

UNITED STATES DEPARTMENT OF EDUCATION

OFFICE OF THE DEPUTY SECRETARY

June 27, 2018

Superintendent Jon Fernandez
Guam Department of Education
500 Mariner Avenue
Barrigada, Guam 96913

Dear Superintendent Fernandez:

Enclosed are Federal Fiscal Year (FFY) 2018 specific conditions for U.S. Department of Education (Department) grants awarded to the Guam Department of Education (GDOE). These specific conditions will apply to all grants awarded by the Department to GDOE on or after the date of these specific conditions. Additionally, the specific conditions apply to all grant funds previously awarded by the Department to GDOE that are still available for obligation or liquidation on the date of these specific conditions.

The FFY 2018 specific conditions and GDOE's designation as a high-risk grantee pursuant to 2 CFR §§200.207 and 3474.10 are in continued response to the Department's ongoing assessment of actions to be taken by GDOE toward successfully addressing significant problems that impact its fiscal accountability for Department grant funds. These problems led to the FY 2003 designation of GDOE as a "high-risk" grantee under former 34 CFR § 80.12. In the FFY 2007 special conditions, the Department required GDOE to address its inadequate financial management of Department grant funds by developing and implementing a Comprehensive Corrective Action Plan (CCAP); however, the Department concluded that GDOE had failed to make significant progress in implementing the CCAP tasks and measures, including, in particular, a new Financial Management Improvement System (FMIS). Thus, the Department determined that GDOE must have the assistance of a third-party fiduciary agent to oversee the financial management of Department funds, to assist GDOE in implementing its CCAP, and to assist GDOE in implementing the new FMIS. GDOE entered into a third-party fiduciary agent contract with Alvarez & Marsal, LLC (A&M) on September 13, 2010. GDOE has maintained this contract with A&M for the past approximately 7 years, and is currently in negotiations with A&M for a new contract. The Department does not and will not authorize the obligation, liquidation or expenditure of Department funds unless a third-party fiduciary agent is in place for the full period of these FFY 2018 specific conditions.

The Department of Education's mission is to promote student achievement and preparation for global competitiveness by fostering educational excellence and ensuring equal access.

As a follow-up to a meeting held with GDOE leadership and a representative from Congresswoman Bordallo's office on April 19, 2018, the GDOE Superintendent informed the Department of his intent to request reconsideration in accordance with Section III. C. of the FFY 2017 Departmental special conditions. On May 29, 2018, GDOE submitted a formal request for reconsideration to the Department.

The Department specifically acknowledges certain progress that GDOE has made to address its financial management of Department funds. In particular, the Department notes that GDOE has made progress in increasing accountability for Federally-funded assets.

In addition, the Department acknowledges that GDOE is working with the third-party fiduciary agent on an organizational structure and process that will allow GDOE to demonstrate control of key Federal grant management activities. While developing the plans for this structure and process, the third-party fiduciary agent will continue to provide fiscal management responsibilities for GDOE's Department funds. GDOE proposes to submit its restructuring plan to the Department within the next 12 months for approval prior to implementation.

In the meantime, the FFY 2018 specific conditions describe the continuing responsibility of GDOE to work with a third-party fiduciary agent, as well as the role and responsibilities of the third party fiduciary agent in administering Department grant funds. The FFY 2018 specific conditions also continue to require GDOE to implement its CCAP, including additional activities needed to address areas of concern, and to report to the Department on a quarterly basis on its progress in implementing measures under the CCAP. As noted under section III.E, these fiscal specific conditions must be incorporated as an addendum to the contract between GDOE and the third-party fiduciary agent, inclusive of the responsibilities for GDOE and the agent described in Attachments A and B of these conditions, before GDOE may expend Department grant funds. The Risk Management Service will continue to conduct bi-weekly conference calls to verify the status of GDOE's progress under the CCAP and toward transitioning responsibilities currently performed by the agent back to GDOE staff.

The Department is committed to assisting GDOE in making significant improvements in its management and administration of Department grant funds. If you have any questions or require further assistance, please contact Christine Jackson, the primary contact for the Management Improvement Team of the Risk Management Service within the Office of the Deputy Secretary, at (202) 245-8276 or via e-mail at christine.jackson@ed.gov.

Sincerely,

Guam Department of Education
Federal Fiscal Year 2018 Specific Conditions

PREAMBLE: These specific conditions are imposed on all program grants issued by the U.S. Department of Education (Department) to the Guam Department of Education (GDOE) on or after the date of these specific conditions. Additionally, as described herein, these specific conditions apply to grant funds previously awarded by the Department to GDOE that are still available for obligation or liquidation on the date of these specific conditions. These specific conditions are applied to these program grant funds in accordance with regulations governing “high-risk” grantees and specific conditions in 2 CFR §§ 200.207 and 3474.10 in the Office of Management and Budget (OMB) Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance). GDOE has not made substantial progress in improving its financial management and administration of Department funds. Therefore, these specific conditions are imposed on GDOE’s Department grants to ensure that GDOE implements Department grant awards in accordance with applicable legal requirements and with appropriate fiscal accountability measures, management practices and controls.

I. BACKGROUND

In September 2003, the Department designated GDOE a “high-risk” grantee under the authority of former 34 CFR § 80.12. This was based on the Department’s determination that GDOE lacked fiscal and programmatic accountability in the administration of Federal education programs as evidenced by its failure to provide the Department with timely and complete single audits, as required by the Single Audit Act, and by the auditors’ declaration that GDOE’s records for Federal fiscal years (FFYs) 1998-2000 were unauditible.

In the special conditions imposed on GDOE’s FFY 2007 grant awards, the Department required GDOE to develop a Comprehensive Corrective Action Plan (CCAP) to address the underlying problems associated with its high-risk designation. The CCAP was meant to address persistent problems related to GDOE’s internal controls, including accounting and reconciling its financial records for Department grant funds in accordance with Federal requirements; implementing monitoring to ensure that grant and subgrant-supported activities are carried out in accordance with Federal program statutes, regulations, and other requirements; instituting procurement and property management processes that comply with Federal requirements; and implementing appropriate cash management procedures. GDOE developed a CCAP, but failed to make significant progress in implementing the CCAP measures. In particular, GDOE had not made substantial progress in implementing its Financial Management Improvement Plan (FMIP), a core feature of the CCAP that involves instituting a Financial Management Improvement System (FMIS) to enable GDOE to significantly improve its financial management of Department grant awards.

In November 2009, based on GDOE’s lack of progress over two years under the CCAP, and in accordance with section II.H of the FFY 2008 and 2009 special conditions applicable to GDOE’s Department grant awards, the Department issued amended special conditions to GDOE dated November 25, 2009, which notified GDOE that it would require GDOE to procure the services of a third-party fiduciary agent, acceptable to the Department, to

perform the financial management duties required under Federal regulations for all Department grant awards made to GDOE. The requirement for a third-party fiduciary agent is maintained in these FFY 2018 specific conditions, as set forth in further detail below. Because GDOE has not, to date, met the requirements in former Part 80 of the Education Department General Administrative Regulations (EDGAR), replaced by the Uniform Guidance, 2 CFR Part 200, regarding the management of Department funds by States, these specific conditions require GDOE to comply with the provisions of the Uniform Guidance that apply to grantees other than States.

II. SPECIFIC CONDITIONS

A. Requirement for Third-Party Fiduciary Agent

On September 13, 2010, GDOE entered into a contract with a third-party fiduciary agent, Alvarez & Marsal, LLC (A&M), approved by the Department, as required by section II.A of the FFY 2009 Amended Special Conditions imposed on Department grants awarded to GDOE. GDOE has maintained this contract with A&M for the past seven years, and is currently in negotiations with A&M for a new contract to perform the financial management duties previously performed by GDOE, required under the Uniform Guidance at 2 CFR Part 200 and 34 CFR Parts 75 and 76 for all grants awarded by the Department to GDOE on or after the date of these conditions, and for all grants previously awarded by the Department to GDOE that are still available for obligation or liquidation on the date of these specific conditions, and under the terms and conditions specified in the grant awards, except as otherwise noted herein. The Department does not and will not authorize the obligation, liquidation or expenditure of Department funds unless a third-party fiduciary agent is in place for the full period of these specific conditions.

B. Responsibilities of GDOE and the Third-Party Fiduciary Agent (Agent) Concerning Administration of Grant Funds

The responsibilities and requirements of GDOE in working with the Agent are set forth in Attachment A to these specific conditions. The responsibilities and requirements of the Agent in carrying out the financial management duties for GDOE's Department grants are set forth in Attachment B to these specific conditions.

C. Comprehensive Corrective Action Plan (CCAP)

1. GDOE and the Department worked together to develop a CCAP designed to address the fiscal deficiencies in administering Department grant awards that led to GDOE's designation as a "high-risk" grantee. The CCAP contained tasks with measurable objectives and completion dates, developed to correct a number of recurring findings and identified weaknesses. These tasks included the development and implementation of the FMIS, strengthening internal controls over financial management and procurement, and strengthening and improving GDOE's Business Office operations. The CCAP became final in October 2007, and the Department approved revisions to the CCAP in December 2008. Thereafter, the Department

determined that GDOE was making only limited progress in carrying out its objectives and required GDOE to revise the CCAP to ensure that GDOE would be able to achieve measurable progress in its financial management and administration of Department funds.

2. On December 15, 2011, the Department approved GDOE's revised CCAP and required GDOE to provide quarterly reports to the Department on its progress in implementing measures required under the CCAP. In the FFY 2012 special conditions, GDOE agreed to use the CCAP reports to provide the Department with a meaningful and accurate assessment of its progress on a regular basis and has been reporting quarterly on its progress. GDOE agrees to continue providing these quarterly reports to the Department and that GDOE will work closely with the Agent so it continues to play a critical role in assessing GDOE's progress in meeting the objectives of the CCAP. GDOE further agrees that it will obtain the assistance of the GDOE Internal Audit staff in reviewing and validating the quarterly reports for accuracy prior to their submission.
3. The Department will work with GDOE to modify the details required in future CCAP reports, which reflect any changes to the specific conditions, as noted in the cover letter. In the event that the Department or GDOE determines that additional measures are required in the CCAP to assist GDOE in improving its financial management and administration of Department funds, GDOE must amend the CCAP to include such measures, obtaining the Department's written approval before proceeding with the additional measures.

D. Single Audits

GDOE must continue to ensure that its single audits are conducted, and audit reports submitted, annually and in a timely and complete manner. All single audits must be completed and reports published within nine months after the end of each fiscal year, as required by the Single Audit Act, as amended. If GDOE expects an audit or report to be submitted late, it must promptly notify the Department's contact person of the reason and extent of the delay.

The Department acknowledges that both GDOE and the Agent, acting on behalf of GDOE, are maintaining records related to the management of GDOE's Department grant funds and that the Agent is maintaining the financial management system for GDOE's Department grant funds. Accordingly, both GDOE and the Agent are required to provide the auditors with access to all records necessary to facilitate an effective audit of the Department grant and matching funds made available to GDOE.

E. Prompt Access

GDOE shall promptly provide the Department or its representatives with access to any requested staff, locations, records, and information associated with Federal and matching funds related to programs administered by the Department.

F. Program-Specific Conditions

Program-specific conditions may be imposed on FFY 2018 grant awards made under one or more Department programs to address areas in which GDOE is out of compliance with program requirements. Each such program-specific condition will be contained in an attachment to the grant award notification document in question that is provided by the Department to GDOE.

G. Compliance with Program Requirements

In addition to complying with any program-specific conditions imposed on its Department grant awards, GDOE must timely and fully comply with all applicable programmatic requirements under Federal laws and regulations. GDOE must fully meet all specific program reporting requirements on a timely basis, including, but not limited to, submission of the Individuals with Disabilities Education Act (IDEA) Parts B and C State Performance Plans (SPPs)/Annual Performance Reports (APRs), and the annual performance report required for the Consolidated Grant under section 76.132(a)(5) of EDGAR. GDOE must also work cooperatively with, and respond to requests for information from, Department program offices responsible for administering the various grant programs under which GDOE receives funds. These requests for information are part of the technical assistance that the program offices provide to GDOE and are designed to assist GDOE in properly implementing programs, projects, and activities under the grant awards that it receives from the Department.

III. ADDITIONAL PROVISIONS

A. Failure to Comply with Conditions

Failure to comply with any of these specific conditions will negatively impact GDOE's ability to continue to receive grant funds from the Department. These terms and conditions do not preclude the Department from taking any authorized enforcement or other actions at any time, including, but not limited to, withholding of Department funds.

B. Submission of Reports

All reports or other submissions that GDOE or the Agent are required to submit to the Department under these specific conditions must be sent to:

Christine Jackson
550 12th Street, SW
PCP, Room 11064
Washington, DC 20202

The quarterly reporting periods and submission dates for the reports required under section II.C.2 above are as follows: July 1, 2018-September 30, 2018, submission by October 15, 2018; October 1, 2018-December 31, 2018, submission by January 15, 2019; January 1, 2019-March 31, 2019, submission by April 15, 2019; April 1, 2018-June 30, 2018, submission by July 15, 2018.

C. Reconsideration and Modifications

At any time, GDOE may request reconsideration of the above specific conditions by contacting the Department contact named above in paragraph III.B of these conditions, and stating in writing the reasons why GDOE believes any particular condition should be amended or removed. The Department may impose additional specific conditions or modify these specific conditions, as appropriate. The Department will remove the special conditions at such time as GDOE fully demonstrates, to the Department's satisfaction, the ability to manage Department funds, and property acquired with Department funds, in a manner that complies with applicable Federal requirements concerning accountability and grants management.

As noted in the cover letter to these specific conditions, GDOE has submitted a request for reconsideration that the Department will review and consider consistent with GDOE's development and submission of a restructuring plan over the next 12 months.

D. Notification and Approval of Amendments to Contract Between GDOE and Agent

GDOE must notify the Department of any proposed amendment to the contract between GDOE and the Agent, and must submit the proposed amendment to the Department for approval prior to execution of the amendment by the parties.

E. Incorporation of Specific Conditions as Addendum to Contract

Before GDOE may expend funds under its grant awards, GDOE and the Agent must incorporate these specific conditions as an addendum to the contract between GDOE and the Agent, and must provide written notice to the Department that the conditions have been so incorporated.

Dated: June 27, 2018

Attachment A to the GDOE FFY 2018 Specific Conditions

Responsibilities and Requirements of GDOE
(to be incorporated into any contract for services with the Agent)

The responsibilities and requirements of GDOE in working with the Agent under these GDOE FFY 2018 specific conditions are as follows:

1. GDOE must work cooperatively and in a timely manner with the Agent to implement the activities and responsibilities described in these specific conditions.
2. GDOE must permit the Agent's personnel to have access to all financial books, records, and reports related to funds made available to GDOE by the Department, or used for matching, and access to GDOE personnel for discussion regarding the services the Agent must perform under these specific conditions, as provided for in the contract between GDOE and the Agent.
3. GDOE must notify the Department when any dispute arises and remains unresolved between the Agent and GDOE concerning the implementation or continuation of the contract with the Agent, or the implementation of activities supported by Department grants, including the financial management of grant funds. GDOE agrees that the Department may assist in the resolution of any such unresolved dispute and agrees to cooperate with any requests from the Department for additional information related to the dispute and to participate in conference calls with the Agent and the Department. This does not preclude GDOE and the Agent from including formal dispute resolution mechanisms in their contract.
4. GDOE must comply with all Federal laws and regulations that apply to the receipt and use of funds awarded under Department grants, including those under EDGAR, and applicable Federal program statutes and regulations.
5. GDOE remains responsible for the provision of program services under Department grants.
6. Prior to any drawdowns or disbursements, GDOE must provide the Agent with a line-item budget for the total amount of each grant and subgrant, if applicable, that has been approved and verified by the Department. The line-item budget must include amounts for State administration, State-level program activities, and local-level program activities. For purposes of the Consolidated Grant to Insular Areas (Consolidated Grant), GDOE must provide the Agent with line-item budgets for each program under which GDOE will use Consolidated Grant funds. The line-item budget for each of these programs must be based on the total amount of Consolidated Grant funds to be used for each program and include amounts for State administration, State-level program activities, and local-level program activities.

7. GDOE is responsible for: (i) executing drawdowns of funds under the grants from the Department's Grants Management System (G5) so that funds are deposited into a separate bank account established and maintained by the Agent; and (ii) providing to the Agent, for deposit into the separate bank account established by the Agent, any matching funds required for the grants. GDOE understands and agrees that it must draw down funds and provide any applicable matching funds to the Agent within 24 hours of receipt of a written request from the Agent. Consideration may be given for reasonable delays due to any time differences that may exist between GDOE and its vendors. However, failure by GDOE to comply with this condition may result in the transfer of drawdown authority to the Agent, at the Department's discretion. Upon receiving notice of GDOE's failure to draw down funds in accordance with this condition, the Department will decide whether to transfer drawdown authority to the Agent. Upon receiving written notice of a decision by the Department to transfer drawdown authority to the Agent, GDOE must take all steps necessary to provide the Agent with full authority to perform drawdowns, including providing any information and authorization that the Department needs to recognize the Agent as the entity with drawdown authority.
8. GDOE must use fiscal control and accounting procedures that meet the requirements imposed on non-Federal entity grantees in 2 CFR §§ 200.302, 200.303, and 200.305(b).
9. GDOE must expend Federal and matching funds only for costs that are allowable under the respective grant programs, in accordance with the regulations and cost principles in 2 CFR Part 200, Subpart E. Additionally, for purposes of the Consolidated Grant, GDOE must expend Federal and matching funds only for allowable costs under, and included in, each Department-approved Consolidated Grant plan applicable to the fiscal year in which the costs were obligated. GDOE acknowledges that the Agent has the responsibility to ensure that Department funds are used only for allowable costs, including costs that are necessary, reasonable, and allocable to the respective grants as required by 2 CFR Part 200, Subpart E, and that are procured in accordance with applicable procurement requirements in 2 CFR §§ 200.318-200.326. Where there is a question as to whether a cost is allowable, the Agent must raise this question with GDOE and, if the Agent deems it necessary, may also request assistance from the Department in determining the allowability of any expenditure.
10. GDOE must coordinate the timing of drawdowns and disbursements with the Agent to ensure that payments to staff, vendors and providers are prompt and timely. To the extent feasible, GDOE must draw down funds in a timely manner so that funds under the grants are deposited to the separate bank account on the same day that funds are drawn from the account to liquidate obligations under the grants. GDOE, as appropriate and at the Agent's direction, must draw down sufficient funds under a grant to cover each approved request for payment.

11. GDOE must charge its grants only for costs resulting from obligations that were properly made during the period of availability for the funds, including any carryover period. To ensure against the lapsing of Department funds, GDOE must provide the Agent with the amount and nature of all obligations in a timely manner to ensure that obligations are liquidated no later than 90 days after the end of the funding period, or during any extension of that period authorized by the Department, in accordance with 2 CFR § 200.343(b).
12. GDOE must establish and maintain an effective process for tracking and reporting time and effort spent by all employees whose salaries are paid under Department grants, including, but not limited to, maintaining accurate and up-to-date employee staffing lists and notices of personnel actions, distributing time among different funding sources for split-time employees, making timely and accurate adjustments to time and effort information entered into the payroll system, and properly allocating salary costs among Department grants based on records that accurately and properly record the distribution of each employee's work on multiple cost objectives, the time the employee attends work, and, for those employees who work on a single cost objective, semiannual certifications. GDOE must carry out these responsibilities consistent with Federal requirements in 2 CFR Part 200, Subpart E, and more specifically, 2 CFR §§ 200.430 and 200.431.
13. GDOE must work with the Agent to ensure that the charging of direct and indirect costs against the respective Department grants is consistent with the applicable restricted and unrestricted indirect cost rates negotiated with, and approved by, the U.S. Department of Interior (GDOE's cognizant Federal agency), and that copies of any indirect cost rate proposals or agreements are provided to the Agent and comply with the applicable requirements of 2 CFR Part 200, Subpart E, and 34 CFR §§ 75.560-564 (discretionary grants) and 34 CFR §§ 76.560-569 (formula grants).
14. GDOE must grant the Agent authority to enter into contracts with vendors on behalf of GDOE, and in doing so, GDOE must cooperate with the Agent to ensure compliance with the provisions for procurement set forth in 2 CFR §§ 200.318-200.326.
15. GDOE must provide effective oversight of proposed procurements, including, but not limited to, training all staff on, and reviewing all requisitions against, local and Department requirements for procuring goods and services, to facilitate the timely review and approval of purchase orders by the Agent, and to reduce the number of requisitions that are disallowed by the Agent for not meeting these requirements.
16. GDOE must ensure that within 24 hours of receipt of a vendor's invoice from the Agent, GDOE staff must (i) accept or reject the goods or services, and, if accepted, (ii) draw down funds for the vendor payment for deposit into the separate bank account maintained by the Agent.

17. GDOE must work with the Agent to ensure that all tangible personal property procured under Department grants is managed in accordance with the requirements of 2 CFR §§ 200.313(a) and (c)-(e) to ensure that such property is properly inventoried, maintained, and stored to prevent loss, damage, or theft of such property.
18. All transactions under the contract between GDOE and the Agent must be consistent with all applicable Federal requirements, including those in the Uniform Guidance at 2 CFR Part 200 and EDGAR at 34 CFR Parts 75 or 76, as appropriate.
19. In transferring to a new Financial Management Improvement System (FMIS), GDOE must work with the Agent as the Agent assists in (i) training the appropriate GDOE employees, (ii) providing transition assistance (including, but not limited to, transferring all necessary data from the Agent to the new FMIS), and (iii) communicating information from the Agent to any other contractor involved in implementing the new FMIS.
20. Except as noted herein, GDOE shall comply with all applicable provisions of EDGAR.
21. GDOE may include any other terms in the contract with the Agent, consistent with those above, as are necessary to ensure timely liquidation of all Department funds; timely payment to staff, providers and vendors; and general financial management consistent with applicable Federal regulations and Department grant awards.

Attachment B to the GDOE FFY 2018 Special Conditions

Responsibilities and Requirements of the Third-Party Fiduciary Agent
(to be incorporated into any contract for services with the Agent)

The responsibilities and requirements of the Agent under these GDOE FFY 2018 specific conditions are as follows:

1. The Agent must work cooperatively and in a timely manner with GDOE to implement the activities and responsibilities described in these special conditions.
2. The Agent's role encompasses financial management responsibilities concerning Department grants, including, but not limited to, processing payments and disbursements, maintaining financial records, financial reporting, instituting and applying procurement, inventory, and payroll procedures that comply with applicable Federal requirements, and other duties as more fully described below.
3. The Agent must use the line-item budgets submitted by GDOE, as described in Attachment A, section 6, to track projected and actual expenditures for the programs under Department grants. The Agent must ensure that the expenditures proposed are only for allowable costs under each grant.
4. The Agent must establish, maintain, and manage a separate bank account for all Department grant funds. The Agent must provide GDOE, as appropriate, with written notice (e.g., copy of invoice) of when funds are needed for a disbursement under a particular grant.
5. The Agent must acknowledge that GDOE has drawdown authority and that it understands and agrees that it must draw down funds and provide any applicable matching funds to the Agent within 24 hours of receipt of the written notice from the Agent. Consideration may be given for reasonable delays due to any time differences that may exist between GDOE and its vendors. Failure by GDOE to reasonably comply with this condition concerning the time within which it must draw down funds may result in the Department requiring the transfer of drawdown authority to the Agent. In the event of GDOE's failure to draw down funds in accordance with this condition, the Agent must notify the Department, and the Department will determine whether drawdown authority must be transferred to the Agent. If so, then immediately upon written notice of this decision from the Department, GDOE, as appropriate, must take all steps necessary to provide the Agent with full authority to perform drawdowns, including providing any information and authorization that the Department needs to recognize the Agent as the entity with drawdown authority.
6. The Agent must use fiscal control and accounting procedures that meet the requirements imposed on non-Federal entity grantees in accordance with 2 CFR §§ 200.302, 200.303, and 200.305(b).

7. The Agent must expend funds only for costs that are allowable under the respective grant programs, in accordance with 2CFR Part 200, Subpart E. Additionally, for purposes of the Consolidated Grant, the Agent must expend funds only for allowable costs under, and included in, each Department-approved Consolidated Grant plan applicable to the fiscal year in which the costs were obligated. If the Agent questions whether an expenditure is allowable, the Agent must raise this question with GDOE. If the Agent deems it necessary, the Agent may also request assistance from the Department in determining the allowability of any expenditure.
8. The Agent must determine the value of any in-kind property or services donated to or provided by GDOE that are used to meet cost sharing or matching requirements as required by 2 CFR § 200.306, and must maintain records sufficient to document the basis for those valuations.
9. The Agent must take steps to prevent the lapsing of funds available under the grants, including ensuring timely disbursement of funds through the use of methods and procedures for payment that minimize the time elapsing between the transfer of funds and disbursement as specified in GDOE's Treasury-State agreement, as required under the Cash Management Improvement Act and Treasury regulations at 31 CFR Part 205. For grant programs not included in GDOE's Treasury-State agreement, the Agent must meet the requirements in 2 CFR § 200.305(b). GDOE and the Agent must coordinate the timing of drawdowns and disbursements to ensure that payments to staff, vendors and providers are prompt and timely. Should the Agent assume drawdown responsibility, it must draw down funds in a timely manner so that funds under the grants are deposited to the separate bank account on the same day that funds are drawn from the account to liquidate obligations under the grants, to the extent feasible. The Agent must ensure that any interest earned on advances of grant funds is repaid annually, as required by 2 CFR § 200.305(b)(9).
10. The Agent must charge Department grants only for costs resulting from obligations that were properly made during the period of availability for the funds, including any carryover period. To ensure against the lapsing of Department funds, the Agent must liquidate obligations no later than 90 days after the end of the funding period or during any extension of that period authorized by the Department, in accordance with 2 CFR § 200.343(b).
11. The Agent may seek approval from the Department to charge allowable pre-award costs incurred by GDOE against grant awards to which these special conditions apply. The Agent must submit any request for pre-award costs to the Department in writing and may not reimburse any pre-award costs unless it receives written approval from the Department.
12. The Agent must establish and maintain a process for tracking and reporting time and effort spent by all employees whose salaries are paid under Department grants, including distribution of time among different funding sources for split-time employees, timely and accurate adjustments to time and effort information in the

payroll system, and proper allocation of salary costs among Department grants based on records that accurately and properly record the distribution of each employee's work on multiple cost objectives, the time the employee attends work, and, for those employees who work on a single cost objective, semiannual certifications. To carry out the responsibilities under this paragraph, the Agent must conduct an assessment of GDOE's internal controls over payroll operations to ensure that the payroll process is functioning as intended and calculations of gross earnings from all work performed during the pay period are correct; an assessment to determine that there are proper controls and procedures for identifying employees who are paid in whole or in part from Department grant awards; an assessment to determine whether employees are being compensated at their approved salaries/pay rates and from appropriate funding sources; and other tests to ensure that payroll earnings, deductions, and withholdings are made in accordance with the law and correspond to information contained in the employee master file. The Agent must carry out the responsibilities under this paragraph consistent with Federal requirements in 2 CFR Part 200, Subpart E.

13. The Agent must work with GDOE to ensure that the charging of direct and indirect costs against the respective Department grants is consistent with the applicable restricted and unrestricted indirect cost rates negotiated with, and approved by, the U.S. Department of Interior (GDOE's cognizant Federal agency), and that any indirect cost rate proposals or agreements comply with the applicable requirements of 2 CFR Part 200, Subpart E, and 34 CFR §§ 75.560-564 (discretionary grants) and 34 CFR §§ 76.560-569 (formula grants). In disbursing funds for allowable costs under the grants, the Agent must distinguish between direct and indirect costs and use accurate methods to allocate funds correctly between these two cost categories.
14. The Agent must establish contacts and working relationships with prospective vendors that can provide goods and services that GDOE needs under the grants. The Agent must have authority to enter into contracts with vendors on behalf of GDOE, and, in doing so, must comply with the provisions for procurement set forth in 2 CFR §§ 200.318-200.326.
15. Within 24 hours of the Agent's receipt of a vendor invoice, the Agent must provide a copy of the invoice to GDOE and ensure that the goods or services delivered are available for inspection and acceptance or rejection by GDOE staff requesting the goods or services. Consideration may be given for reasonable delays due to any time differences that may exist between GDOE and its vendors. The Agent must pay vendors for the delivered goods or services and must, to the extent possible, disburse funds to the vendors on the same day that funds are deposited into the separate bank account maintained by the Agent. The Agent must make payments by electronic funds transfer (EFT) or by paper draft if EFT is not available or possible for a particular vendor.
