Attachment 1: FY 2010 Budget Estimates

Notes:

- a. Funds included in this table are from programs that allocate funds to states using a statutory formula. The totals do not reflect all Department of Education funds that flow to a state. States and other entities may receive funds from grants that are awarded on a competitive basis.
- b. These allocations are preliminary estimates based on currently available data. Allocations based on new data may result in significant changes from these preliminary estimates.

Attachment 2: Funds Appropriated under ARRA

Notes:

- a. Funds drawn down represent outlays according to the Department of Education's financial system as of 3/19/10. States may have obligated or drawn additional funds not yet reflected in this report.

Attachment 3: FY 2008 and FY 2009 Unexpended Balances

Notes:

- a. Unexpended Balances represent data through 3/23/10 in the Department of Education's financial system. States may have obligated or drawn additional funds not yet reflected in these data.
- b. For most of the formula grant funding for elementary and secondary education, the period of availability for obligation at the state and local level is 24 or 27 months from the beginning of the period of availability. The Department of Education can provide additional detail by program regarding the period of availability.
