UNITED STATES DEPARTMENT OF EDUCATION  
OFFICE OF SPECIAL EDUCATION AND REHABILITATIVE SERVICES

JUL - 1 2004

Honorable Brian W. Amy, M.D.  
State Health Officer  
Mississippi Department of Health  
570 East Woodrow Wilson  
P.O. Box 1700  
Jackson, Mississippi 39215-1700

Dear Dr. Amy:

We have determined that your State's application for Federal Fiscal Year (FFY) 2004, under Part C of the Individuals with Disabilities Education Act (Part C), can be conditionally approved. Therefore, I am enclosing your State's Part C grant award.

The conditional approval is based on our review and acceptance of the Mississippi Department of Health (MSDH) Part C application for FFY 2004, including:

1. those portions of the State's existing Part C application on file with the Secretary that remain in effect;
2. the assurance from MSDH that the statewide system of early intervention services required by Part C and its implementing regulations is in effect; and
3. the State's May 5, 2004 signed assurance that it will: (a) as soon as possible, but no later than May 31, 2005, submit to the Office of Special Education Programs the final revised and signed interagency agreement between MSDH and the Mississippi Department of Education that meets the requirements of 34 CFR §§303.148, 303.523 through 303.525, and any other Part C requirements addressed by the agreement; (b) ensure compliance in the interim (through the FFY 2004 year) with Part C regulations, including 34 CFR §303.148; and (c) submit documentation that MSDH has met all of the public participation requirements of 34 CFR §303.110 through 303.113 with regard to the interagency agreement.

This year, a number of States have either established systems of payments or are considering establishing or revising their systems of payments. Under 34 CFR §303.173(a), each State's Part C application must include the State's policies and procedures that identify: (1) how it will pay for early intervention services (under 34 CFR §303.520(a)); (2) any system of payments that the State chooses to establish (under 34 CFR §303.521(a)); and (3) all funding sources (under 34 CFR §303.522). Although a State is not required under Part C to access public and private insurance available to a family, if a State requires parents under Part C to access their public and/or private insurance, the State must include this information in its Part C application as well

Page 2 – Honorable Brian Amy

as an assurance, under 34 CFR §303.520(b)(3)(ii), that the inability of a parent to pay will not result in the denial of any service under Part C.

States must ensure that all of the functions and early intervention services under 34 CFR §303.521(b) are carried out at public expense (i.e., no cost to the family). Additionally, under 34 CFR §303.521(c), States that provide children with disabilities under age 3 with a free appropriate public education (FAPE) under State law (i.e., birth-mandate States) must ensure that no fees are charged for the FAPE services provided to these children and their families. If a State has a system of payments under 34 CFR §303.521(a), any parent fees collected (for co-payments or other fees for services charged and received by the State's Part C program) are "program income" under 34 CFR §80.25. Program income is not included as part of total "State and local expenditures" for purposes of a State's meeting the non-supplanting requirements under Part C at 20 U.S.C. §1437(b)(5)(B) and 34 CFR §303.124.

Section I.C of the FFY 2004 Application for Part C funds requested updated information about each State's restricted indirect cost rate. You are not charging indirect costs to the Part C program. By accepting Part C grant funds, your agency (as the Lead Agency designated under Part C) is agreeing not to charge indirect costs to the Part C program throughout the FFY 2004 grant year.

The enclosed grant award for FFY 2004 is made with the continued understanding that this Office may, from time to time, require clarification of information within your application and appendices, if necessary. These inquiries are needed to allow us to appropriately carry out our administrative responsibilities related to Part C.

Section 604 of the IDEA provides that "[a] State shall not be immune under the eleventh amendment to the Constitution of the United States from suit in Federal court for a violation of this Act." Therefore, by accepting this grant a State is expressly agreeing to a waiver of Eleventh Amendment immunity as a condition of IDEA funding.

We appreciate your ongoing commitment to the provision of quality early intervention services to infants and toddlers with disabilities and their families.

Sincerely,

Stephanie Smith Lee  
Director  
Office of Special Education Programs

Enclosure
