Address: Main Location:

Rego Park, NY 11374-2101

Closure Date: 03/14/2019

Notes: All student and institutional records (academic, financial aid, transcripts, exams, attendance, and all other institutional records) have always been safely and centrally stored at the Rego Park - Main Campus. It is Metropolitan Learning Institute's practice that all student records will remain at Rego Park until two academic years after the student had last attended the school, at which point the files will be scanned for electronic storage, and the physical files moved to the school archive at the Brooklyn Location.

Student Arrangements: 1. Transfer to the Rego Park Campus: Students were offered to enroll in the Main Campus of Rego Park. Because the programs among our campuses are identical the students were allowed to continue with minimal interruption. Additionally, the proximity to the former Jackson Heights Campus allowed a smaller commute for students. (91 students, or 70%, of our former Jackson Heights students took advantage of this option; also another 10 students, or 8.3%, were waiting for classes that will start on May 1, 2019.)

each-out with Ace Institute: For students who chose not to commute to Rego Park, we were providing them with a Teach-Out opportunity through Ace Institute. Because Ace Institute is located in Jackson Heights, it has the advantage of being closer to our former Jackson Heights location. We are working with NY-BPSS (our state licensing agency) to offer the teach-out to these students. (As of today, 25 students, or 19%, of our former Jackson Heights are being offered this teach out).

Refunding Students - For the remaining students (3 in total, or 2.3% of our former Jackson Height Students.
