Dear Dr. Wuori:

We have conditionally approved South Carolina's application for Federal Fiscal Year (FFY) 2010 funds under Part C of the Individuals with Disabilities Education Act (IDEA or Part C). The effective date of the grant is September 7, 2010. Our conditional approval is based on our review of the application and related documents submitted by South Carolina First Steps (First Steps) to the U.S. Department of Education, Office of Special Education Programs (OSEP), on May 19, 2010, July 7, 2010, and September 7, 2010, including the policies, procedures, methods, descriptions, assurances, and certifications identified in Section II, which is incorporated by reference to this letter as Enclosure A. In addition, the State provided the following specific assurances that it will:

1. Operate consistently with the Part C requirements in 20 U.S.C. 1431 through 1444 and applicable regulations in 34 CFR Part 303;
2. Ensure that the statewide system of early intervention services required by IDEA Part C and its implementing regulations is, and will remain, in effect throughout the FFY 2010 grant period; and
3. Make such changes to, and submit, as necessary, for OSEP's approval, the State's policies, procedures, methods, and descriptions as are necessary to bring those policies, procedures, methods and descriptions into compliance with the requirements of IDEA Part C, as soon as possible, and not later than the earlier of the date indicated by the State in Section II of its application or June 30, 2011. Within Section II of its application, the State has included for each requirement that it cannot meet at this time, the date by which it expects to complete necessary changes associated with any policies, procedures, methods, and descriptions that are not yet in compliance with the requirements of IDEA Part C.

The conditional approval for South Carolina's FFY 2010 Part C grant is also based on the State's assurance, dated September 7, 2010, from First Steps, in which the State specifically assured that it shall:

1. Make all changes necessary to the State's policies and procedures and complete all actions to address the four issues identified in OSEP's July 29, 2010 memorandum to comply with the IDEA Part C requirements in 34 CFR §§303.322, 303.342, 303.343, 303.344(d), 303.403(a), 303.520, and 303.521. First Steps must submit to OSEP the

new and/or revised policies and procedures as soon as they are finalized, but no later than October 31, 2010;

2. Ensure that, throughout the period that the State uses its FFY 2010 grant funds under IDEA Part C, all early intervention service programs and providers in the State will comply with all requirements of IDEA Part C, including the IDEA Part C requirements in 34 CFR §§303.322, 303.342, 303.343, 303.344(d), 303.403(a), 303.520, and 303.521;
3. Provide to OSEP, by September 1, 2010 a copy of the memorandum notifying all early intervention service programs and providers and parents that are part of the State's Part C early intervention system of any changes that affect the provision of early intervention services under Part C, including the IDEA Part C requirements in 34 CFR §§303.322, 303.342, 303.343, 303.344(d), 303.403(a), 303.520, and 303.521; and
4. Ensure that the statewide system of early intervention required by IDEA Part C in 20 U.S.C. 1431-1444 and applicable regulations in 34 CFR Part 303 will be in effect throughout the FFY 2010 grant period.

OSEP has reviewed, for consistency with the requirements under Section II.A of the FFY 2010 IDEA Part C application, and approved those South Carolina policies and procedures submitted on June 30, 2010 under Section II.A.1 through 5, 7, 10, 13, and 14 of the South Carolina's FFY 2010 IDEA Part C application, except for those policies and procedures identified as inconsistent with IDEA Part C requirements in OSEP's July 29, 2010 memorandum to First Steps. The State's July 7, 2010 grant submission also resolves the specific assurance in the State's FFY 2009 IDEA Part C grant letters dated July 1, 2009 and February 24, 2010.

South Carolina's IDEA Part C FFY 2010 grant award is being released subject to Special Conditions to ensure that the State timely corrects noncompliance as soon as possible, but in no case later than one year, from identification as required by IDEA section 635(a)(10)(A) and 34 CFR §303.501(b) and verifies timely correction of the noncompliance. The Special Conditions are set forth in Enclosure B, which is incorporated by this reference to South Carolina's FFY 2010 IDEA Part C grant funds and which are imposed pursuant to the Department's authority in IDEA sections 616(g) and 642 and 34 CFR §80.12. Acceptance by South Carolina of this grant award constitutes an agreement by the State to comply with the enclosed Special Conditions, which require progress reports on February 1, 2011 with the State's FFY 2009 Annual Performance Report, and May 2, 2011.

Please note that as part of your State's application for FFY 2010, your State has made an assurance, pursuant to 34 CFR §80.11(c), that it will comply with all applicable Federal statutes and regulations in effect during the FFY 2010 grant period. Before adopting a new or revised IDEA Part C policy or procedure that is required under Section II.A of the State's FFY 2010 application, the State must subject those policies and procedures to the public participation requirements in 34 CFR §§303.110 through 303.113 and receive OSEP approval for them prior to their implementation.

Enclosed is the State's FFY 2010 grant award for funds available under the Consolidated Appropriations Act, 2010 – P.L. 111-117 for the Part C program. These funds are available for obligation by States from July 1, 2010 through September 30, 2012 in accordance with 34 CFR §76.709.

Section IV.B of the FFY 2010 application for IDEA Part C funds requested updated information about each State's restricted indirect cost rate. South Carolina indicated that First Steps has a final restricted indirect cost rate agreement through the South Carolina Department of Education that has been approved by our Department's Indirect Cost Unit, which is First Steps' cognizant Federal agency and is effective until June 30, 2011. In Section IV.B, First Steps (as the lead agency designated under IDEA Part C) indicated that it will continue to apply the currently approved restricted indirect cost rate to its IDEA Part C FFY 2010 grant funds until a new restricted indirect cost rate agreement is negotiated and approved.

Section 604 of the IDEA provides that "[a] State shall not be immune under the 11th amendment to the Constitution of the United States from suit in Federal court for a violation of this [Act]." Section 606 provides that each recipient of assistance under IDEA make positive efforts to employ and advance in employment qualified individuals with disabilities in programs assisted under the IDEA. Therefore, by accepting this grant, your State is expressly agreeing as a condition of IDEA funding to a waiver of Eleventh Amendment immunity and to ensuring that positive efforts are made to employ and advance employment of qualified individuals with disabilities in programs assisted under the IDEA.

The enclosed grant award of FFY 2010 funds is made with the continued understanding that this Office may, from time to time, require clarification of information within your application, if necessary. These inquiries may be necessary needed to allow us to appropriately carry out our administrative responsibilities related to Part C.

We appreciate your ongoing commitment to the provision of quality early intervention services to infants and toddlers with disabilities and their families.

Sincerely,

Melody Musgrove, Ed.D.
