**Closure Date:** 10/23/2020

Notes: The school is closing permanently due to the COVID-19 pandemic. Their last date of instruction was 10/23/20.

Student Arrangements: Approximately six weeks ago we determined that, due to COVID-19, it would be in the best interest of the schools to close the Duncan campus. At that time, we began to plan what would be best for the students currently enrolled at that campus. The school closure will be effective October 23, 2020. There are no accredited schools in Duncan, OK, however, Lawton, OK is only 35 miles from Duncan, OK and some of the student's homes are actually closer to Lawton than Duncan. We have entered into a Teach-Out Agreement with our main campus in Lawton, OK (Eve's College of Hairstyling, Inc., D.B.A. Elite Academy) as well as I.T.S. Beauty Academy in Lawton, OK. In the Teach-Out Agreements, both schools have agreed to not exceed the charges on the student's current contract. They have also agreed to accept and apply all accrued hours and grades toward graduation.

Student Arrangements: Any student who did not complete their program at the HealthONE location by the last date of instruction there, moved to the Littleton campus location to complete their program. There was no interruption to their education.

HealthONE is a healthcare system that operates many medical facilities. ACC partnered with HealthONE to utilize space at one of their facilities to offer ACC college-credit EMS education. HealthONE decided that they wanted to focus on their medical operations and no longer wanted to have EMS education. As such, ACC and HealthONE reached an agreement to no longer utilize the HealthONE location. ACC has a long history of offering college-credit EMS education at its Littleton campus location, so the transition of absorbing all of the HealthONE offerings into the Littleton offerings was fairly seamless for the students, faculty, and staff.
