Honorable Sinton Soalablai
Minister of Education
Republic of Palau Ministry of Education
Post Office Box 6051
Koror, Republic of Palau 96940

Dear Minister Soalablai:

We have conditionally approved the Republic of Palau's (ROP) application for Federal fiscal year (FFY) 2017 funds under Part B of the Individuals with Disabilities Education Act (IDEA Part B). Our conditional approval is based on our review of the IDEA Part B application submitted by the ROP to the U.S. Department of Education (Department), Office of Special Education Programs (OSEP), on May 8, 2017, including the assurances provided in Section II and incorporated by reference to this letter as noted in Enclosure A.

In a memorandum dated April 28, 2017, the ROP provided a specific assurance that it will, consistent with existing practice; submit foreign travel requests to OSEP 60 days prior to the start of foreign travel using IDEA funds. The requests for foreign travel will include the following information: (1) Information related to the person(s) traveling, including name(s), job title(s), and relevant information related to job duties and role within the Freely Associated States (FAS); (2) a description of the destination and purpose of the travel, and any related supporting documentation (e.g., conference information, agendas); (3) a description of the travel costs, and any supporting documentation related to them (e.g., documents related to transportation, lodging, per diem costs); and (4) an explanation of how the travel enhances the FAS' capacity to provide a free and appropriate public education.

In addition, the ROP provided specific assurances that it will:

1. Operate throughout the period of the FFY 2017 grant award consistently with IDEA Part B and applicable regulations; and
2. Make such changes to existing policies and procedures as are necessary to bring those policies and procedures into compliance with the requirements of IDEA Part B as soon as possible, and not later than June 30, 2018. Within Section II of its application, the ROP has included, for each assurance it cannot meet at this time, the date by which it expects to complete necessary changes to any policies and procedures that are not yet in compliance with the requirements of IDEA Part B.

The ROP's FFY 2017 IDEA Part B grant award is being released subject to a Special Condition as set forth in Enclosure C pursuant to the Department's authority in section 616(g) of IDEA and 2 CFR §200.207. This special condition is imposed because the ROP does not have policies and procedures in effect that require that special education teachers hold at least a bachelor's degree, as required by section 612(a)(14)(C)(iii) of IDEA. The reasons for imposing this Special Condition and the nature of the Special Condition are detailed in Enclosure C. Acceptance by

the ROP of this grant award constitutes an agreement by the ROP to comply with the Special Condition.

Please note that as part of your application for FFY 2017, the ROP has made an assurance, pursuant to 34 CFR §76.104, that its application meets the requirements of IDEA Part B and that the ROP will operate its Part B program in accordance with all of the required assurances and certifications. Any changes made by the ROP, after OSEP approval, to information that is a part of the ROP's application, must meet the public participation requirements in 34 CFR §300.165.

Enclosed is the ROP's FFY 2017 grant award for funds currently available under the Consolidated Appropriations Act, 2017, P.L. 115-31, for the IDEA Part B Section 611 (Grants to States) program. These funds are available for obligation by States and entities from July 1, 2017 through September 30, 2019, in accordance with 34 CFR §76.709.

The amount shown in your award for the Section 611 program is only part of the total funds that will be awarded to you for FFY 2017. Of the \$12,002,848,000 appropriated for Section 611 in FFY 2017, \$2,719,465,000 is available for awards on July 1, 2017, and \$9,283,383,000 will be available for awards on October 1, 2017. Under the Section 611 formula, the Secretary reserves not more than one percent of the amount appropriated for FFY 2017 to provide each FAS grant in the amount that such FAS received in fiscal year 2003 under Part B of the IDEA.

Enclosure B provides a short description of how Section 611 funds were allocated and how those funds can be used. In addition, Table I in Enclosure B shows funding levels for distribution of Section 611 funds and the parameters for within-State allocations.

In Section V of its IDEA Part B application, pursuant to the authority in IDEA Section 618(a)(3), the ROP was required to submit data on the total amount of the ROP's financial support made available for special education and related services for children with disabilities in the ROP's State fiscal year SFY 2015 and SFY 2016. If OSEP receives information through audits, fiscal monitoring or other means that raises questions about the data the ROP has provided in Section V, OSEP will follow-up with the ROP.

Section 604 of the IDEA provides that "[a] State shall not be immune under the 11th amendment to the Constitution of the United States from suit in Federal court for a violation of this [Act]." Section 606 provides that each recipient of assistance under the IDEA make positive efforts to employ and advance in employment qualified individuals with disabilities in programs assisted under the IDEA. Therefore, by accepting this grant, the ROP is expressly agreeing as a condition of IDEA funding to a waiver of Eleventh Amendment immunity and to ensuring that positive efforts are made to employ and advance employment of qualified individuals with disabilities in programs assisted under the IDEA.

The enclosed grant award of FFY 2017 funds is made with the continued understanding that this Office may, from time to time, require clarification of information within your application, if necessary. These inquiries may be necessary to allow us to appropriately carry out our administrative responsibilities related to IDEA Part B.

As a reminder, all prime recipients of IDEA Part B funds, must report subaward information as required by the Federal Funding Accountability and Transparency Act of 2006 (FFATA), as amended in 2008. First-tier subaward information must be reported by the end of the following

month from when the award was made or obligated. FFATA guidance is found at <http://www2.ed.gov/policy/gen/leg/recovery/rms-web-conferences.html>. Please contact your State's Fiscal Accountability Facilitator if you have further questions.

/S/
