Introduction

The Privacy Act (5 U.S.C. 552a(e)(4)) requires the Department to publish in the **Federal Register** this notice of a new system of records maintained by the Department. The Department's regulations implementing the Privacy Act are contained in the Code of Federal Regulations (CFR) in part 5b of title 34.

The Privacy Act applies to a record about an individual that is maintained in a system of records from which individually identifying information is retrieved by a unique identifier associated with each individual, such as a name or Social Security number. The information about each individual is called a "record," and the system, whether manual or computer-based, is called a "system of records."

The Privacy Act requires each agency to publish a system of records notice in the **Federal Register** and to submit, whenever the agency publishes a new system of records or makes a significant change to an established system of records, a report to the Administrator of the Office of Information and Regulatory Affairs, OMB. Each agency is also required to send copies of the report to the Chair of the Committee on Oversight and Government Reform of the House of Representatives, and to the Chair of the Committee on Homeland Security and Governmental Affairs of the Senate.

CATEGORIES OF INDIVIDUALS COVERED BY THE SYSTEM:

The eCDR Appeals system contains records on borrowers who have received loans under the William D. Ford Federal Direct Loan (Direct Loan) Program and the Federal Family Education Loan (FFEL) Program. Although the eCDR Appeals system contains information about institutions associated with individuals, this system of records notice pertains only to individuals protected under the Privacy Act of 1974, as amended.

CATEGORIES OF RECORDS IN THE SYSTEM:

If the Department is the holder of the FFEL Program loan, then the Department is the data manager. For Direct Loans, the Direct Loan servicer is the data manager; and

(3) To allow Federal Student Aid to electronically view and respond to cohort default rate challenges and adjustment requests from institutions of higher education.

(3) *Enforcement Disclosure.* In the event that information in this system of records indicates, either on its face or in connection with other information, a violation or potential violation of any applicable statutory, regulatory, or legally binding requirement, the Department may disclose the relevant

records to the appropriate agency, whether foreign, Federal, State, Tribal, or local, charged with the responsibility of investigating or prosecuting that violation or charged with enforcing or implementing the statute, Executive order, rule, regulation, or order issued pursuant thereto.

(i) The Department or any of its components.

whether particular records are required to be disclosed under the FOIA or the Privacy Act.

(6) *Contract Disclosure.* If the Department contracts with an entity to perform any function that requires disclosing records to the contractor's employees, the Department may disclose the records to those employees. Before entering into such a contract, the Department shall require the contractor to maintain Privacy Act safeguards as required under 5 U.S.C. 552a(m) with respect to the records in the system.

(7) *Congressional Member Disclosure.* The Department may disclose the records of an individual to a member of Congress or the member's staff in response to an inquiry from the member made at the written request of that individual. POLICIES AND PRACTICES FOR STORING, RETRIEVING, ACCESSING, RETAINING, AND DISPOSING OF RECORDS IN THE SYSTEM:

STORAGE:

Records are maintained in a database on the Department's secure servers and in other electronic storage media.

RETRIEVABILITY:

Records are retrieved by a unique institution of higher education code number provided by the Department to participating institutions and the borrower's Social Security number.

SAFEGUARDS:

Access to the records is limited to authorized personnel only. All physical access to the Department's site and to the site of the Department's contractor where this system of records is maintained, is controlled and monitored by security personnel who check each individual entering the buildings for his or her employee or visitor badge.

The computer system employed by the Department and by the Department's contractors offers a high degree of resistance to tampering and circumvention. This security system limits data access to Department and contract staff on a "need to know" basis, and controls an individual user's ability to access and alter records within the system. All users of this system of records are given a unique user identification. The Department's Federal Student Aid Information Security Privacy Policy requires the enforcement of a complex password policy. In addition, users are required to change their password at least every 60 to 90 days in accordance with the Department's information technology standards. At the principal site of the Department's contractor in Plano, Texas, additional physical security measures are in place and access is monitored 24 hours per day, 7 days a week.

RETENTION AND DISPOSAL:

The records associated with an institution of higher education's cohort default rate challenge or adjustment request are currently unscheduled pending National Archives and Records Administration (NARA) approval of a records retention schedule. Until a NARA-approved records schedule is in effect, no records will be destroyed.

SYSTEM MANAGER(S) AND ADDRESS:
