9. Percent of districts with disproportionate representation of racial and ethnic groups in special education and related services that is the result of inappropriate identification. [Compliance Indicator]

10. Percent of districts with disproportionate representation of racial and ethnic groups in specific disability categories that is the result of inappropriate identification. [Compliance Indicator]
11. Percent of children who were evaluated within 60 days of receiving parental consent for initial evaluation or, if the State establishes a timeframe within which the evaluation must be conducted, within that timeframe. [Compliance Indicator]
12. Percent of children referred by Part C prior to age 3, who are found eligible for Part B, and who have an IEP developed and implemented by their third birthdays. [Compliance Indicator]
13. Percent of youth with IEPs aged 16 and above with an IEP that includes appropriate measurable postsecondary goals that are annually updated and based upon an age appropriate transition assessment, transition services, including courses of study, that will reasonably enable the student to meet those postsecondary goals, and annual IEP goals related to the student's transition services needs. There also must be evidence that the student was invited to the IEP Team meeting where transition services are to be discussed and evidence that, if appropriate, a representative of any participating agency was invited to the IEP Team meeting with the prior consent of the parent or student who has reached the age of majority. [Compliance Indicator]
14. Percent of youth who are no longer in secondary school, had IEPs in effect at the time they left school, and were: A. Enrolled in higher education within one year of leaving high school; B. Enrolled in higher education or competitively employed within one year of leaving high school. C. Enrolled in higher education or in some other postsecondary education or training program; or competitively employed or in some other employment within one year of leaving high school. [Results Indicator]
15. General supervision system (including monitoring, complaints, hearings, etc.) identifies and corrects noncompliance as soon as possible but in no case later than one year from identification. [Compliance Indicator]
18. Percent of hearing requests that went to resolution sessions that were resolved through resolution session settlement agreements. [Results Indicator]
19. Percent of mediations held that resulted in mediation agreements. [Results Indicator]
20. State reported data (618 and State Performance Plan and Annual Performance Report) are timely and accurate. [Compliance Indicator]

Timeliness of State Complaint and Due Process Hearing Decisions
(Collected as Part of IDEA Section 618 Data rather than through an SPP/APR Indicator)

Timely Resolution of State Complaints: Percent of signed written complaints with reports issued that were resolved within 60-day timeline or a timeline extended for exceptional circumstances with respect to a particular complaint, or because the parent (or individual or organization) and the public agency agree to extend the time to engage in mediation or other alternative means of dispute resolution, if available in the State.

Timely Adjudication of Due Process Hearing Requests: Percent of adjudicated due process hearing requests that were adjudicated within the timeline or a timeline that is properly extended by the hearing officer at the request of either party or in the case of an expedited hearing, within the required timelines.

Montana FFY 2012 Compliance Data Summary Notes

INDICATOR 4B: The State reported that no districts were identified as having a significant discrepancy, by race or ethnicity, in the rate of suspensions and expulsions of greater than ten days in a school year for children with IEPs.

The State reported its definition of “significant discrepancy.”

The State reported that none of its districts met the State-established minimum “n” size requirement of “ten students with disabilities who were suspended or expelled for greater than ten days in a school year.”

INDICATOR 9: The State reported that no districts were identified with disproportionate representation of racial and ethnic groups in special education and related services.

The State provided its definition of “disproportionate representation.”

The State reported that all 413 districts met the State-established minimum “N of 10.”

INDICATOR 10: The State reported that no districts were identified with disproportionate representation of racial and ethnic groups in specific disability categories.

The State provided its definition of “disproportionate representation.”

The State reported that all 413 districts met the State-established minimum “N of 10.”

INDICATOR 11:

REQUIRED ACTIONS

Because the State reported less than 100% compliance for FFY 2012, the State must report on the status of correction of noncompliance identified in FFY 2012 for this indicator. When reporting on the correction of noncompliance, the State must report, in its FFY 2013 APR, that it has verified that each LEA with noncompliance identified in FFY 2012 for this indicator: (1) is correctly implementing the specific regulatory requirements (i.e., achieved 100% compliance) based on a review of updated data such as data subsequently collected through on-site monitoring or a State data system; and (2) has corrected each individual case of noncompliance, unless the child is no longer within the jurisdiction of the LEA, consistent with OSEP Memo 09-02.⁵ In the FFY 2013 APR, the State must describe the specific actions that were taken to verify correction.

⁵ OSEP Memorandum 09-02 (OSEP Memo 09-02), dated October 17, 2008, requires that the State report that it verified that each LEA with noncompliance: (1) is correctly implementing the specific regulatory requirements (i.e., achieved 100% compliance) based on a review of updated data such as data subsequently collected through on-site monitoring or a State data system; and (2) has corrected each individual case of noncompliance, unless the child is no longer within the jurisdiction of the LEA.

INDICATOR 12:

REQUIRED ACTIONS

Because the State reported less than 100% compliance for FFY 2012, the State must report on the status of correction of noncompliance identified in FFY 2012 for this indicator. When reporting on the correction of noncompliance, the State must report, in its FFY 2013 APR, that it has verified that each LEA with noncompliance identified in FFY 2012 for this indicator: (1) is correctly implementing the specific regulatory requirements (i.e., achieved 100% compliance) based on a review of updated data such as data subsequently collected through on-site monitoring or a State data system; and (2) has corrected each individual case of noncompliance, unless the child is no longer within the jurisdiction of the LEA, consistent with OSEP Memo 09-02. In the FFY 2013 APR, the State must describe the specific actions that were taken to verify correction.

INDICATOR 13:

REQUIRED ACTIONS

Because the State reported less than 100% compliance for FFY 2012, the State must report on the status of correction of noncompliance identified in FFY 2012 for this indicator. When reporting on the correction of noncompliance, the State must report, in its FFY 2013 APR, that it has verified that each LEA with noncompliance identified in FFY 2012 for this indicator: (1) is correctly implementing the specific regulatory requirements (i.e., achieved 100% compliance) based on a review of updated data such as data subsequently collected through on-site monitoring or a State data system; and (2) has corrected each individual case of noncompliance, unless the child is no longer within the jurisdiction of the LEA, consistent with OSEP Memo 09-02. In the FFY 2013 APR, the State must describe the specific actions that were taken to verify correction.

INDICATOR 15:

REQUIRED ACTIONS

In responding to Indicators 11, 12, and 13 in the FFY 2013 SPP/APR, the State must report on correction of the noncompliance described in this table under those indicators.
