

UNITED STATES DEPARTMENT OF EDUCATION
OFFICE OF SPECIAL EDUCATION AND REHABILITATIVE SERVICES

JUL - 6 2005

Honorable Brent Sherard
Director
Department of Health
2300 Capitol Ave, Room 117
Hathaway Building
Cheyenne, WY 82002

Dear Director Sherard:

This is to inform you that we have conditionally approved Wyoming's Application, including policies, procedures, methods, descriptions, assurances and certifications for Federal Fiscal Year (FFY) 2005 under Part C of the Individuals with Disabilities Education Act (IDEA). Our determination that you are eligible for a conditional approval is based on our receipt of the Part C Application for FFY 2005, including the policies, procedures, methods, descriptions, assurances, certifications, and submission statement submitted on May 9, 2005, and amended on June 29, 2005 by the Department of Health to the U.S. Department of Education, Office of Special Education Programs (OSEP), in which it assures that it will:

1. Operate consistent with the Part C requirements of PL 108-446 and its applicable regulations;
2. Ensure that the Statewide system of early intervention services required by Part C and its implementing regulations is in effect throughout the FFY 2005 grant period; and
3. Make such changes to, and submit for OSEP's approval, existing policies, procedures, methods, and descriptions as are necessary to bring those policies, procedures, methods and descriptions into compliance with the requirements of Part C of the IDEA, as amended, as soon as possible, and not later than the earlier of the date indicated by the State in Section II of its application or July 1, 2006. Section II of the State's application (which is incorporated by reference and enclosed with this grant letter) identifies the IDEA statutory sections for which the State needs to amend policies, procedures, methods and descriptions and the timelines by which the State will amend its policies, procedures, methods and descriptions in order to comply with Part C of the IDEA. Within Section II, the State has included the date by which it expects to complete necessary changes associated with any policies, procedures, methods and descriptions that are not yet in compliance with the requirements of Part C of the IDEA, as amended.

Please note that as part of your State's Application for FFY 2005, your State has made an assurance, under 34 CFR §80.11(c), that it will comply with all applicable Federal statutes and regulations in effect with respect to the FFY 2005 grant period. Any changes made by the State, after OSEP approval, to the State's Part C application (including policies, procedures, descriptions and methods) must meet the public participation requirements of IDEA, including those in 20 U.S.C. 1232d(b)(7).

Section IV.B of the FFY 2005 application for Part C funds requested updated information about each State's restricted indirect cost rate. Our records indicate that your agency is not charging indirect costs to the Part C program. By accepting Part C grant funds, your agency (as the lead agency designated under Part C) is agreeing not to charge indirect costs to the Part C program throughout the FFY 2005 grant year.

By letter dated July 1, 2004, this office awarded Wyoming's Department of Health (WYDH) a conditional grant under Part C of the Individuals with Disabilities Education Act for FFY 2004. The State has satisfied the conditions of its FFY 2004 conditional approval by submitting the following: (1) a revised Application dated June 1, 2005 with changes specified in OSEP's June 17, 2004 Memorandum to comply with the Part C requirements, at 34 CFR §§303.404, 303.406, and 303.510-512; (2) a copy of memoranda dated June 15, 2004 and August 25, 2004 notifying all agencies and providers that are part of the State's Part C early intervention system of changes (including the changes identified in (1) above and OSEP's June 17, 2004 memo to the State) that impact on the provision of services under Part C; (3) documentation dated July 23, 2004 that the State incorporated all of the IDEA Part C regulations at 34 CFR Part 303 as its State's rules (previously dated June 1997) governing services for infants and toddlers birth to two years of age with disabilities and their families.

The enclosed grant award for FFY 2005 is made with the continued understanding that this Office may, from time to time, require clarification of information within your application and appendices, if necessary. These inquiries are needed to allow us to appropriately carry out our administrative responsibilities related to Part C.

Section 604 of the IDEA provides that "[a] State shall not be immune under the eleventh amendment to the Constitution of the United States from suit in Federal court for a violation of this Act." Therefore, by accepting this grant a State is expressly agreeing to a waiver of Eleventh Amendment immunity as a condition of IDEA funding.

We appreciate your ongoing commitment to the provision of quality early intervention services to infants and toddlers with disabilities and their families.

Sincerely,

Troy R. Justesen
Acting Director
Office of Special Education
Programs
