Superintendent Patricia Hamamoto  
Superintendent of Education  
Hawaii Department of Education  
1390 Miller Street, #307  
Honolulu, Hawaii 96813

Dear Superintendent Hamamoto:

Thank you for the timely submission of Hawaii’s FFY 2006 Annual Performance Report (APR) and revised State Performance Plan (SPP) under Part B of the Individuals with Disabilities Education Act (IDEA), as amended in 2004. We also acknowledge the revisions to Hawaii’s SPP and APR received on April 14, 2008. We appreciate the State’s efforts in preparing these documents.

The Department has determined that, under IDEA section 616(d), Hawaii meets the requirements of Part B of the IDEA. The Department’s determination is based on the totality of the State’s data and information including the State’s FFY 2006 APR and revised SPP, other State-reported data, and other publicly available information. See the enclosure entitled “How the Department Made Determinations under Section 616(d) of the IDEA in 2008” for further details.

Specific factors affecting OSEP’s determination that Hawaii met requirements under IDEA section 616(d) include: (1) Hawaii provided valid and reliable FFY 2006 data reflecting the measurement for each indicator; and (2) Hawaii reported correction or high levels of compliance for Indicators 9, 11, 12, 13, 15, 16 and 17. We commend Hawaii for its performance.

The enclosed table provides OSEP’s analysis of the State’s FFY 2006 APR and revised SPP and identifies, by indicator, OSEP’s review of any revisions made by the State to its targets, improvement activities (timelines and resources) and baseline data in the State’s SPP. It also identifies, by indicator, the State’s status in meeting its targets, whether the State’s data reflect progress or slippage, and whether the State corrected noncompliance and provided valid and reliable data.

If you included revisions to baseline, targets or improvement activities in your APR submission, and OSEP accepted those revisions, please ensure that you update your SPP accordingly and that the updated SPP is made available to the public.
OSEP is committed to supporting Hawaii’s efforts to improve results for children with disabilities and looks forward to working with your State over the next year. If you have any questions, would like to discuss this further, or want to request technical assistance, please do not hesitate to call Delora Jennings, your OSEP State Contact, at 202-245-7389.

Sincerely,
