

UNITED STATES DEPARTMENT OF EDUCATION  
OFFICE OF SPECIAL EDUCATION AND REHABILITATIVE SERVICES

June 28, 2016

Honorable Wilbur Heine  
Minister of Education  
Republic of the Marshall Islands  
Ministry of Education  
PO Box 3  
Majuro, Republic of the Marshall Islands 96960

Dear Minister Heine:

I am writing to advise you of the U. S. Department of Education's (Department) 2016 determination under section 616 of the *Individuals with Disabilities Education Act (IDEA)*. The Department has determined that the Republic of the Marshall Islands (RMI) meets the requirements and purposes of Part B of the *IDEA*. This determination is based on the totality of RMI's data and information, including the Federal fiscal year (FFY) 2014 State Performance Plan/Annual Performance Report (SPP/APR), other RMI-reported data, and other publicly available information.

RMI's 2016 determination is based on the data reflected in RMI's "2016 Part B Compliance Matrix" (Compliance Matrix). The Compliance Matrix is further explained in a document, entitled "How the Department Made Determinations under Section 616(d) of the Individuals with Disabilities Education Act Part B in 2016: Entities with Determinations Based on Compliance" (HTDMD Compliance Only).

Although OSEP is continuing to use both results data and compliance data in making determinations in 2016 for other States, the Department did not have sufficient results data to use when making 2016 determinations for the following entities: American Samoa, the Bureau of Indian Education, the Commonwealth of the Northern Mariana Islands, the Federated States of Micronesia, Guam, the Republic of the Marshall Islands, the Republic of Palau, and the Virgin Islands. In making Part B determinations in 2016 for other States, OSEP used results data related to the participation of children with disabilities (CWD) on regular Statewide assessments, the participation and performance of CWD on the National Assessment of Educational Progress (NAEP), and exiting data on CWD who dropped out and CWD who graduated with a regular high school diploma, as reported by States under section 618 of the *IDEA*. Although RMI does report section 618 exiting data, which is included in the Data Display described below, it is not required to conduct Statewide assessments and does not participate in NAEP. Therefore, the Department is using the criteria set forth in the HTDMD Compliance Only, which are similar to the criteria the Department used to make determinations for these entities in 2013, 2014, and 2015.

You may access the results of OSEP’s review of RMI’s SPP/APR and other relevant data by accessing the SPP/APR module using your entity-specific log-on information at [osep.grads360.org](http://osep.grads360.org). When you access RMI’s SPP/APR on the site, you will find, in Indicators 1 through 16, the OSEP Response to the indicator and any actions that RMI is required to take. The actions that RMI is required to take are in two places:

- (1) any actions related to the correction of findings of noncompliance are in the “OSEP Response” section of the indicator; and
- (2) any other actions that RMI is required to take are in the “Required Actions” section of the indicator.

It is important for you to review the Introduction to the SPP/APR, which may also include an OSEP response and/or Required Actions.

You will also find all of the following important documents saved as attachments to the Progress Page:

- (1) RMI’s Compliance Matrix;
- (2) the HTDMD Compliance Only document;
- (3) a spreadsheet entitled “2016 Data Rubric Part B,” which shows how OSEP calculated RMI’s “Timely and Accurate State-Reported Data” score in the Compliance Matrix;
- (4) a document entitled “Dispute Resolution 2014-15,” which includes the *IDEA* section 618 data that OSEP used to calculate RMI’s “Timely State Complaint Decisions” and “Timely Due Process Hearing Decisions” scores in the Compliance Matrix; and
- (5) a Data Display, which presents certain entity-reported data in a transparent, user-friendly manner and is helpful for the public in getting a broader picture of entity performance in key areas.

As noted above, RMI’s 2016 determination is Meets Requirements. The 2016 determination for an entity whose determination is based on the Compliance Matrix is Meets Requirements if the Compliance Matrix percentage was at least 90%, unless the Department imposed Special Conditions on the State’s last three (FFYs 2013, 2014, and 2015) IDEA Part B grant awards, and those Special Conditions are in effect at the time of the Department’s 2016 determination.

States were required to submit Phase II of the State Systemic Improvement Plan (SSIP) by April 1, 2016. OSEP appreciates RMI’s ongoing work on its SSIP and its efforts to improve results for students with disabilities. We have carefully reviewed your submission and will provide feedback in the upcoming weeks. Additionally, OSEP will continue to work with your entity as it develops Phase III of the SSIP, due April 3, 2017.

Further, RMI must make its SPP/APR available to the public by posting it on its Web site. Within the next several days, OSEP will be finalizing a State Profile for your entity that:

- (1) will be accessible to the public;
- (2) includes links to a PDF of RMI’s SPP/APR, including all of the entity’s and OSEP’s attachments; and
- (3) RMI may use to make its SPP/APR accessible to the public.

We will provide you with the link to that profile when it is live.

OSEP appreciates RMI's efforts to improve results for children and youth with disabilities and looks forward to working with your entity over the next year as we continue our important work of improving the lives of children with disabilities and their families. If you have any questions, would like to discuss this further, or want to request technical assistance, please contact Lucille Sleger, your OSEP State lead, at 202-245-7528.

Sincerely,

/s/ Ruth E. Ryder
