Honororable Brian W. Amy  
State Health Officer  
Mississippi Department of Health  
570 East Woodrow Wilson Boulevard  
P.O. Box 1700  
Jackson, Mississippi 39215-1700

Dear Dr. Amy:

This is to inform you that we have conditionally approved Mississippi’s Application for Federal Fiscal Year (FFY) 2007 under Part C of the Individuals with Disabilities Education Act (IDEA). Our conditional approval is based on review of the application submitted by the Mississippi Department of Health (MDH) to the U.S. Department of Education, Office of Special Education Programs (OSEP), on April 19, 2007, including policies, procedures, methods, descriptions, assurances, certifications, and submission statement provided in Section II, and incorporated by reference to this letter as noted in Enclosure A. In addition, the State provided the following specific assurances that it will:

1. Operate consistent with the Part C requirements in 20 U.S.C. 1431 through 1444 and applicable regulations in 34 CFR Part 303;

2. Ensure that the Statewide system of early intervention services required by Part C and its implementing regulations is in effect throughout the FFY 2007 grant period; and

3. Make such changes to, and submit, as necessary, for OSEP’s approval, the State’s policies, procedures, methods, and descriptions as are necessary to bring those policies, procedures, methods and descriptions into compliance with the requirements of Part C of the IDEA, as amended, as soon as possible, and not later than the earlier of the date indicated by the State in Section II of its application or June 30, 2008. Section II of the State’s application identifies the IDEA statutory sections for which the State needs to amend any policies, procedures, methods and descriptions and the timelines by which the State will amend its policies, procedures, methods and descriptions in order to comply with Part C of the IDEA. Within Section II, the State has included the date by which it expects to complete necessary changes associated with any policies, procedures, methods and descriptions that are not yet in compliance with the requirements of Part C of the IDEA, as amended.

The Mississippi FFY 2007 IDEA Part C grant award is being released subject to FFY 2007 Special Conditions, as set forth in Enclosure B, that are being imposed pursuant to the Department’s authority in 34 CFR §80.12. Specifically, OSEP determined that Mississippi was not ensuring: (1) that all infants and toddlers referred to Part C have evaluations and assessments and an initial Individualized Family Service Plan (IFSP) meeting within 45 days of referral to the early intervention program as required by 34 CFR §§303.321(e)(2), 303.322(e)(1), and 303.342(a); (2) the timely provision of all early intervention services listed on the IFSP for which parental consent
has been obtained as required by 34 CFR §303.342(c); and (3) the timely correction of identified noncompliance as required by 34 CFR §303.501(b).

Mississippi's FFY 2006 Part C grant award also contained Special Conditions regarding these requirements. Because Mississippi did not meet those Special Conditions, the Department is imposing Special Conditions on Mississippi's FFY 2007 grant award under Part C. The reasons for doing so and the specific conditions are detailed in Enclosure B, which is incorporated into the terms of this grant letter. Mississippi must administer the award both in keeping with applicable provisions of Federal law and regulations and the Special Conditions attached to the grant award document. Acceptance by Mississippi of this grant award constitutes an agreement by the State to comply with the Special Conditions, which require a Progress Report on February 1, 2008 and a final Progress Report on June 1, 2008.

Enclosed is the State's grant award for funds currently available under the Department of Education FFY 2007 Appropriations Act for the Part C program. These funds are available for obligation by States from July 1, 2007 through September 30, 2009.

The enclosed grant award for FFY 2007 is made with the continued understanding that this Office may, from time to time, require clarification of information within your application, if necessary. These inquiries are needed to allow us to appropriately carry out our administrative responsibilities related to Part C.

Please note that as part of your State's application for FFY 2007, your State has made an assurance, in 34 CFR §80.11(c), that it will comply with all applicable Federal statutes and regulations in effect with respect to the FFY 2007 grant period. Any changes made by the State to its FFY 2007 application or Part C policies or procedures that are application requirements, after issuance of this grant award, must meet the applicable public participation requirements under Part C of the IDEA in 34 CFR §§303.110 through 303.113 and if they are requirements under Section II.A must be submitted to, and approved by, OSEP prior to the State's implementation of its new or revised application, policies and procedures.

Section IV.B of the FFY 2007 application for Part C funds requested updated information about each State's restricted indirect cost rate. MDH indicated in Section IV.B of its April 19, 2007 Part C FFY 2007 Application submission that it would bill the Part C grant based on its previously approved restricted indirect cost rate of 11.8%. However, on June 22, 2007, MDH staff spoke with the Department's Indirect Cost Unit staff and agreed to recommend a restricted indirect cost rate for FFYs 2007 and 2008 of 14% of direct salaries and wages and related fringe benefits. OSEP assumes that MDH will bill its FFY 2007 Part C grant with the June 22, 2007 proposed rate until a final restricted indirect cost rate is approved, which may result in an adjustment of the final audited expenditures allowable to be charged to the Part C grant. The Department's issuance of this FFY 2007 grant award does not constitute approval of the proposed rate as the final rate for the lead agency for the FFY 2007 period. When a final restricted indirect cost rate is approved, the lead agency must submit to OSEP: (1) a copy of the "final" restricted indirect cost rate agreement; and (2) details of adjustments made to past GAPs draw downs in light of the "final" rate.

Section 604 of the IDEA provides that "[a] State shall not be immune under the eleventh amendment to the Constitution of the United States from suit in Federal court for a violation of
this Act.” Section 606 provides that each recipient of assistance under IDEA make positive efforts to employ and advance in employment qualified individuals with disabilities in programs assisted under the IDEA. Therefore, by accepting this grant Mississippi is expressly agreeing as a condition of IDEA funding to a waiver of Eleventh Amendment immunity and to ensuring that positive efforts are made to employ and advance employment of qualified individuals with disabilities in programs assisted under the IDEA.

We appreciate your ongoing commitment to the provision of quality early intervention services to infants and toddlers with disabilities and their families.

Sincerely,

[Signature]

Patricia J. Guard
Acting Director
Office of Special Education Programs
