

UNITED STATES DEPARTMENT OF EDUCATION  
OFFICE OF SPECIAL EDUCATION AND REHABILITATIVE SERVICES

JUL - 1 2009

Honorable Joseph Chiaro  
Deputy Secretary for Children's Medical Services.  
Florida Department of Health  
4052 Bald Cypress Way  
Tallahassee, Florida 32399-1707

Dear Deputy Secretary Chiaro:

This is to inform you that we have conditionally approved Florida's application for Federal Fiscal Year (FFY) 2009 funds under Part C of the Individuals with Disabilities Education Act (IDEA or Part C). Our conditional approval is based on our review of the application submitted by the Florida Department of Health (FDOH) to the U.S. Department of Education, Office of Special Education Programs (OSEP), on May 14, 2009 and June 25, 2009, including policies, procedures, methods, descriptions, assurances, certifications, and submission statement provided in Section II, which is incorporated by reference to this letter as Enclosure A and specifically only those policies and procedures submitted under Section II.A of the State's FFY 2009 application. OSEP will review and respond under separate cover to any other policies and procedures that FDOH submitted and requested OSEP review for technical assistance and guidance. In addition, the State provided the following specific assurances that it will:

1. Operate consistently with the Part C requirements in 20 U.S.C. 1431 through 1444 and applicable regulations in 34 CFR Part 303;
2. Ensure that the statewide system of early intervention services required by Part C and its implementing regulations is in effect throughout the FFY 2009 grant period; and
3. Make such changes to, and submit, as necessary, for OSEP's approval, the State's policies, procedures, methods, and descriptions as are necessary to bring those policies, procedures, methods and descriptions into compliance with the requirements of Part C of the IDEA, and applicable regulations, as soon as possible, and not later than the earlier of the date indicated by the State in Section II of its application or June 30, 2010. Section II of the State's application identifies the IDEA requirements for which the State needs to amend any policies, procedures, methods and descriptions and the timelines by which the State will amend its policies, procedures, methods and descriptions in order to comply with Part C and applicable regulations. Within Section II, the State has included for each requirement that it cannot meet at this time, the date by which it expects to complete necessary changes associated with any policies, procedures, methods and descriptions that are not yet in compliance with the requirements of Part C and applicable regulations.

The conditional approval for Florida's FFY 2009 Part C grant is also based on the State's assurance, dated June 24, 2009 from the Florida Department of Health, in which it specifically assured that the State shall:

1. Submit to OSEP by September 30, 2009 FDOH's revised Policy Handbook sections and any other policies and procedures referenced in OSEP's June 19, 2009 Memorandum to FDOH to address the ten issues identified in that Memorandum to be consistent with the

requirements of Part C of the IDEA in 20 U.S.C. §§1402(1)(B), 1432(4)(B), 1432(4)(C), 1432(5)(A)(i), 1436(a)(3), 1437(a)(7), 1437(a)(9)(A)(i) and 1438(3), and 34 CFR §§303.4, 303.148(a), 303.300(a), 303.322(c)(3)(ii), 303.520(b)(1)-(4) and (c) and 303.521(b);

2. Ensure compliance, in the interim, with the following Part C requirements: 20 U.S.C. §§1402(1)(B), 1432(4)(B), 1432(4)(C), 1432(5)(A)(i), 1436(a)(3), 1437(a)(7), 1437(a)(9)(A)(i) and 1438(3), and 34 CFR §§303.4, 303.148(a), 303.300(a), 303.322(c)(3)(ii), 303.520(b)(1)-(4) and (c) and 303.521(b), including sending a memorandum to all early intervention service (EIS) programs and EIS providers that are part of the Florida's Part C early intervention system to inform them of changes that impact the provision of early intervention services in Florida (as identified in OSEP's June 19, 2009 Memorandum) and providing OSEP with a copy of that memorandum as soon as possible but not later than August 1, 2009; and
3. Ensure that the statewide system of early intervention required by Part C of IDEA at 20 U.S.C. §§1431-1444 and applicable regulations in 34 CFR Part 303 will be in effect throughout the FFY 2009 grant period.

Please note that as part of your State's application for FFY 2009, your State has made an assurance, pursuant to 34 CFR §80.11(c), that it will comply with all applicable Federal statutes and regulations in effect with respect to the FFY 2009 grant period. Any changes made by the State to its FFY 2009 application or Part C policies or procedures that are application requirements, after OSEP approval, must meet the applicable public participation requirements under Part C in 34 CFR §§303.110 through 303.113 and, if they are requirements under Section II.A, must also be submitted to, and approved by, OSEP prior to the State's implementation of its new or revised application, policies and procedures.

Enclosed is the State's regular grant award for funds currently available under the Omnibus Appropriations Act, 2009 for the Part C program. These funds are for use primarily in 2009-2010 and are available for obligation by States from July 1, 2009 through September 30, 2011 in accordance with 34 CFR §76.709.

In addition to these regular FFY 2009 Part C funds, the American Recovery and Reinvestment Act of 2009 (ARRA) provided a one-time large increment in IDEA Part C funding. The ARRA IDEA Part C grants are a supplemental appropriation to the regular IDEA Part C appropriation. The first 50 percent of the ARRA IDEA Part C funds were awarded to States on April 1, 2009 and the second 50 percent will be available to States by September 30, 2009. Please note that each State will be required to submit additional information that addresses how the State will meet the accountability and reporting requirements in section 1512 of the ARRA before it will be considered eligible to receive the second 50 percent of the ARRA funds. Together, a State's regular FFY 2009 IDEA funds and a State's ARRA IDEA Part C funds constitute a State's total FFY 2009 Part C allocation. Given the increased IDEA Part C FFY 2009 allocation to each State, States may wish to review carefully the guidance on the ARRA IDEA Part C grant awards, available at <http://www.ed.gov/fund/data/award/idea/arra/index.html>.

Section IV.B of the FFY 2009 application for Part C funds requested updated information about each State's restricted indirect cost rate. In section IV.B, your State indicated that FDOH is not

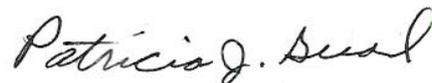

charging any indirect costs to IDEA Part C funds. By accepting the IDEA and ARRA Part C grant funds, your agency (as the lead agency designated under Part C) is agreeing not to charge indirect costs to the Part C program for all FFY 2009 Part C grant funds, including ARRA IDEA Part C funds.

Section 604 of the IDEA provides that “[a] State shall not be immune under the eleventh amendment to the Constitution of the United States from suit in Federal court for a violation of this Act.” Section 606 provides that each recipient of assistance under IDEA make positive efforts to employ and advance in employment qualified individuals with disabilities in programs assisted under the IDEA. Therefore, by accepting this grant a State is expressly agreeing as a condition of IDEA funding to a waiver of Eleventh Amendment immunity and to ensuring that positive efforts are made to employ and advance employment of qualified individuals with disabilities in programs assisted under the IDEA.

The enclosed grant award for FFY 2009 is made with the continued understanding that this Office may, from time to time, require clarification of information within your application, if necessary. These inquiries are needed to allow us to appropriately carry out our administrative responsibilities related to Part C.

We appreciate your ongoing commitment to the provision of quality early intervention services to infants and toddlers with disabilities and their families.

Sincerely,

Patricia J. Guard  
Acting Director  
Office of Special Education Programs
