Honorable Rita Sablan
Commissioner of Education

JUN 20 2011

Dear Dr. Sablan:

Thank you for the timely submission of the Commonwealth of the Northern Mariana Islands (CNMI's) Federal fiscal year (FFY) 2009 Annual Performance Report (APR) and revised State Performance Plan (SPP) under Part B of the Individuals with Disabilities Education Act (IDEA).

The Department has determined that, under IDEA section 616(d), CNMI needs assistance in meeting the requirements of Part B of IDEA. The Department's determination is based on the totality of CNMI's data and information including CNMI's FFY 2009 APR and revised SPP (including targets and improvement activities for each year through FFY 2012), other CNMI reported data, information obtained through verification visits, and other publicly available information. However, we did not consider whether a State was in compliance with the requirement in section 612(a)(18)(A) to maintain State financial support for special education and related services. This is a key component of a State's eligibility for a grant under Part B of the IDEA. However, because the statute provides a specific remedy when a State is not in compliance with this provision (and the Department is taking action consistent with the statute) and recognizing that this is the first time that a number of States have failed to meet this requirement, the Department decided not to include compliance with this provision in the determinations process this year. The Department is actively considering including a State's compliance with this requirement in the 2012 determinations. See the enclosure entitled "How the Department Made Determinations under Section 616(d) of the IDEA in 2011: Part B" for further details.

The specific factor affecting the Office of Special Education Programs' (OSEP's) determination of needs assistance for CNMI was that CNMI's FFY 2009 data reflect 70% compliance for Indicator 15. For this reason, we were unable to determine that CNMI met requirements for FFY 2009 under IDEA section 616(d).

OSEP notes other areas that reflect a high level of performance, including that CNMI reported valid and reliable data for all indicators and a high level of compliance for Indicator 12 (100%), Indicator 16 (100%), and Indicator 20 (100%). We hope that CNMI will be able to demonstrate that it meets requirements in its next APR.

The enclosed table provides OSEP's analysis of CNMI's FFY 2009 APR and revised SPP and identifies, by indicator, OSEP's review of any revisions made by CNMI to its targets, improvement activities (timelines and resources) and baseline data in CNMI's SPP. The table also identifies, by indicator: (1) CNMI's reported FFY 2009 data; (2) whether such data met CNMI's FFY 2009 targets and reflect progress or slippage from the prior year's data; (3) if applicable, that CNMI's data are not valid and reliable; and (4) whether CNMI corrected

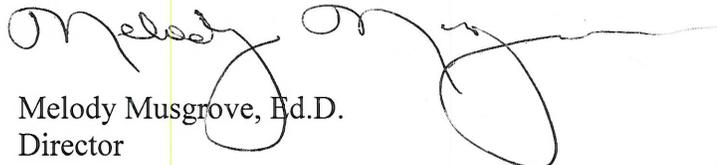

findings of noncompliance. In addition, OSEP is responding to CNMI's Verification Visit issues in the enclosed table.

CNMI may want to consider taking advantage of available sources of technical assistance. A list of sources of technical assistance related to the SPP/APR indicators is available by clicking on the "Technical Assistance Related to Determinations" box on the opening page of "The Right IDEA" Web site at: <http://therightidea.tadnet.org/technicalassistance>. You will be directed to a list of indicators. Click on specific indicators for a list of centers, documents, Web seminars and other sources of relevant technical assistance for that indicator.

As you know, pursuant to 34 CFR §300.602(b)(1)(i)(A), the SEA must report annually to the public on the performance of each local educational agency (LEA) located in the jurisdiction on the targets in the SPP. Because your jurisdiction is a unitary entity (i.e., the SEA is the only LEA), you may meet this public reporting requirement by posting your FFY 2009 APR on CNMI's educational agency's Web site and making it available to the public, consistent with 34 CFR §300.602(b)(1)(i)(B). For further information regarding these requirements, see "The Right IDEA" Web site at: <http://therightidea.tadnet.org/determinations>. Finally, please ensure that your updated SPP is posted on CNMI's educational agency's Web site and made available to the public, consistent with 34 CFR §300.602(b)(1)(i)(B).

OSEP is committed to supporting CNMI's efforts to improve results for children and youth with disabilities and looks forward to working with CNMI over the next year. If you have any questions, would like to discuss this further, or want to request technical assistance, please contact Lucille Sleger, your OSEP State Contact, at 202-245-7528.

Sincerely,

Melody Musgrove, Ed.D.
