

September 20, 2002

Honorable Dennis P. Whalen
Executive Deputy Commissioner
Department of Health
Corning Tower, Room 1408
Rockefeller Empire State Plaza
Albany, New York 12237

Dear Commissioner Whalen:

We have determined that New York's application for Fiscal Year (FY) 2002 funds, under Part C of the Individuals with Disabilities Education Act (Part C), can be approved. Therefore, I am enclosing your State's Part C grant award.

The approval is based upon our receipt of your assurances for FY 2002. This includes the assurance from the Department of Health that the statewide system of early intervention services required by Part C and its implementing regulations is in effect.

Part III of the FY 2002 application for Part C funds requested updated information about each State's restricted indirect cost rate. Based on that form and attachments submitted, it is our understanding that the New York Department of Health has a restricted indirect cost rate of 5.6% that has been approved by your cognizant agency and is effective until 3/31/03. We expect to receive your next indirect cost rate proposal once your current approval expires or if your current rate changes for any reason.

The enclosed grant award for FY 2002 is made with the continued understanding that this Office may, from time to time, require clarification of information within your application and appendices, if necessary. These inquiries are needed to allow us to appropriately carry out our administrative responsibilities related to Part C.

We appreciate your ongoing commitment to the provision of quality early intervention services to infants and toddlers with disabilities and their families.

Sincerely,

Stephanie S. Lee
Director
Office of Special Education Programs
