State Plan Updates
Consistent with section 8302(b)(1) of ESEA, the Department collaborated with State educational agencies (SEAs), as well as other State and local stakeholders, in developing the revised consolidated State plan template, which includes only those descriptions and information that are **absolutely necessary** for the Department’s consideration of each State’s plan.
The revised template promotes innovation, flexibility, transparency and accountability, and reduces burden to help ensure every child has a chance to learn and succeed.

Each State plan will provide parents with quality, transparent information about how the ESEA, as amended by the ESSA, will be implemented in their State so that all children can reach their full potential.
CONGRESSIONAL REVIEW ACT

- Congress approved a joint resolution of disapproval under the Congressional Review Act (CRA) (5 U.S.C. §§ 801-808) to overturn the accountability and State plan regulations.

- If the resolution is signed by the president, these regulations “shall have no force or effect.”
ASSURANCES

STATE PLANS

- In order to receive fiscal year (FY) 17 ESEA funds on July 1, 2017 for the programs that may be included in a consolidated State plan, each SEA must submit a comprehensive set of assurances to the Department at a date and time established by the Secretary.

- In the near future, the Department will publish an information collection request that details these assurances; this collection will be available by no later than June 2017.
TIMELINES

STATE PLANS

- Release of Revised Consolidated State Plan Absolutely Necessary Requirements
  - March 13, 2017

- Consolidated State plan or individual program State plans must be submitted on one of two deadlines:
  - April 3, 2017  spring peer review window
  - September 18, 2017  summer peer review window
TIMELINES

STATE PLANS

- States submitting for the **spring peer review window** where the Governor cannot complete full 30-day review by April 3rd must submit by **May 3, 2017**

- States planning to submit by May 3, 2017 for the spring peer review window should notify the Deputy Director of the Office of State Support, Roberta Miceli at Roberta.Miceli@ed.gov and include the date on which the SEA provided its consolidated State plan to the Governor for review
GOVERNOR’S CONSULTATION

ESEA SECTION 8540

- Each SEA must consult in a timely and meaningful manner with the Governor, or appropriate officials from the Governor’s office, including during the development and prior to submission of its consolidated State plan.
- A Governor shall have 30 days prior to the SEA submitting the consolidated State plan to the Secretary to sign the consolidated State plan.
- If an SEA consulted with the Governor on the previous consolidated State plan template based on the regulations, an SEA may not rely on that consultation.
- The Department encourages, but no longer requires, each SEA to timely and meaningfully consult with a variety of stakeholders consistent with the individual consultation requirements for each program included in its consolidated State plan.
An SEA must use the Revised Consolidated State Plan template or a format that includes the required elements and that the State has developed working with the Council of Chief State School Officers (CCSSO).

States may consider using the previous template released by ED as a guide.
If an SEA does not use this template, it must:

- Include the information on the Cover Sheet;
- Include a table of contents or guide that clearly indicates where the SEA has addressed each requirement in its consolidated State plan;
- Indicate that the SEA worked through CCSSO in developing its own template; and
- Include the required information regarding equitable access to, and participation in, the programs included in its consolidated State plan as required by section 427 of the General Education Provisions Act. (See Appendix B of Revised Consolidated State Plan Requirements).
