### Timeliness of State Complaint and Due Process Hearing Decisions

*Collected as Part of IDEA Section 618 Data rather than through an SPP/APR Indicator*

| **Timely Resolution of State Complaints:** | Percent of signed written complaints with reports issued that were resolved within a 60-day timeline or a timeline extended for exceptional circumstances with respect to a particular complaint, or because the parent (or individual or organization) and the public agency agree to extend the time to engage in mediation or other alternative means of dispute resolution, if available in the State. |
| **Timely Adjudication of Due Process Hearing Requests:** | Percent of adjudicated due process hearing requests that were adjudicated within the timeline or a timeline that is properly extended by the hearing officer at the request of either party or in the case of an expedited hearing, within the required timelines. |

**OTHER COMPLIANCE ISSUES:**

High-Risk Designation: Under the authority of the Education Department General Administrative Regulations, 34 CFR §80.12, the Department has designated American Samoa a “high-risk” grantee due to problems with the documentation, procurement, property management (inventories), reconciliations of financial data and generally, the development and implementation of effective internal controls and reliable financial and accounting systems to ensure accountability for Federal funds. Special Conditions have been imposed on all grants awarded to American Samoa by the Department for FFYs 2003 through 2013.
