Dear Director Fangman:

I am writing in response to Iowa's request to waive the following statutory and regulatory requirements of Title I, Part A of the Elementary and Secondary Education Act of 1965, as amended (ESEA). After reviewing Iowa's request, I am pleased to grant the following waivers:

- Approving schools or local educational agencies (LEAs) identified for improvement, corrective action, or restructuring as supplemental educational services (SES) providers. I am granting a one-year waiver of 34 C.F.R. § 200.47(b)(1)(iv)(A) and (B) to permit Iowa to approve a school or LEA identified for improvement, corrective action, or restructuring to serve as an SES provider in the 2010–2011 school year.
- Offering SES in addition to public school choice to students attending a school in the first year of improvement and counting the costs of both toward an LEA's 20 percent obligation. I am granting a one-year waiver of ESEA section 1116(b)(10) and 34 C.F. R. § 200.48 to permit an LEA in Iowa to offer SES in addition to public school choice to eligible students in a Title I school in the first year of school improvement and to count the costs of providing SES to these students toward meeting the LEA's 20 percent obligation under 34 C.F. R. § 200.48.

These waivers are granted on the following conditions:

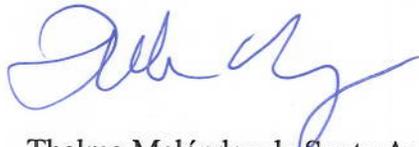

- Iowa will ensure that each LEA taking advantage of these waivers complies with all other statutory and regulatory requirements related to SES for the 2010–2011 school year; and
- Iowa will submit to the Department, by September 30, 2011, a report that includes:
  - The total number of LEAs identified for improvement or corrective action that were approved to be an SES provider for the 2010–2011 school year;
  - The total number of schools identified for improvement, corrective action, or restructuring that were approved to be an SES provider for the 2010–2011 school year; and
  - The name and NCES Identification Number for each LEA taking advantage of the waiver to offer SES in addition to public school choice to students in a Title I school in the first year of improvement and count the costs of both toward the LEA's 20 percent obligation.
