Subject: Student Loans

One in three students will default on their loan(s) in their lifetimes. The game is rigged against us. If homeowners can get bailouts for their mortgages, why can't we get bailouts for our student loans? My loans were \$92,000 and have ballooned to over \$200,000. There's no way I can pay this. Yes I feel stupid, in spite of the education I received.
Thank you.
