OFFICE OF SPECIAL EDUCATION AND REHABILITATIVE
SERVICES

July 1, 2013

Honorable Rita Landgraf
Cabinet Secretary
Delaware Department of Health and Social Services
Herman Holloway, Administration Building
1901 North DuPont Highway
New Castle, Delaware 19720

Dear Secretary Landgraf:

We have conditionally approved Delaware's application for Federal fiscal year (FFY) 2013 funds under Part C of the Individuals with Disabilities Education Act (IDEA Part C). Our conditional approval is based on our review of the IDEA Part C application, submitted by the Department of Health and Social Services (DHSS) to the U.S. Department of Education, Office of Special Education Programs (OSEP), on April 3, 2013.

Our conditional approval of the State's FFY 2013 IDEA Part C grant is also based on the State's policies, procedures, methods, descriptions, assurances, and certifications identified in Section II.A., II.B., and II.C., which is incorporated by reference to this grant award letter as Enclosure A. Our approval is also based on the State's certification in Section II.D of its FFY 2013 IDEA Part C application, in which section the State certifies under 34 CFR §76.104 that it will:

1. Operate throughout the period of the FFY 2013 grant award consistently with the requirements of the IDEA as found in 20 U.S.C. §§1431 through 1443 and the final regulations in 34 CFR Part 303 (as published on September 28, 2011); and
2. Make such changes to existing policies, procedures, methods, and descriptions as are necessary to bring those policies, procedures, methods and descriptions into compliance with the requirements of IDEA Part C, as soon as possible, and not later than the earlier of the date indicated by the State in Section II.A. or B of its application or June 30, 2014.

OSEP's conditional approval of the State's FFY 2013 application is also based on our approval of the State's space occupancy request as a direct cost under Section IV.B of the FFY 2013 application, based on the information provided by the State in the April 2, 2013 email from the State to OSEP, and the explanation that such costs are consistent with the IDEA Part C nonsupplanting requirements in IDEA section 637(b)(5)(b) and 34 CFR §303.225.

As part of your State's application for FFY 2013, your State has made an assurance, under Section II.C.2 of its FFY 2013 application and pursuant to 34 CFR §80.11(c), that it will comply with all applicable Federal statutes and regulations in effect during the FFY 2013 grant period.

Before adopting a new or revised IDEA Part C policy or procedure that is required under Part C of the IDEA or under the final regulations in 34 CFR Part 303, the State must subject those policies and procedures to the public participation requirements in 34 CFR §303.208 and, for those policies and procedures specifically referenced in 34 CFR §303.101(c), receive OSEP approval prior to their implementation.

Enclosed is the State's FFY 2013 grant award for funds currently available under the Consolidated and Further Continuing Appropriations Act, 2013 -- P.L. 113-6 for the IDEA Part C program. These funds are available for obligation by States from July 1, 2013 through September 30, 2015 in accordance with 34 CFR §76.709.

Section IV.B of the State FFY 2013 application for Part C funds requested updated information about each State's restricted indirect cost rate. Your State indicated in Section IV.B that DHSS has a final restricted indirect cost rate agreement that has been approved by DHSS's cognizant Federal agency and is effective until December 31, 2013. In Section IV.B, your agency (as the lead agency designated under Part C) indicated that it will continue to apply the currently approved restricted indirect cost rate to its IDEA Part C FFY 2013 grant funds until a new restricted indirect cost rate agreement is negotiated and approved by DHSS's cognizant Federal agency.

Section 604 of the IDEA provides that "[a] State shall not be immune under the 11th amendment to the Constitution of the United States from suit in Federal court for a violation of this [Act]." Section 606 provides that each recipient of assistance under IDEA make positive efforts to employ and advance in employment qualified individuals with disabilities in programs assisted under the IDEA. Therefore, by accepting this grant, your State is expressly agreeing as a condition of IDEA funding to a waiver of Eleventh Amendment immunity and to ensuring that positive efforts are made to employ and advance employment of qualified individuals with disabilities in programs assisted under the IDEA.

The enclosed grant award of FFY 2013 funds is made with the continued understanding that this Office may, from time to time, require clarification of information within your application, if necessary. These inquiries may be necessary to allow us to appropriately carry out our administrative responsibilities related to IDEA Part C.

As a reminder, all prime recipients of IDEA (Part B or Part C) funds, must report subaward information as required by the Federal Funding Accountability and Transparency Act of 2006 (FFATA), as amended in 2008. First-tier subaward information must be reported by the end of the following month from when the award was made or obligated. FFATA guidance is found at <http://www2.ed.gov/policy/gen/leg/recovery/rms-web-conferences.html>. Please contact your State's Fiscal Accountability Facilitators if you have further questions.

We appreciate your ongoing commitment to the provision of quality early intervention services to infants and toddlers with disabilities and their families.

Sincerely,
