We have processed your application for Federal student aid, or the correction that you submitted electronically through your school. On the back of this page we printed the information we received and a summary of the results of processing that information. We may have assumed certain information to calculate your eligibility for Federal student aid. We printed any assumptions we made and the word "assumed" for those items on the back of this page. Contact your Financial Aid Administrator (FAA) if:

- the assumptions we made are not correct,
- you need to make other corrections,
- we indicate below that we need more information to determine your eligibility,
- we indicate below you are selected for verification, or
- we indicate below you must work with your FAA to resolve some eligibility issues.

If all the information on this Student Aid Report is correct, you may be eligible to receive a Federal Pell Grant and other Federal student aid in 1996-97. Your FAA will determine whether you meet all other requirements to receive aid. The amount of aid will depend on the cost of attendance at your school, your enrollment status, Congressional budget restrictions, and other factors.

Read this letter carefully and review each item on Part 2 of this Student Aid Report (SAR). Follow the instructions at the top of Part 2 and in the Free Application for Federal Student Aid (FAFSA) instruction booklet to help you make corrections. For additional help with your SAR, contact your Financial Aid Administrator (FAA).

If all the information on this SAR is correct, you may be eligible to receive a Federal Pell Grant and other Federal student aid in 1996-97. Your FAA will determine whether you meet all eligibility requirements to receive aid. The amount of aid will depend on the cost of attendance at your school, your enrollment status (full-time, three-quarter-time, half-time, or less than half-time), Congressional budget restrictions, and other factors.

HERE IS WHAT YOU NEED TO DO NOW: Review the information on Part 2. If any of the information is incorrect, follow the instructions at the top of Part 2 to make corrections. IF ALL THE INFORMATION IS CORRECT, you should submit a copy of this SAR to all the schools that you may be interested in attending. Keep the original SAR for the school where you actually enroll.

Based on the information you provided on your application, we had to assume certain information to calculate your eligibility for Federal student aid. We printed the assumption we made and the word "assumed" in the "You told us" column for each of these items. If these assumptions are correct, do not change them.

Be sure to review the items in boldface type on Part 2 of your SAR and make any corrections if necessary.

You reported a total income for your parents that appears to be unusually low. Review the boldface items in Section F on Part 2 of your SAR and make corrections if necessary.

The Immigration and Naturalization Service (INS) could not confirm your statement that you are an eligible noncitizen because there is a question about your alien registration number. You must submit proof of your noncitizen eligibility to your school within 30 days after you give this SAR to your school. If you fail to submit proof within 30 days, you may be found ineligible for Federal student aid.

Your application has been selected for review in a process called verification. You must submit to your school signed copies of certain 1995 financial documents for you and your parents. Contact your FAA to find out which documents are required.
