Subject: RE: Information Quality Request
Date: Monday, September 10, 2018 3:53:39 PM

Thank you for your request. It has been forwarded to the Office of Postsecondary Education for review. A response to your concerns will be provided as part of the department's response under the Notice of Proposed Rulemaking. Your request will be posted to Regulations.gov in the associated docket for this rule. Therefore, this request is not considered a proper request under the Information Quality Act.

If there are any further questions, please let us know.
