Honorable Motusa Tuileama Nua
Director
American Samoa Department of Health
PO Box Department of Health
Government of American Samoa
Pago, Pago, AS 96799

Dear Director Nua:

We have conditionally approved American Samoa's application for Federal fiscal year (FFY) 2013 funds under Part C of the Individuals with Disabilities Education Act (IDEA Part C). Our conditional approval is based on our review of the IDEA Part C application, submitted by the American Samoa Department of Health (ASDOH) to the U.S. Department of Education, Office of Special Education Programs (OSEP), on April 29, 2013.

Our conditional approval of American Samoa's FFY 2013 IDEA Part C grant is also based on American Samoa's policies, procedures, methods, descriptions, assurances, and certifications identified in Section II.A., II.B, and II.C., which is incorporated by reference to this grant award letter as Enclosure A. Our approval is also based on American Samoa's certification in Section II.D of its FFY 2013 IDEA Part C application, in which section the State certifies under 34 CFR §76.104 that it will:

1. Operate throughout the period of the FFY 2013 grant award consistently with the requirements of the IDEA as found in 20 U.S.C. §§ 1431 through 1443 and the final regulations in 34 CFR Part 303 (as published on September 28, 2011); and
2. Make such changes to existing policies, procedures, methods, and descriptions as are necessary to bring those policies, procedures, methods and descriptions into compliance with the requirements of IDEA Part C, as soon as possible, and not later than the earlier of the date indicated by the State in Section II.A. or B of its application or June 30, 2014.

American Samoa's FFY 2010 IDEA Part C grant award is also being released subject to the fiscal Special Conditions regarding the Single Audit Act, which Special Conditions are identified in the enclosed U.S. Department of Education's June 17, 2013 letter to American Samoa (which is Enclosure B and incorporated by this reference to this grant letter). These Department-wide Special Conditions regarding the Single Audit Act, are imposed pursuant to the Department's authority in 34 CFR §80.12. By accepting the enclosed grant award, American Samoa agrees to comply with the Special Conditions identified in the Department's enclosed June 17, 2013 letter.

As part of American Samoa's application for FFY 2013, American Samoa has made an assurance, under Section II.C.2 of its FFY 2013 application and pursuant to 34 CFR §80.11(c), that it will comply with all applicable Federal statutes and regulations in effect during the FFY 2013 grant period.

Before adopting a new or revised IDEA Part C policy or procedure that is required under Part C of the IDEA or under the final regulations in 34 CFR Part 303, American Samoa must subject those policies and procedures to the public participation requirements in 34 CFR §303.208 and, for those policies and procedures specifically referenced in 34 CFR §303.101(c), receive OSEP approval prior to their implementation.

Enclosed is American Samoa's FFY 2013 grant award for funds currently available under the Consolidated and Further Continuing Appropriations Act, 2013 -- P.L. 113-6 for the IDEA Part C program. These funds are available for obligation by States from July 1, 2013 through September 30, 2015 in accordance with 34 CFR §76.709.

Section IV.B of the State FFY 2013 application for Part C funds requested updated information about each recipient's restricted indirect cost rate. American Samoa indicated in Section IV.B that ASDOH has a final restricted indirect cost rate agreement that has been approved by ASDOH's cognizant Federal agency and was effective until September 30, 2011. In Section IV.B, ASDOH (as the lead agency designated under Part C) indicated that it will continue to apply the currently approved restricted indirect cost rate to its IDEA Part C FFY 2013 grant funds until a new restricted indirect cost rate agreement is negotiated and approved by ASDOH's cognizant Federal agency.

Section 604 of the IDEA provides that "[a] State shall not be immune under the 11th amendment to the Constitution of the United States from suit in Federal court for a violation of this [Act]." Section 606 provides that each recipient of assistance under IDEA make positive efforts to employ and advance in employment qualified individuals with disabilities in programs assisted under the IDEA. Therefore, by accepting this grant, American Samoa is expressly agreeing as a condition of IDEA funding to a waiver of Eleventh Amendment immunity and to ensuring that positive efforts are made to employ and advance employment of qualified individuals with disabilities in programs assisted under the IDEA.

The enclosed grant award of FFY 2013 funds is made with the continued understanding that this Office may, from time to time, require clarification of information within your application, if necessary. These inquiries may be necessary to allow us to appropriately carry out our administrative responsibilities related to IDEA Part C.

As a reminder, all prime recipients of IDEA (Part B or Part C) funds, must report subaward information as required by the Federal Funding Accountability and Transparency Act of 2006 (FFATA), as amended in 2008. First-tier subaward information must be reported by the end of the following month from when the award was made or obligated. FFATA guidance is found at <http://www2.ed.gov/policy/gen/leg/recovery/rms-web-conferences.html>. Please contact your State's Fiscal Accountability Facilitators if you have further questions.

We appreciate your ongoing commitment to the provision of quality early intervention services to infants and toddlers with disabilities and their families.

Sincerely,
