Record Holder: School

Address: Perceptive Content

1936 North St

Nacogdoches TX 75961

Closure Date: 05/06/2023

Notes: There will be minimal disruption because all students will be enrolled in the undergraduate and graduate online programs.

The graduate program is currently online, and the undergraduate program has been approved for online delivery in Fall, 2023.

Students will complete the 2022-2023 academic year at the off-campus instructional site and their final academic year 2023-2024 in the online programs. Students will have an additional cost of \$33 per credit hour in the online programs, which is SFA's standard distance education (DE) course fee (in order to maintain our learning management system, our online technologies, and some proctoring services). The final semester for both BSW and MSW students consists of a 500-hour internship placement, and all students will be able to complete their internships closer to their home community in the original location where they planned to perform it.

Student Arrangements: Face-to-face classes for the BSW and MSW will no longer be taught at LSCM effective May 6, 2023. The Spring 2023 term will be the final term for face-to-face delivery at this site. In the 2020-2021 academic year, due to COVID, all BSW and MSW courses were moved to distance education formats. Since that time, most students who were taking face-to-face courses at LSCM have opted to complete their program online, despite the return of face-to-face instruction at the site.
