Institutional Performance Metrics

(All data supplied by the Department)

← Student Right-to-Know graduation rate at 150% of normal time); rate is ranked against a comparison group (2 year schools use a 3 year rate)

← Most recent cohort default rate; rate is ranked against a comparison group

← Median debt for completers

← Loan repayment calculator

← School contact details: for more information and next steps

NOTE: The Financial Aid Shopping Sheet may supplement or replace an institution's existing award letter. This prototype format may be used for any student. It was designed for entering undergraduate students; however graduate schools will also use this format for their students and may modify it to remove elements that are not applicable. The Shopping Sheet is currently in PDF format; we anticipate an interactive programmable option and will provide more details in Fall, 2012.
