

UNITED STATES DEPARTMENT OF EDUCATION
OFFICE OF SPECIAL EDUCATION AND REHABILITATIVE SERVICES

JUL - 2 2007

Honorable Peter O'Meara
Commissioner
Department of Mental Retardation
DMR Central
460 Capital Avenue
Hartford, Connecticut 06106

Dear Commissioner O'Meara:

We have determined that your State's application for Federal Fiscal Year (FFY) 2007 funds, under Part C of the Individuals with Disabilities Education Act (IDEA), can be approved. The approval is based upon our review of the application including the policies, procedures, methods, descriptions, assurances, certifications and submission statement provided in Section II which are incorporated by reference to this letter as noted in Enclosure A. This includes the assurance from the Connecticut Department of Mental Retardation that the Statewide system of early intervention services required by Part C under 20 U.S.C. 1431 through 1444 and applicable regulations in 34 CFR Part 303 is, and will remain, in effect throughout the FFY 2007 grant period.

Enclosed is the State's grant award for funds currently available under the Department of Education FFY 2007 Appropriations Act for the Part C program. These funds are available for obligation by States from the effective date of this grant award (no earlier than July 1, 2007) through September 30, 2009.

The enclosed grant award for FFY 2007 is made with the continued understanding that this Office may, from time to time, require clarification of information within your application, if necessary. These inquiries are needed to allow us to appropriately carry out our administrative responsibilities related to Part C.

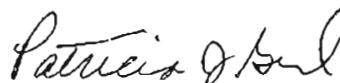

Please note that as part of your State's application for FFY 2007, your State has made an assurance, in 34 CFR §80.11(c), that it will comply with all applicable Federal statutes and regulations in effect with respect to the FFY 2007 grant period. Any changes made by the State to its FFY 2007 application or Part C policies or procedures that are application requirements, after issuance of this grant award, must meet the applicable public participation requirements under Part C of the IDEA in 34 CFR §§303.110 through 303.113 and if they are requirements under Section II.A must be submitted to, and approved by, the Office of Special Education Programs prior to the State's implementation of its new or revised application, policies and procedures.

Your agency has a final restricted indirect cost rate that has a restricted rate of 2% that has been approved by your agency's cognizant Federal agency and is effective until June 30, 2011. Section IV.B of your State's Part C Application indicates that your agency will continue to apply the currently approved restricted indirect cost rate throughout the FFY 2007 grant year.

Section 604 of the IDEA provides that "[a] State shall not be immune under the eleventh amendment to the Constitution of the United States from suit in Federal court for a violation of this Act." Section 606 provides that each recipient of assistance under IDEA make positive efforts to employ and advance in employment qualified individuals with disabilities in programs assisted under the IDEA. Therefore, by accepting this grant a State is expressly agreeing as a condition of IDEA funding to a waiver of Eleventh Amendment immunity and to ensuring that positive efforts are made to employ and advance employment of qualified individuals with disabilities in programs assisted under the IDEA.

We appreciate your ongoing commitment to the provision of quality early intervention services to infants and toddlers with disabilities and their families.

Sincerely,

Patricia J. Guard
Acting Director
Office of Special Education Programs
