

## CURRICULUM COMMITTEE MINUTES

February 21, 2017 10:00 a.m.  
Classroom 3

Present

Meeting was called to order at: 10:00 by [REDACTED] Dr. [REDACTED] introduced the new student members [REDACTED] He also introduced alumnus [REDACTED] These student will be participating members of the Committee and we welcome their participation.

### Meeting Minutes

Meeting minutes from December 9, 2016 was distributed.

On a motion made by [REDACTED] and seconded by [REDACTED] the Committee unanimously approved the minutes, as presented.

The following proposals were acted upon:

### Out of Classroom Assessment

[REDACTED] led a discussion on assessment methods. She described the assessment center concept implemented at some universities. She also talked with the committee about assessing across the University and/or within departments, pre/post assessment, moving assessment closer to graduation, using external coders better and to a greater extent, and questioned how we can motivate/award the student for participating in assessment. Members were generally supportive of the assessment center concept and encouraged [REDACTED] to develop this idea further. In addition, members were encouraged to continue to discuss how to effectively assess our new learning objectives [REDACTED] will continue to build on ways to use stand-alone assessment on a bigger scale.

On a motion made by [REDACTED] and seconded by [REDACTED] the Committee unanimously approved the Out of Classroom Assessment proposal.

### Survey of MGT 472 – Operations Management Course Preparation

[REDACTED] team leader for MGT 472, was present to take part in the discussion on the survey asking students to list the number of minutes spent outside class preparing for each of the course topics/assignments/projects. After discussion, with further explanation on the ultimate feedback to be gained from the survey, the committee felt the survey approved at the last meeting will not serve its intended purpose. Instead the following was approved by the committee: (1) this

quadmester additional questions will be included on the informal survey presently given to students at the end of the quadmester which will ask on average the number of hours they spend per week on projects outside of class time; if they are currently employed, the number of hours worked per week; if they are currently taking MGT 472 or have they already completed that class; and (2) next fall during each of the large MGT 472 lectures students will be asked to indicate the time they spent on assignments outside class that week. The committee felt collecting this information will prove valuable in assessing student work load in MGT 472.

On a motion made by [REDACTED] and seconded by [REDACTED] the Committee unanimously approved the Survey of MGT 472 – Operations Management Course Preparation proposal.

### **Undergraduate Elective Courses**

[REDACTED] led a discussion of the proposed undergraduate elective course changes. The following are proposals for approvals:

1. For Bachelor of Business Administration (BBA) in Finance, change the electives from:

“Electives: 15 credit hours

Professional Electives (Choose 5 undergraduate courses from ACC, MGT, CSC, ECO, FIN, IFS, MKT)”

To:

**Electives:                    15 credit hours**

ACC 215	Computerized Accounting
ACC 319	Managerial Accounting
ECO 307	The Global Economy
FIN 267	Personal Finance
FIN 352	Security Valuation
FIN 439	Behavioral Finance
MGT 300	Strategic Planning
MGT 313	Teams, Groups and Leadership
MKT 377	E-Commerce

On a motion made by [REDACTED] and seconded by [REDACTED] the Committee unanimously approved the changes of electives in Bachelor of Business Administration (BBA) in Finance.

2. For Bachelor of Business Administration (BBA) in Management, change the electives from:

“Electives: 15 credit hours

Professional Electives (Choose 5 undergraduate courses from ACC, MGT, CSC, ECO, FIN, IFS, MKT)”

To:

**Electives: 15 credit hours**

ACC 215	Computerized Accounting
ACC 319	Managerial Accounting
ECO 307	The Global Economy
FIN 267	Personal Finance
FIN 352	Security Valuation
FIN 439	Behavioral Finance
MGT 431	Project Management
MGT 445	Small Business Management
MKT 377	E-Commerce

On a motion made by [REDACTED] and seconded by [REDACTED] the Committee unanimously approved the changes of electives in Bachelor of Business Administration (BBA) in Management.

3. For Bachelor of Science in IT in Computer Science, change the electives from:

“Electives: 15 credit hours

Professional Electives (Choose 5 undergraduate courses from ACC, MGT, CSC, ECO, FIN, IFS, MKT)”

To:

**Electives: 15 credit hours**

CSC 365	Programming Hand Held Devices
CSC 368	Web Programming
CSC 417	Object-Oriented Programming
CSC 420	Image Processing
CSC 433	Information Retrieval
IFS 337	Principles of Decision Making
IFS 377	Data Mining
IFS 411	Cyber Security

On a motion made by [REDACTED] and seconded by [REDACTED] the Committee unanimously approved the changes of electives in Bachelor of Science in IT in Computer Science.

4. For Bachelor of Science in IT in Management Information Systems, change the electives from:

“Electives: 15 credit hours

Professional Electives (Choose 5 undergraduate courses from ACC, MGT, CSC, ECO, FIN, IFS, MKT)”

To:

**Electives:                    15 credit hours**

CSC 325	Operating Systems
CSC 327	Data Structure
CSC 332	Data Communication
CSC 417	Object-Oriented Programming
CSC 433	Information Retrieval
IFS 381	Business Process Management
IFS 439	Business Intelligence
IFS 444	Systems Analysis and Design

On a motion made by [REDACTED] and seconded by [REDACTED] the Committee unanimously approved the changes of electives in Bachelor of Science in IT in Management Information Systems.

The meeting adjourned at 12:11 p.m.

Si Tanka University has 21 graduate students in the Spring quadmester and the list of names is attached. Out of the 21 students, 10 have received bachelor's degrees from US colleges (7 from STU and 3 from other colleges) and 11 from international colleges. All international undergraduate transcripts have been evaluated by member organizations of AICE and NACES. Copies of their original and evaluated transcripts are attached.

For the undergraduate programs, Si Tanka University has revised its admissions policy that the University accepts attestations of high school graduation for admissions to the undergraduate programs (2016 – 2018 Catalog, p. 9 and p.44). Samples of signed attestations are attached. A revised copy of the STU catalog is included.

	Student ID#	Name (LAST, First name)	M/F	Degree-Major	Term/Year	StartDate	Undergraduate

## **PURPOSE OF EVALUATION:** Further Education

1. Bachelor of Science, 2002, awarded by Feng Chia University following the completion of a four-year program of study in the Department of Automatic Control Engineering – College of Information and Electrical Engineering and majoring in Automatic Control Engineering. Admission to this program of study follows graduation from a university-preparatory high school. It represents the equivalent of Bachelor of Science degree in Automatic Control Engineering from a regionally accredited institution in the United States.

2. The courses completed have been converted to U. S. semester credits and grades on the following pages (2-4). This is an evaluation of educational credentials from Taiwan in terms of U. S. equivalents. The number of credits accepted for transfer to a degree program in the United States may vary from those listed in this report, in accordance with the internal policies of the receiving institution

3. In summary, it is the judgment of International Evaluation Services that [REDACTED] has the equivalent of a Bachelor of Science degree in Automatic Control Engineering from a regionally accredited institution in the United States. This evaluation has been based on copies of the transcript and proof of graduation mentioned above submitted to our agency by the institution requesting this report. Finally, this evaluation is advisory and is not binding on anyone who uses it, it is true and correct to the best of our knowledge and belief.

4. The individual who has researched and prepared this report has had thirty-seven years of extensive experience including, the review, evaluation, and assignments of domestic and international transfer credits, and several publications, in the field of international educational evaluations. This experience has been gained as the Director of International Admissions at a major public university and as the Director of Graduate Admissions (for domestic and international students) at a major public college.

This is to certify that Mr. [REDACTED]  
son of [REDACTED]  
passed Bachelor of Pharmacy degree  
examination of this University, held in April, 2011 and that he was  
placed in FIRST CLASS.

He has satisfied all the requirements for the award of the degree.

Thank you for choosing World Education Services (WES).

The enclosed evaluation report (Ref: 2452573) was prepared with great care and reflects our best judgment of your educational qualifications. If you have any questions, please contact the Director of Evaluations in writing. To protect your privacy, we do not discuss evaluations over the telephone.

As you requested, your evaluation report and your verified transcripts have been sent to the recipient(s) listed below. Please note that WES sends transcripts only to educational institutions.

Your evaluation report and transcripts are stored at WES and are ready to be sent to any educational institution at anytime. To place future orders log on to our website <https://www.wes.org/appstatus/index.aspx>

Sincerely,

World Education Services

### U.S. EQUIVALENCY SUMMARY

Bachelor's degree from a regionally accredited institution

### CREDENTIAL ANALYSIS

- Credential Authentication:** Official transcripts were sent directly by the institution  
**Country:** India  
**Credential:** Bachelor of Pharmacy  
**Year:** 2011  
**Awarded by:** Jawaharlal Nehru Technological University, Hyderabad  
**Institution Status:** Accredited  
**Admission requirements:** High school graduation  
**Length of program:** Four years  
**Major/Specialization:** Pharmaceutical Sciences  
**U.S. Equivalency:** Bachelor's degree

## **PURPOSE OF EVALUATION:** Further Education

1. Bachelor of Pharmacy, 2011, awarded by Jawaharlal Nehru Technological University following the completion of a four-year program of study in Pharmaceutical Sciences. Admission to this course of study follows graduation from a university-preparatory high school. It represents the equivalent of a Bachelor of Pharmaceutical Sciences g from a regionally accredited institution in the United States.

2. The courses completed have been converted to U. S. semester credits and grades on the following pages (2-3). This is an evaluation of educational credentials from India in terms of U. S. equivalents. The number of credits accepted for transfer to a degree program in the United States may vary from those listed in this report, in accordance with the internal policies of the receiving institution.

3. In summary, it is the judgment of International Evaluation Services that [REDACTED] has the equivalent of a Bachelor of Pharmaceutical Sciences degree from a regionally accredited the United States. This evaluation has been based on copies of the original transcripts and degrees mentioned above and submitted to our agency by the institution requesting this report. Finally, this evaluation is advisory and is not binding on anyone who uses it; it is true and correct to the best of our knowledge and belief.

4. The individual who has researched and prepared this report has had thirty-seven years of extensive experience including the review, evaluation, and assignment of domestic and international transfer credits, and several publications, in the field of international educational evaluations. This experience has been gained as the Director of International Admissions - Educational Evaluations - at a major public university and as the Director of Graduate Admissions (for domestic and international students) at a major public college.

## **PURPOSE OF EVALUATION:** Further Education

1. Secondary School Certificate (SSC), 2003, awarded by the Board of Secondary Education, Andhra Pradesh following the completion of a two-year academic secondary school program at the St. Charles E. M. H. School, Chilkauluripet. It represents the equivalent of the completion of 10th grade education from a secondary school (High School)) in the United States.

2. Intermediate Certificate, 2005, awarded by the Board of Intermediate Education, Andhra Pradesh, A.P. – Hyderabad following the completion of an additional two of an academic secondary school program at the Vikas Mahila Junior College. It represents the equivalent of graduation from a university-preparatory school in the United States.

3. Bachelor of Pharmacy, 2009, awarded by the Acharya Nagarjuna University following the completion of a four-year program of stud, including a graduation research project, in Pharmaceutical Sciences. Admission to this course of study follows graduation from a university-preparatory high school. It represents the equivalent of a Bachelor of Pharmaceutical Sciences g from a regionally accredited institution in the United States.

4. The courses completed have been converted to U. S. semester credits and grades on the following pages (2-3). This is an evaluation of educational credentials from India in terms of U. S. equivalents. The number of credits accepted for transfer to a degree program in the United States may vary from those listed in this report, in accordance with the internal policies of the receiving institution.

5. In summary, it is the judgment of International Evaluation Services that [REDACTED] the equivalent of a Bachelor of Pharmaceutical Sciences degree from a regionally accredited the United States. This evaluation has been based on copies of the original transcripts and degrees mentioned above and submitted to our agency by the institution requesting this report. Finally, this evaluation is advisory and is not binding on anyone who uses it; it is true and correct to the best of our knowledge and belief.

6. The individual who has researched and prepared this report has had thirty-seven years of extensive experience including the review, evaluation, and assignment of domestic and international transfer credits, and several publications, in the field of international educational evaluations. This experience has been gained as the Director of International Admissions - Educational Evaluations - at a major public university and as the Director of Graduate Admissions (for domestic and international students) at a major public college.

Date - 31-7-2014

NAME OF APPLICANT	
ADDRESS OF APPLICANT	
UNIVERSITY OF CONFERRING DEGREE	GUJARAT UNIVERSITY, AHMEDABAD-380015, GUJARAT, INDIA.
INSTITUTE ATTENDED	GOVERNMENT ENGINEERING COLLEGE SECTOR-28, GANDHINAGAR - 382028 (GUJARAT) - INDIA.
ENGINEERING MAJOR	BIOMEDICAL ENGINEERING
MEDIUM OF INSTRUCTION	ENGLISH
DATE OF ENTRANCE	JULY 2006
DATE OF COMPLETION	JULY 2010

**COURSE DESCRIPTION**

**DURATION OF COURSE:** Four Years - Each year is divided into two semesters except the First year as under:

B.E. I	: First year
B.E. II	: Semester III & IV
B.E. III	: Semester V & VI
B.E. IV	: Semester VII & VIII

To become eligible for the award of the Degree of "BACHELOR OF ENGINEERING", a candidate is required to pass all the examinations of the all eight semesters mentioned above. To pass any semester examinations the candidate must pass all the subjects of the semester.

The passing criterion for each subject is:

- (i) 40% of full marks in each head of passing OR  
(ii) 45% of the total marks with 30% marks in each subject total, providing 30% of full marks in each head of passing.

\* **CLASS** is awarded on the basis of the aggregate marks obtained in the examinations of the Final Year as under:

Percentage of Marks	Corresponding Class for the Award of Degree
40%	Pass Class
45% or more	Second Class
58% or more	First Class
66% or more	Distinction

The details of subjects, teaching and examination scheme and the marks obtained by the applicant for all the semester of his/her degree course are described in the following pages.

## **PURPOSE OF EVALUATION:** Further Education

1. Secondary School Certificate, 2004, awarded by the Gujarat Secondary and Higher Secondary Board, Gandhinagar following the completion of a two-year academic secondary school program. It represents the equivalent of the completion of 10th grade education from a secondary school (High School) in the United States.

2. Higher Secondary Certificate Examination, 2006, awarded by the Gujarat Secondary and Higher Secondary Board, Gandhinagar following the completion of an academic secondary school program. It represents the equivalent of graduation from a university-preparatory school in the United States.

3. Bachelor of Engineering, 2010, awarded by Gujarat University following the completion of a four-year program of study, including a graduation project, in Biomedical Engineering at the Government Engineering College. Admission to this course of study follows graduation from a university-preparatory high school. It represents the equivalent of a Bachelor of Science degree in Biomedical Engineering from a regionally accredited institution in the United States.

4. The courses completed (see # 3) have been converted to U. S. semester credits and grades on the following pages (2-3). This is an evaluation of educational credentials from India in terms of U. S. equivalents. The number of credits accepted for transfer to a degree program in the United States may vary from those listed in this report, in accordance with the internal policies of the receiving institution.

5. In summary, it is the judgment of International Evaluation Services that [REDACTED] has the equivalent of a Bachelor of Science degree in Biomedical Engineering from a regionally accredited the United States. This evaluation has been based on copies of the original transcripts and degrees mentioned above and submitted to our agency by the institution requesting this report. Finally, this evaluation is advisory and is not binding on anyone who uses it; it is true and correct to the best of our knowledge and belief.

6. The individual who has researched and prepared this report has had thirty-seven years of extensive experience including the review, evaluation, and assignment of domestic and international transfer credits, and several publications, in the field of international educational evaluations. This experience has been gained as the Director of International Admissions - Educational Evaluations - at a major public university and as the Director of Graduate Admissions (for domestic and international students) at a major public college.

## **PURPOSE OF EVALUATION:** Further Education

1. Bachelor of Science, 1996, awarded by Soochow University following the completion of a two-year program of study in the Department of Microbiology – School of Science – and majoring in Microbiology. A bachelor's degree in Taiwan requires four-years of study. Ms. Wu completed her degree in two years as she transferred two years of study completed at Yuan Pei Technical College to Soochow University. Admission to this program of study follows graduation from a university-preparatory high school. It represents the equivalent of Bachelor of Science degree in Microbiology from a regionally accredited institution in the United States.

2. The courses completed have been converted to U. S. semester credits and grades on the following pages (2-3). This is an evaluation of educational credentials from Taiwan in terms of U. S. equivalents. The number of credits accepted for transfer to a degree program in the United States may vary from those listed in this report, in accordance with the internal policies of the receiving institution

3. In summary, it is the judgment of International Evaluation Services that [REDACTED] has the equivalent of a Bachelor of Science degree in Microbiology from a regionally accredited institution in the United States. This evaluation has been based on copies of the transcript and proof of graduation mentioned above submitted to our agency by the institution requesting this report. Finally, this evaluation is advisory and is not binding on anyone who uses it, it is true and correct to the best of our knowledge and belief.

4. The individual who has researched and prepared this report has had thirty-seven years of extensive experience including, the review, evaluation, and assignments of domestic and international transfer credits, and several publications, in the field of international educational evaluations. This experience has been gained as the Director of International Admissions at a major public university and as the Director of Graduate Admissions (for domestic and international students) at a major public college.
