MEMORANDUM

TO: Lead Agency Directors
    Part C Coordinators

FROM: Troy R. Justesen, Acting Director
       Office of Special Education Programs (OSEP)

SUBJECT: Procedures for Receiving a Federal Fiscal Year (FFY) 2006 Grant Award Under Part C of the Individuals with Disabilities Education Act (IDEA) as Amended in 2004

ACTION REQUIRED: Submission of Part C Application Packet by Friday, April 7, 2006

The purpose of this memorandum and enclosed Application is to inform Lead Agencies (LAs) of the procedures they are to follow in order to receive a grant under Part C of IDEA as amended in 2004, for FFY 2006 funds that will become available to States on July 1, 2006.

The enclosed packet contains instructions and forms needed for completion of a Part C State Application. The Application is available on the Internet at http://www.ed.gov/fund/grant/apply/osep/2006apps.html. The completed Application, with supporting information, should be submitted on or before April 7, 2006.

Upon receipt and approval of the required certifications and information in the Application, the State will be eligible to receive FFY 2006 Part C funds.

I. Procedures Lead Agencies are to Follow in Order to Receive a Part C Grant Award for FFY 2006

For the FFY 2006 grant period for July 1, 2006 through June 30, 2007, the Department is asking Lead Agencies (LAs) to: 1) read the Instruction Sheet; 2) carefully review the eligibility requirements found in the Technical Assistance Checklist at http://www.ed.gov/fund/grant/apply/osep/2006apps.html; 3) determine which policies, procedures, methods, descriptions, and assurances, in Section II, the State can and/or cannot provide; 4) provide certifications found in Section II; 5) complete, as instructed, the Use of Funds information in Section III; 6) provide an appropriate submission statement(s) found in Section I; and 7) follow the public participation requirements found in Section V of this letter. States should carefully consider who has the authority to provide the assurances and certifications in light of the changes to the IDEA, as amended in 2004, and the State's laws and regulations.
Until the State can provide all policies, procedures, methods, descriptions, and assurances found in the Application, the State and Lead Agency is responsible for ensuring that early intervention services are available to all infants and toddlers with disabilities in the State including the requirements of Part C (see 20 U.S.C. 1435).

Consistent with 20 U.S.C. 1404 of the IDEA, as amended in 2004, each State, by accepting a grant under Part C of the IDEA expressly agrees to a waiver of Eleventh Amendment immunity for violations of the IDEA.

II. Summary of Substantive Changes

A summary of the substantive statutory changes that affect State application requirements to the IDEA, as amended in 2004, that are relevant to State implementation of Part C for July 1, 2006 through June 30, 2007 is found in the Technical Assistance Checklist at http://www.ed.gov/fund/grant/apply/osep/2006apps.html. The column titled ‘Description of Changes’ provides a summary of the substantive statutory changes that apply to the eligibility requirements found in PL 108-446.

III. Description of Use of Funds Under Part C

Each State’s Application must include a description of how a State proposes to use its FFY 2006 grant funds under Part C. States should follow the instructions found in Section III (Use of Funds) of the enclosed Instruction Sheet. Include computations showing that the amounts on each page equal the total for that page, and that the totals from each section add up to the total estimated grant amount.

Although the Secretary is not required to reserve 15 percent of the appropriated amount for FFY 2006 as described in 20 U.S.C. 1443(e), States may still offer early intervention services to families, after the child turns three, consistent with 20 U.S.C. 1435(c).

IV. Description Required By Section 427 of the General Education Provisions Act

Each State must also have on file with the Department a description of the steps the State proposes to take to ensure equitable access to, and participation in, activities conducted under Part C, by addressing the special needs of students, teachers, and other program beneficiaries in order to overcome barriers to equitable participation, including barriers based on gender, race, color, national origin, disability, and age, as required by Section 427 of the General Education Provisions Act (GEPA). This description must identify barriers and strategies to address the barriers. A notice regarding compliance with Section 427 is attached to this memorandum. If OSEP has previously approved a State’s description under Section 427 and the State has not revised that description, it need not submit the description again.

V. Public Participation Requirements that Lead Agencies Must Meet

The public participation requirements in 34 CFR §§303.110-303.113 and section 441 of the General Education Provisions Act (GEPA) apply to Lead Agencies submitting Part C Applications. In accordance with the GEPA requirement, the State must assure that it will provide reasonable opportunities for participation by local agencies, representatives of the class of individuals affected by this program and other interested institutions, organizations, and individuals in the planning for the operation of this program. (See 20 U.S.C. 1232d(b)(7).)

GEPA requires that the State publish each proposed plan, in a manner that will ensure circulation throughout the State, at least 60 days prior to the date on which the plan is submitted to the Secretary or on which the plan becomes effective, whichever occurs earlier, with an opportunity for public comments on such plan to be accepted for at least 30 days. Further, GEPA requires the State to hold public hearings on the proposed plans if required by the Secretary by regulation. The Education Department
General Administrative Regulations (EDGAR) at 34 CFR §76.102 makes clear that the Part C applications are State plans.

The Part C regulations at 34 CFR §§303.110(a)(2) and (3) contain Part C's public hearing requirements, which apply when a State has a revised or new application (containing new policies and procedures).

Therefore, prior to submitting your Part C application for funds, your State must publish the application for at least 60 days and accept public comment for at least 30 days. In addition, if your State is adopting new or revised policies and procedures related to Part C, your agency must also conduct public hearings at times and places throughout the State to afford interested parties an opportunity to participate pursuant to the public hearing and related requirements at 34 CFR §§303.110 through 303.113. The State must then review and consider all public comments and make any necessary modifications to the policies and procedures.

Since many States have indicated that they will not be adopting revised policies and procedures at this time, those States will not need to conduct public hearings. However, all States will need to make their Part C applications available for 60 days and must accept comment for 30 days. When a State adopts revised or new policies and procedures to come into compliance with IDEA 2004, then the State must make its revised or new policies and procedures available for 60 days, accept comment for 30 days, and also conduct public hearings as described above.

VI. Conditional Approval of FFY 2005 Application

As noted above, any State that received a grant award letter conditionally approving its FFY 2005 Application must provide OSEP with appropriate documentation to demonstrate that the conditions and other criteria outlined in the FFY 2005 grant award letter have been met. It is preferable that documentation to address the FFY 2005 conditional approval be sent to OSEP prior to the FFY 2006 Application submission, to ensure timely processing of the Application. However, the documentation must be submitted with the FFY 2006 Application submission unless a different date is specified in the State's FFY 2005 grant letter. If the documentation includes any revisions in the State's policies and procedures, assurances, methods of implementation, or State law or regulations related to Part C implementation, States must comply with the public participation requirements of 34 CFR §§303.110-303.113.

VII. System of Payments / Use of Insurance / Program Income; Restricted Indirect Cost Rate/Cost Allocation Plan Information

When completing Section IV.A, States are asked to place a check in one of the two blanks provided. By entering a check in the appropriate blank the State is indicating whether the State does or does not have a system of payments for Part C services under 20 U.S.C. 1432(4)(B) which may include use of public and/or private insurance or family fees, such as a sliding scale.

If the State has adopted or revised its existing policies and procedures regarding its system of payments, it must submit these policies and procedures under Section II of the Application.

When completing Section IV.B, Lead Agencies that are not State educational agencies (SEAs) (as well as any outlying area that has the Department of Interior as its cognizant Federal agency, even if an SEA) must complete the requested information on indirect costs in Appendix A, Part II of the Application and provide copies of appropriate documentation.
VIII. Submission of Application Packet

States should submit an original of the documents necessary to demonstrate eligibility, which must be received by OSEP on or before April 7, 2006 to:

United States Department of Education
ATTN: Rex Shipp, Mail Stop 2600
7100 Old Landover Road
Landover, MD 20785-1506

For your convenience, the Application may be submitted to this Office electronically formatted in Microsoft Word. The Application is available on the Internet at http://www.ed.gov/fund/grant/apply/osep/2006apps.html. If you wish to submit the Application by e-mail, please send it to OSERS.capp@ed.gov. OSEP requires an original signature on the "Submission Statement and Assurances" to be sent by mail and the Application will not be determined as received by OSEP under the Cash Management Improvement Act (CMIA) and the Education Department General Administrative Regulations (EDGAR), at 34 CFR §76.703, until OSEP receives the signed Submission Statement and Assurances. (Copies of the signed documents may be faxed to OSEP, at (202) 245-7614 to the attention of Rex Shipp. Documents with original signatures must follow in the mail.)

IX. Due Date / Effective Date of Grant

The provisions of EDGAR, at 34 CFR §76.703, apply to grant awards under Part C of the IDEA. Section 76.703 implements the requirements of the Cash Management Improvement Act (CMIA), 31 U.S.C. §8503, and its implementing regulations at 31 CFR Part 205, which provide for the timely transfer of funds between Federal agencies and States, and authorizes payment of interest where transfers are not made in a timely fashion.

Consistent with 34 CFR §76.703(a)(1), the Department has established April 7, 2006, as the submission date for all documents necessary to demonstrate eligibility for FFY 2005 grant awards under Part C of the IDEA. As explained below, pre-award costs will only be provided consistent with the provisions of the CMIA and EDGAR at 34 CFR §76.703 (a copy of which is attached to the memorandum). Therefore, the effective date of a grant to a State that does not submit a substantially approvable Part C Application to OSEP by April 7, 2006, may be later than July 1, 2006.

Consistent with the requirements of 34 CFR §76.703, grant award notification forms will indicate the effective date of the grant award period for Applications received prior to July 1, 2006, as the later date of either: (1) the date that the Secretary determines that the State Application is substantially approvable; or (2) the date that the funds are first available for obligation by the Secretary (i.e., July 1, 2006).

If a State has submitted a substantially approvable Application by the April 7, 2006 deadline, the Federal funding period as noted in block 6 on the grant award notification will begin July 1, 2006. If the Department receives a State's substantially approvable Application after the April 7, 2006 deadline, but before July 1, 2006, the starting date for obligating funds will be July 1, 2006, provided that the Department is able to determine that the Application is substantially approvable prior to July 1, 2006. If the Department is unable to determine that the Application is substantially approvable prior to July 1, 2006, the starting obligation date will be determined in accordance with the procedures in 34 CFR §76.703(e)(2).

If the Department receives a State's Application after July 1, 2006, or the Application that the State submits is not substantially approvable, the grant award notification will indicate, as the start of the Federal funding period, the date when the Department determines that the Application is substantially approvable. For purposes of Part C Applications for FFY 2006, an Application is "substantially approvable" when it meets, to the Department's satisfaction, the requirements in this Application packet. An Application will not be "substantially approvable" until OSEP receives any clarifications, amendments or assurances requested by OSEP.
X. Conclusion

As explained in this memorandum, it is important that, before submitting its Part C Application for FFY 2006, each State ensure that it has:

- Met Part C's public participation requirements as described in this memorandum;
- Completed, as instructed, the Use of Funds information in Section III;
- Completed Section IV as appropriate;
- Indicated which policies, procedures, methods, descriptions, and assurances, in Section II A-B, the State can and/or cannot make and provided documentation as appropriate;
- Provided certifications found in Section II C (*Note: States submitted ED Form 80-0013, Certification Regarding Lobbying, with the State’s 2005 Application. Therefore the first certification found in Section II B, Certifications, should be marked 'yes'.*)
- Provided an appropriate submission statement(s) found in Section I;
- Provided OSEP with appropriate documentation to demonstrate that any conditions outlined in the State’s FFY 2005 grant award have been met; and
- Completed and signed the Statement found in Section II D.
