UNITED STATES DEPARTMENT OF EDUCATION  
OFFICE OF SPECIAL EDUCATION AND REHABILITATIVE SERVICES

JUL - 1 2004

Honorable Tom Horne  
Superintendent of Public Instruction  
Arizona Department of Education  
1535 West Jefferson Street, Bin 2  
Phoenix, Arizona 85007-3280

Dear Superintendent Horne:

This is to inform you that we have approved Arizona's Eligibility Documents for Federal Fiscal Year (FFY) 2004 under Part B of the Individuals with Disabilities Education Act (IDEA). Our determination that you are eligible for full approval is based on our review and acceptance of the documents submitted by Arizona to the Office of Special Education Programs (OSEP) on December 11, 2003 in response to OSEP's July 1, 2003 issues chart.

Please note that as part of your Eligibility Documents for FFY 2004, your State has made an assurance, under 34 CFR §80.11(c), that it will comply with all applicable Federal statutes and regulations in effect with respect to the periods for which it receives grant funding. Any changes made by the State, after OSEP approval, to information that is a part of a State's eligibility documentation, must meet the public participation requirements of IDEA and must be approved by OSEP before implementation.

I would like to remind you of the post-approval notification provision in 34 CFR §300.284, which requires your Department to "give notice in newspapers or other media, or both, that the policies and procedures are approved. The notice must name places throughout the State where the policies and procedures are available for access by any interested person." Once the notice has been published, a copy should be submitted to the OSEP.

Enclosed are grant awards for funds currently available under the Department of Education FFY 2004 Appropriations Act for the Part B Section 611 (Grants to States) and Section 619 (Preschool Grants) programs. These funds are for use primarily in school year 2004-2005 and are available for obligation by States from July 1, 2004 through September 30, 2006.

The amount in your award for Section 619 represents the full amount of funds to which you are entitled. However, the amount shown in your award for the Section 611 program is only part of the total funds that will be awarded to you for FFY 2004. Of the \$10,068,106,452 appropriated for Section 611 in FFY 2004, \$4,655,106,452 is available for awards on July 1, 2004, and \$5,413,000,000 will be available on October 1, 2004.

The funding formula under Section 611 is the same as the formula implemented for FFY 2000. Subject to certain maximum and minimum funding requirements, State allocations are based on

the amount that each State received from FFY 1999 funds, the general population in the age range for which each State ensures a free appropriate public education (FAPE) to all children with disabilities, and the number of children living in poverty in the age range for which each State ensures FAPE to all children with disabilities.

Enclosure A provides a short description of how Section 611 funds were allocated and how those funds can be used. In addition, Table I in Enclosure A shows funding levels for distribution of Section 611 funds.

Enclosure B provides a short description of how Section 619 funds were allocated and how those funds can be used. In addition, Table II in Enclosure B shows State-by-State funding levels for distribution of Section 619 funds.

Section 604 of the IDEA provides that “[a] State shall not be immune under the eleventh amendment to the Constitution of the United States from suit in Federal court for a violation of this Act.” Therefore, by accepting this grant a State is expressly agreeing to a waiver of Eleventh Amendment immunity as a condition of IDEA funding.

We appreciate your ongoing commitment to the provision of quality educational services to children with disabilities.

Sincerely,

Stephanie Smith Lee  
Director  
Office of Special Education Programs
