

Workshop Goals

1. Introduce you to basic information to help students and parents apply for federal student aid programs.
2. Enable you to use ED publications and resources.
3. Prepare you to conduct a financial aid awareness program for students and their parents.

Important Questions

- ➡ What issues are of greatest concern to my students and their parents?
- ➡ Do I have the information I need to present a financial aid awareness program for my students and their parents?

Workshop Objectives

- ➡ Explain federal student financial aid programs and ED's delivery system
- ➡ Help you identify basic requirements and responsibilities
- ➡ Stress the importance of financial aid awareness
- ➡ Emphasize the importance of reaching at-risk students
- ➡ Provide charts
