Under IDEA section 643(b)(4), tribes, tribal organizations, or their consortia (all of which are referred to in this letter as tribal entities) must use these funds to assist State lead agencies under Part C of the IDEA in child find, screening, and other procedures for the early identification of children under three years of age who may be eligible for early intervention services under Part C of the IDEA who reside on reservations as well as to provide parent training for, or early intervention services to, infants and toddlers with disabilities and their families who reside on reservations.

These funds are issued with the understanding that the BIE will continue to submit the required biennial report under IDEA sections 618(a)(1)(B) and (C) and 643(b)(5) and 34 CFR §303.731(e)(1) and (2) regarding the identification of, and provision of early intervention services to, infants and toddlers with disabilities and their families. These funds are also issued with the understanding that the BIE will continue to submit the required annual report under the IDEA Part C regulations in 34 CFR §303.731(e)(3) regarding payments made by the BIE to tribal entities. For the annual report, the BIE must provide to the Secretary of Education a report on the payments distributed under IDEA Part C including the name of the tribal entity that received a payment, and the date and amount of each payment.
