

UNITED STATES DEPARTMENT OF EDUCATION  
OFFICE OF SPECIAL EDUCATION AND REHABILITATIVE SERVICES

JUN 3 2010

Honorable Nancy Grasmick  
Maryland State Department of Education  
State Superintendent of Schools  
200 West Baltimore Street  
Baltimore, Maryland 21201

Dear Superintendent Grasmick:

Thank you for the timely submission of Maryland's Federal fiscal year (FFY) 2008 Annual Performance Report (APR) and revised State Performance Plan (SPP) under Part C of the Individuals with Disabilities Education Act (IDEA).

The Department has determined that, under IDEA sections 616(d)(2)(A)(i) and 642, Maryland meets the requirements of Part C of IDEA. The Department's determination is based on the totality of the State's data and information, including the State's FFY 2008 APR and revised SPP, other State-reported data, and other publicly available information. See the enclosure entitled "How the Department Made Determinations under Section 616(d) and 642 of the IDEA in 2010: Part C" for further details.

Specific factors affecting the determination made by the Office of Special Education Programs (OSEP) that Maryland meets requirements under IDEA sections 616(d) and 642 include: (1) Maryland provided valid and reliable FFY 2008 data reflecting the measurement for each indicator; and (2) Maryland reported high levels of compliance or correction of previously identified findings of noncompliance for Indicators 1, 7, 8A, 8B, 8C, 9, 10, 11, and 14. We commend Maryland for its performance.

The enclosed table provides OSEP's analysis of the State's FFY 2008 APR and revised SPP and identifies, by indicator, OSEP's review of any revisions the State made to its targets, improvement activities (timelines and resources), and baseline data in the State's SPP. The table also identifies, by indicator: (1) the State's reported FFY 2008 data; (2) whether such data met the State's FFY 2008 targets and reflect progress or slippage from prior year's data; and (3) whether the State corrected findings of noncompliance.

As you know, pursuant to IDEA sections 616(b)(2)(C)(ii)(I) and 642, your State must report annually to the public on the performance of each early intervention services program (EIS program) located in the State on the targets in the SPP. In addition, your State must: (1) review EIS program performance against targets in the State's SPP; (2) determine if each EIS program "meets requirements" of Part C, or "needs assistance," "needs intervention," or "needs substantial intervention" in implementing Part C of the IDEA; (3) take appropriate enforcement action; and (4) inform each EIS program of its determination. For further information regarding these requirements, see the SPP/APR Calendar at: <http://spp-apr-calendar.rfcnetwork.org/explorer/view/id/656>. Finally, if your State included revisions to baseline, targets or improvement activities in its APR submission, and OSEP accepted those revisions, please ensure that your SPP is updated accordingly and that the updated SPP is posted on the State's website and made available to the public, consistent with IDEA sections 616(d)(2)(C)(ii)(I) and 642.

*The Department of Education's mission is to promote student achievement and preparation for global competitiveness by fostering educational excellence and ensuring equal access.*

Maryland received a State incentive grant (SIG) under IDEA section 643(e) for FFY 2009 to continue to make available during FFY 2009 Part C services to children with disabilities beyond age three under IDEA sections 632(5)(B)(ii) and 635(c). Beginning with the State's FFY 2009 APR, due February 1, 2011, Maryland must include in its data under APR indicators 1, 2, 3, 4, 5, 6, 10, 11, 12, and 13 data on children who were three years or older and received services under IDEA section 635(c). Such data should be reported in the State's aggregated data under each indicator for all children, but may also be reported separately for those children who were three years or older and received services under IDEA section 635(c).

OSEP is committed to supporting Maryland's efforts to improve results for children and youth with disabilities and looks forward to working with your State over the next year. If you have any questions, would like to discuss this further, or want to request technical assistance, please contact Sheryl Parkhurst, your OSEP State Contact, at 202-245-7472.

Sincerely,
