Dear Director Mehojah:

Enclosed are the Department of Interior's Fiscal Year (FY) 2002 funds under Part C of the Individuals with Disabilities Education Act. The enclosed grant award is made with the continued understanding that the funds will be distributed to tribes, tribal organizations, or consortia on the reservations that are served by elementary and secondary schools for Indian children operated or funded by the Department of the Interior. These funds received by tribes, tribal organizations, or consortia must be used to assist States in child find, screening and other procedures for early identification of Indian children under three years of age and for parent training and may be used to provide early intervention services.

We appreciate your ongoing commitment to the provision of quality early intervention services to infants and toddlers with disabilities and their families.

Sincerely,

Stephanie S. Lee
