

UNITED STATES DEPARTMENT OF EDUCATION
OFFICE OF SPECIAL EDUCATION AND REHABILITATIVE SERVICES

JUN - 3 2010

Honorable Randy Dorn
Superintendent of Public Instruction
Washington Department of Public Instruction
P.O. Box 47200
Olympia, Washington 98504-7200

Dear Superintendent Dorn:

Thank you for the timely submission of Washington's Federal fiscal year (FFY) 2008 Annual Performance Report (APR) and revised State Performance Plan (SPP) under Part B of the Individuals with Disabilities Education Act (IDEA).

The Department has determined that, under IDEA section 616(d), Washington needs assistance in meeting the requirements of Part B of IDEA. The Department's determination is based on the totality of the State's data and information including the State's FFY 2008 APR and revised SPP, other State-reported data, and other publicly available information. See the enclosure entitled "How the Department Made Determinations under Section 616(d) of the IDEA in 2010: Part B" for further details.

The specific factor affecting the Office of Special Education Programs' (OSEP's) determination of needs assistance for Washington was that the State's FFY 2008 data reflect 77% compliance for Indicator 16. For this reason, we are unable to determine that Washington met requirements for FFY 2008 under IDEA section 616(d).

OSEP notes other areas that reflect a high level of performance, which include that Washington reported valid and reliable data for all indicators and a high level of compliance for Indicator 9 (0%), Indicator 10 (0%), Indicator 11 (97.8%), Indicator 12 (95.9%), Indicator 17 (100%), and Indicator 20 (100%). We hope that Washington will be able to demonstrate that it meets requirements in its next APR.

The enclosed table provides OSEP's analysis of the State's FFY 2008 APR and revised SPP and identifies, by indicator, OSEP's review of any revisions made by the State to its targets, improvement activities (timelines and resources), and baseline data in the State's SPP. The table also identifies, by indicator: (1) the State's reported FFY 2008 data; (2) whether such data met the State's FFY 2008 targets and reflect progress or slippage from prior year's data; (3) if applicable, that the State's data are not valid and reliable; and (4) whether the State corrected findings of noncompliance.

Your State may want to consider taking advantage of available sources of technical assistance. A list of sources of technical assistance related to the SPP/APR indicators is available by clicking on the "Technical Assistance Related to Determinations" box on the opening page of the SPP/APR Planning Calendar website at <http://spp-apr-calendar.rrfcnetwork.org/>. You will be directed to a list of indicators. Click on specific indicators for a list of centers, documents, web seminars and other sources of relevant technical assistance for that indicator.

The Department of Education's mission is to promote student achievement and preparation for global competitiveness by fostering educational excellence and ensuring equal access.

As you know, pursuant to IDEA section 616(b)(2)(C)(ii)(I) and 34 CFR §300.602(b)(1)(i)(A), your State must report annually to the public on the performance of each local educational agency (LEA) located in the State on the targets in the SPP as soon as practicable, but no later than June 1, 2010. In addition, your State must: (1) review LEA performance against targets in the State's SPP; (2) determine if each LEA "meets requirements of Part B," or "needs assistance," "needs intervention," or "needs substantial intervention" in implementing Part B of the IDEA; (3) take appropriate enforcement action; and (4) inform each LEA of its determination. 34 CFR §300.600(a)(2) and (3). For further information regarding these requirements, see the SPP/APR Planning Calendar website at: <http://spp-apr-calendar.rfcnetwork.org/explorer/view/id/656>. Finally, if your State included revisions to baseline, targets or improvement activities in its APR submission, and OSEP accepted those revisions, please ensure that your SPP is updated accordingly and that the updated SPP is posted on the State's website and made available to the public, consistent with 34 CFR §300.602(b)(1)(i)(B).

OSEP is committed to supporting Washington's efforts to improve results for children and youth with disabilities and looks forward to working with your State over the next year. If you have any questions, would like to discuss this further, or want to request technical assistance, please contact Dr. Al Jones, your OSEP State Contact, at 202-245-7394.

Sincerely,

Alexa Posny, Ph.D.
