

UNITED STATES DEPARTMENT OF EDUCATION

OFFICE OF ELEMENTARY AND SECONDARY EDUCATION

ASSISTANT SECRETARY

SEP 9 2009

The Honorable Jim Rex
State Superintendent of Education
South Carolina Department of Education
1006 Rutledge Building
Columbia, South Carolina 29201

Dear Superintendent Rex:

I am writing in response to South Carolina's requests to waive certain statutory and regulatory requirements of Title I, Part A of the Elementary and Secondary Education Act of 1965 (ESEA). After reviewing South Carolina's requests, I am pleased to grant the following waivers:

- 14-day notice requirement. I am granting South Carolina a one-year waiver of the Title I, Part A regulatory requirement for a local educational agency (LEA) to provide parents of eligible students with notice of their public school choice options at least 14 days before the start of the school year (34 C.F.R. § 200.37(b)(4)(iv)). This waiver applies only to the notice provided to parents of eligible children attending schools that are newly identified for improvement for the 2009–10 school year or that made adequate yearly progress (AYP) in the previous year, and so could have possibly exited improvement for the 2009–10 school year, but did not.
- Approving schools and LEAs identified for improvement, corrective action, or restructuring as supplemental educational services (SES) providers. I am granting a one-year waiver of 34 C.F.R. § 200.47(b)(1)(iv)(A) and (B) to permit South Carolina to approve a school or LEA identified for improvement, corrective action, or restructuring to serve as an SES provider in the 2009–10 school year.
- Offering SES in addition to public school choice in the first year of improvement and counting the costs of both toward an LEA's 20 percent obligation. I am granting a one-year waiver of ESEA section 1116(b)(10) and 34 C.F.R. § 200.48 to permit an LEA in South Carolina to offer SES in addition to public school choice to eligible students in Title I schools in the first year of school improvement and to count the costs of providing SES to these students toward the LEA's 20 percent obligation under 34 C.F.R. § 200.48.
- Calculation of "set-asides" for Title I, Part A funds. I am granting a one-year waiver to permit an LEA or school, as applicable, in South Carolina to exclude all or part of the Title I, Part A funds it receives through the American Recovery and Reinvestment Act of 2009 (ARRA) when calculating:

www.ed.gov

Our mission is to ensure equal access to education and to promote educational excellence throughout the Nation.

- An LEA's obligation to spend an amount equal to at least 20 percent of its fiscal year (FY) 2009 Title I, Part A funds for public school choice-related transportation and SES (ESEA section 1116(b)(10); 34 C.F.R. § 200.48(a)(2)).
 - An LEA's obligation, if identified for improvement, to spend 10 percent of its FY 2009 Title I, Part A funds for professional development (ESEA section 1116(c)(7)(A)(iii); 34 C.F.R. § 200.52(a)(3)(iii)).
 - A school's obligation, if identified for improvement, to spend 10 percent of its FY 2009 Title I, Part A funds for professional development (ESEA section 1116(b)(3)(A)(iii); 34 C.F.R. § 200.41(c)(5)).
- Calculation of per-pupil amount for SES. I am granting a one-year waiver of ESEA section 1116(e)(6) and 34 C.F.R. § 200.48(c)(1) to permit an LEA in South Carolina to exclude some or all of the Title I, Part A funds it receives through the ARRA in calculating the per-pupil amount for SES.
 - Ability to grant LEAs a waiver of the carryover limitation. I am granting South Carolina a two-year waiver of section 1127(b) of the ESEA to allow it to waive the carryover limitation in section 1127(a) of the ESEA more than once every three years for an LEA that needs the additional waiver because of the supplemental Title I, Part A appropriation provided through the ARRA.

These waivers are granted on the condition that South Carolina will satisfy the conditions detailed in the enclosure to this letter, including the requirement to report certain information about the use of each of the waivers to the Department by September 30, 2010. Please be sure to review the enclosure carefully.

In addition to the above waivers, South Carolina requested one additional waiver, which I am pleased to grant:

- South Carolina implemented new assessments in reading/language arts and mathematics in 2008–09 in grades 3–8 and is setting academic achievement standards by early fall 2009. Consequently, I am granting South Carolina a one-year waiver of the statutory requirements to ensure that the results of the state academic assessments administered in that school year are available to LEAs before the beginning of the next school year (section 1116(a)(2) of the ESEA) and to provide notice of public school choice before the start of the year (section 1116(b)(1)(E)(i) of the ESEA). For those schools that may be either newly identified for improvement for the 2009–10 school year or that made AYP in the previous year, and so could possibly exit improvement for the 2009–10 school year, the LEA may wait until the assessment results are available, after the start of the school year, before providing parents of eligible students with notice of their public school choice options.

I appreciate the work you are doing to improve your schools and provide a high-quality education for your students. If you have any questions, please contact Zollie Stevenson, Director of Student Achievement and School Accountability Programs (SASA) at (202) 260-0826.

Sincerely,

This waiver is granted on the condition that South Carolina will:

- Ensure that each local educational agency (LEA) taking advantage of the waiver provides public school choice notice to parents of students attending schools that cannot exit improvement, corrective action, or restructuring for the 2009–10 school year at least 14 days prior to the start of the 2009–10 school year;
- Encourage all LEAs within the state to provide notice of public school choice as early as possible and, ideally, at least 30 days before the start of the school year;
- Ensure that its assessment schedule and test vendor contract for the 2009–10 school year (and all subsequent school years) will permit LEAs within the state to provide notice of public school choice sufficiently in advance of, but no later than 14 days before, the start of the 2010–11 school year (and all subsequent school years);
- Ensure that its LEAs that offer public school choice earlier to students in some schools than to students in other schools reserve a portion of the available transportation slots for students who receive the later notice (*see* Question D-7 in the Department’s Public School Choice Non-Regulatory Guidance, available at: <http://www.ed.gov/policy/elsec/guid/schoolchoiceguid.pdf>); and
- Submit to the Department, by September 30, 2010, a report that provides:
 - The total number of LEAs within the state that had schools that could have possibly entered or exited improvement, corrective action, or restructuring for the 2009-10 school year; and
 - The total number of LEAs within the state that took advantage of the waiver and provided some parents notice of public school choice less than 14 days before the start of the 2009–10 school year.
