REVIEW OVERVIEW

- The Department will conduct a peer review only of the portions of a State plan related to:
  - **Title I, Part A (ESEA sections 1111(a)(4) and 8451(d));**
  - **Title III, Part A (ESEA section 3113(c));** and
  - **Subtitle B of Title VII of the McKinney-Vento Act.**
- Note that the Department will conduct a separate peer review of plans related to Subtitle B of Title VII of the McKinney-Vento Act.

# PEER REVIEW OVERVIEW

## PURPOSE

- The purpose of peer review is to
  - maximize collaboration with each State;
  - promote effective implementation of the challenging State academic standards through State and local innovation; and
  - provide transparent, timely, and objective feedback to States designed to strengthen the technical and overall quality of the State plans.

# PEER REVIEW OVERVIEW

## PURPOSE

- Peer reviewers apply their professional judgment and experiences.
- Peer reviewers will conduct an objective review of State plans in their totality and out of respect for State and local judgments, with the goal of supporting State- and local-led innovation and providing objective feedback on the technical, educational, and overall quality of a State plan, including the validity and reliability of each element of the plan.

# PEER REVIEW OVERVIEW

## SELECTION OF PEER REVIEWERS

- ESEA section 1111(a)(4)(A)(ii) requires that the Department establish multidisciplinary peer-review teams with members that represent:
  - Parents, teachers, principals, other school leaders, specialized instructional support personnel, SEAs, local educational agencies (LEAs), and the community (including the business community); and
  - Researchers who are familiar with the implementation of academic standards, assessments, or accountability systems and how to meet the needs of disadvantaged students, children with disabilities, and English learners, the needs of low-performing schools, and other educational needs of students.

# PEER REVIEW OVERVIEW

## SELECTION OF PEER REVIEWERS

- The peer review panels must also include, to the extent practicable, majority representation of individuals who, in the most recent two years, have had practical experience in the classroom, school administration, or State or local government (such as direct employees of a school, LEA, or SEA) and must represent a regionally diverse cross-section of States.
- The list of peer reviewers will be made public at the conclusion of the process in September.

# PEER REVIEW OVERVIEW

## PROCESS

- ED will assemble panels of **four peer reviewers** each to **review approximately three State plans**.
- Reviewers will independently review and evaluate each application and prepare individual notes during their off-site review period (September 22 – October 22).
- Panels will convene on-site in Washington D.C. from October 30 – November 3.
  - On-site review will result in a single set of final panel notes that will be shared with the State.

# PEER REVIEW OVERVIEW

## OUTCOMES OF THE PROCESS

- The peer review notes serve two purposes:
  - Constitute the official record of the peer review panel's responses to questions regarding how an SEA's State plan addresses the statutory and regulatory requirements; and
  - Provide technical assistance to the SEA on how to improve its plan.
- The peer review notes also serve as recommendations to the Secretary to determine what, if any, additional information to request from the SEA.

# PEER REVIEW OVERVIEW

## EXPECTATIONS FOR PEER REVIEWERS

- Identify any conflict of interest that may become apparent as you engage in the review process.
- Complete your individual reviews.
- Be available for the entire review process, including the evenings when you are on-site, and adhere to review timelines.
- Maintain confidentiality and discretion throughout the review process.
- For reviewers requiring reasonable accommodations, please notify your panel monitor for arrangements.

# CONSOLIDATED STATE PLAN OVERVIEW

## FINAL REQUIREMENTS

- On March 13, 2017, the Department released the revised consolidated State plan template that outlines what is absolutely necessary for a State to include in its plan.
- Consolidated State plans will be considered during two peer review windows:
  - Spring peer review window (plans received April 3-May 3, 2017) – Complete
  - **Fall peer review window (all other plans received by September 18, 2017)**

# CONSOLIDATED STATE PLAN TEMPLATE

## ALTERNATIVE FORMATS FOR THE TEMPLATE

- A State may submit a consolidated plan using an alternative template that meets the requirements in the revised template.
- If an SEA does not use the Department's template, it must include a table of contents or guide that clearly indicates where the SEA has addressed each requirement in its consolidated State plan.
- Peer reviewers should use the crosswalk to find State responses to the requirements.

**QUESTIONS**

# REVIEWING ESEA PLANS

- Peers are selected based on their professional experience in the education field.
- When reviewing plans, peers should use their professional experience to carefully consider each plan for its educational and technical quality based on what is required under the statute.
- As we review each requirement, recall that the purpose of peer review is to provide objective feedback to the State about the educational and technical quality of the plan overall and each element you review.

# REVIEWING ESEA PLANS

## GUIDANCE FOR REVIEWING PLANS AND WRITING COMMENTS

- Consider the extent to which the SEA has addressed the requirement fully and with high quality responses.
- Peers should draw upon what they believe to sound educational practice and application of technical methods.
- Review each plan independently (on its own against the requirements), not compared to other State plans.
- When making comments, consider only the content of the plan and materials provided by the State.

# STATE PLAN TEMPLATE EXAMPLE

## A.5. Disproportionate Rates of Access to Educators

### *ESEA section 1111(g)(1)(B)*

Describe how low-income and minority children enrolled in schools assisted under Title I, Part A are not served at disproportionate rates by ineffective, out-of-field, or inexperienced teachers, and the measures the SEA will use to evaluate and publicly report the progress of the SEA with respect to such description.

Example of how to cross-reference statutory citation:

1. Navigate to ESEA section 1111: “State plans.”
2. Scroll to sub-section g: “Other Plan Provisions.”
3. Scroll to sub-section 1: “Descriptions.”
4. Read sub-section B.
