In addition, the State provided the following specific assurances that it will:

1. Operate consistently with the IDEA Part C requirements in 20 U.S.C. 1431 through 1444 and applicable regulations in 34 CFR Part 303;

Make such changes to, and submit, as necessary, for OSEP's approval, the State's policies, procedures, methods, and descriptions as are necessary to bring those policies, procedures, methods and descriptions into compliance with the requirements of IDEA Part C, as soon as possible, and not later than the earlier of the date indicated by the State in Section II of its application or June 30, 2012. Within Section II of its application, the State has included for each requirement that it cannot meet at this time, the date by which it expects to complete necessary changes associated with any policies, procedures, methods, and descriptions that are not yet in compliance with the requirements of IDEA Part C.

Please note that as part of your State's application for FFY 2011, your State has also made an assurance, pursuant to 34 CFR §80.11(c), that it will comply with all applicable Federal statutes and regulations in effect during the FFY 2011 grant period. Before adopting a new or revised IDEA Part C policy or procedure that is required under Section II.A of the State's FFY 2011 application, the State must subject those policies and procedures to the public participation requirements in 34 CFR §§303.110 through 303.113 and receive OSEP approval for them prior to their implementation.

Enclosed is the State's FFY 2011 grant award for funds currently available under the Department of Defense and Full-Year Continuing Appropriations Act, 2011 -- P.L. 112-10 for the IDEA Part C program. These funds are available for obligation by States from July 1, 2011 through September 30, 2013 in accordance with 34 CFR §76.709.

Section IV.B of the State FFY 2011 application for Part C funds requested updated information about each State's indirect costs. Your State indicated that WDOH is not charging and will not charge indirect costs to its IDEA Part C FFY 2011 grant. By accepting this IDEA Part C FFY 2011 grant, your agency (as the lead agency designated under Part C) is agreeing not to charge indirect costs to any funds awarded under this FFY 2011 Part C grant.

Section 604 of the IDEA provides that "[a] State shall not be immune under the 11th amendment to the Constitution of the United States from suit in Federal court for a violation of this [Act]." Section 606 provides that each recipient of assistance under IDEA make positive efforts to employ and advance in employment qualified individuals with disabilities in programs assisted under the IDEA. Therefore, by accepting this grant, your State is expressly agreeing as a condition of IDEA funding to a waiver of Eleventh Amendment immunity and to ensuring that positive efforts are made to employ and advance employment of qualified individuals with disabilities in programs assisted under the IDEA.
