Honorable Peter H. O'Meara
Commissioner
Department of Mental Retardation
DMR Central
460 Capitol Avenue
Hartford, Connecticut 06106-1630

Dear Commissioner O'Meara:

This is to inform you that we have conditionally approved Connecticut’s Application, including policies, procedures, methods, descriptions, assurances and certifications for Federal Fiscal Year (FFY) 2005 under Part C of the Individuals with Disabilities Education Act (IDEA). Our determination that you are eligible for a conditional approval is based on our receipt of the Part C Application for FFY 2005, including the policies, procedures, methods, descriptions, assurances, certifications, and submission statement submitted on April 21, 2005 and amended on June 14, 2005 (Descriptions) by the Connecticut Department of Mental Retardation to the U.S. Department of Education, Office of Special Education Programs (OSEP), in which it assures that it will:

1. Operate consistent with the Part C requirements of PL 108-446 and its applicable regulations;
2. Ensure that the Statewide system of early intervention services required by Part C and its implementing regulations is in effect throughout the FFY 2005 grant period; and
3. Make such changes to, and submit for OSEP’s approval, existing policies, procedures, methods, and descriptions as are necessary to bring those policies, procedures, methods and descriptions into compliance with the requirements of Part C of the IDEA, as amended, as soon as possible, and not later than the earlier of the date indicated by the State in Section 11 of its application or July 1, 2006. Section II of the State’s application (which is incorporated by reference and enclosed with this grant letter) identifies the IDEA statutory sections for which the State needs to amend policies, procedures, methods and descriptions and the timelines by which the State will amend its policies, procedures, methods and descriptions in order to comply with Part C of the IDEA. Within Section II, the State has included the date by which it expects to complete necessary changes associated with any policies, procedures, methods and descriptions that are not yet in compliance with the requirements of Part C of the IDEA, as amended.

The conditional approval for the State’s FFY 2005 Part C grant is also based on the State’s assurance dated June 27, 2005 that the State will by June 30, 2006:

1. Delete the following language, “if such proceeding, including the mailing of the written decision, cannot be completed within 30 days of the initial written request, an extension may be granted by the impartial decision maker at the request of either party,” from the State of Connecticut Regulations in Sec. 17a-248-9(d), and submit the revised provision to OSEP;
2. Ensure compliance in the interim with the Part C requirement at 20 U.S.C. 1439 and 34 CFR §303.423(b), including sending a memorandum to all agencies and providers that are part of the State’s Part C early intervention system to inform them that extensions of the 30-day timeline are not permitted under Part C when resolving due process hearing complaints in the provision of early intervention services in the State; and
3. Ensure that the State-wide system of early intervention required by Part C of IDEA found at 20 U.S.C. 1431-1443 and its applicable implementing regulations will be in effect throughout the FFY 2005 grant period.

Please note that as part of your State's Application for FFY 2005, your State has made an assurance, under 34 CFR §80.11(c), that it will comply with all applicable Federal statutes and regulations in effect with respect to the FFY 2005 grant period. Any changes made by the State, after OSEP approval, to the State's Part C application (including policies, procedures, descriptions and methods), must meet the public participation requirements of IDEA, including those in 20 U.S.C. 1232d(b)(7).

Section IV.B of the FFY 2005 application for Part C funds requested updated information about each State's restricted indirect cost rate. Our records indicate that your agency has a restricted indirect cost rate proposal that has been approved by your cognizant agency and is effective until June 30, 2006. Section IV.B of your State's Part C Application indicates that your agency will continue to apply the currently approved restricted indirect cost rate throughout the FFY 2005 grant year until a new rate is negotiated and approved by the State's cognizant Federal agency. Please forward to us any revisions to your restricted indirect cost rate or cost allocation plan once it is approved by your cognizant agency.

The enclosed grant award for FFY 2005 is made with the continued understanding that this Office may, from time to time, require clarification of information within your application and appendices, if necessary. These inquiries are needed to allow us to appropriately carry out our administrative responsibilities related to Part C.

Section 604 of the IDEA provides that "[a] State shall not be immune under the eleventh amendment to the Constitution of the United States from suit in Federal court for a violation of this Act." Therefore, by accepting this grant a State is expressly agreeing to a waiver of Eleventh Amendment immunity as a condition of IDEA funding.

We appreciate your ongoing commitment to the provision of quality early intervention services to infants and toddlers with disabilities and their families.

Sincerely,

Troy R. Justesen
Acting Director
Office of Special Education Programs
