Dear Director Dearman:

Please find enclosed the U.S. Department of Interior's (DOI) Federal fiscal year (FFY) 2020 funds under Part C of the Individuals with Disabilities Education Act (IDEA). These funds are to be distributed under IDEA section 643(b) to those tribes and tribal organizations (as defined by Section 4 of the Indian Self-Determination and Education Assistance Act), or consortia of those tribal entities on reservations that are served by elementary and secondary schools for Indian children operated or funded by the DOI, the Bureau of Indian Education (BIE).

Under the IDEA section 643(b)(4), tribes, tribal organizations, or their consortia (all of which are referred to in this letter as tribal entities) must use these funds to assist State lead agencies under Part C of the IDEA in child find, screening, and other procedures for the early identification of children under three years of age who may be eligible for early intervention services under Part C of the IDEA who reside on reservations as well as to provide parent training for, or early intervention services to, infants and toddlers with disabilities and their families who reside on reservations.

These funds are issued with the understanding that the BIE will continue to submit the required biennial report under IDEA sections 618(a)(1)(B) and (C) and 643(b)(5) and 34 C.F.R. § 303.731(e)(1) and (2) regarding the identification of, and provision of early intervention services to, infants and toddlers with disabilities and their families. The BIE submitted its last Biennial Report on January 10, 2019, the Biennial Report regarding the summary of Tribes or Tribal Organizations Part B 619 and Part C funds from July 1, 2016 to June 30, 2018. As a reminder, the BIE must submit its next biennial report by December 31, 2020.

These funds are also issued with the understanding that the BIE will continue to submit the required annual report under the IDEA Part C regulations in 34 C.F.R. § 303.731(e)(3) regarding payments made by the BIE to tribal entities. For the annual report, the BIE must provide to the Secretary of Education a report on the payments distributed under the IDEA Part C including the name of the tribal entity that received a payment, and the date and amount of each payment. On December 17, 2019, the BIE submitted on its FFY 2018 annual report regarding payments made by the BIE to tribal entities and identifying the payment and allocation dates. The December 17, 2019 submission fulfills the BIE's obligation to submit an annual report under 34 C.F.R. § 303.731(e)(3). The FFY 2019 annual report is due on December 31, 2020.
